

POSTAL IMPROVEMENT WEEK IS OBSERVED

May 1 Sees Inaugurated First General Campaign of Kind in Service.

Without the Postal Service, business would languish in a day, and be at a standstill in a week. Public opinion would die of dry rot. Sectional hatred or prejudice only would flourish, and narrow-mindedness thrive.

It is the biggest distinctive business in the world and it comes nearer to the innermost interests of a greater number of men and women than any other institution on earth. No private business, however widespread, touches so many lives so often or sharply; no business reaches into so many souls, soothes so many pulses, has so many human beings dependent on its ministrations.

"Postal Improvement Week" has been set for May 1, by the Postmaster General. This is the first general campaign of its kind in the Postal Service for several decades. Business men and their organizations, large users of the mail, newspapers, motion pictures, advertisers, and the entire organization of 326,000 postal workers are to be enlisted in this country-wide campaign of interest in postal improvements. Your help is vital. Address your letters plainly with pen or typewriter. Give street address. Spell out name of State, don't abbreviate. Put your return address in the upper left hand corner of envelopes (not on the back) and always lock at your letter before dropping in the mail to see if it is properly addressed. This care in the use of the mails is for your benefit and speeds up the dispatch and delivery of mail matter.

If you have any complaints of poor service make them to your postmaster. He has instructions to investigate them and report to the department.

COURTESY

It sticks in human relations like postage stamps on letters. The POST OFFICE DEPARTMENT expects it to be used by its postmasters and employees in dealing with the public.

Help them in its use beginning with POSTAL IMPROVEMENT WEEK, May 1-6, 1922.

FROM PETERS CREEK

I will give you a few dots from our side of Pickens county while the rains continue to visit us.

A near tornado passed through this section from west to east on the 1st day of April doing considerable damage to forest and buildings. The worst seemed to be at Mr. J. D. McConnell's and Mr. Thomas S. Sammons' in the Peters Creek section.

It will be recalled to some of our older citizens that a cyclone passed through this same section February 20th, 1881, doing immense damage to forest and buildings.

A new arrival at the home of Mr. and Mrs. C. C. McConnell is a fine boy. Carl says the boy is worth a million but Carl you had better not let those tax gatherers find out his net those tax gatherers find out his net.

The latest at Mr. and Mrs. Wilton Williams' is a fine girl. Haven't learned what Wilton values the girl at.

The Misses Mattie and Maggie Williams with Miss Eula Medlin were visitors at Mrs. L. S. Edens last Wednesday.

Mr. and Mrs. Wicks Mayfield visited the former's parents Mr. and Mrs. George Mayfield of Greenville county last Sunday.

The many friends of Mr. G. W. Bowen will be sorry to learn that he is quite indisposed at his home on Dacusville route 1. Dr. Wm M. Pender is the attending physician.

Mr. L. E. Clark who has been very sick with pneumonia is reported as being much improved at this writing.

Mr. and Mrs. Jerric Turner visited the former's sister Mrs. Sam Robinson of Easley route 6 last Sunday.

Rev. J. M. Looper of Dacusville route 1 visited his son D. E. Looper of this place last Sunday.

Mrs. L. B. McConnell gave the little children a delightful egg hunt on Saturday evening the 14th and a happier crowd of children I never saw. We predict that not only should these children do so but they will always love this good christian hearted lady for the kindness shown them by her on this occasion.

PALESTINE NEWS.

(Too late for last week.)

Palestine school attended field day at Pickens Saturday. Everybody reports a nice time. The flag we were marching under was the old battle flag of the Confederates. We are still loyal to the Southern cause.

There is Sunday school at Gap Hill every Sunday at three o'clock.

We were well pleased to have Mr. Taylor Stewart with us at Sunday school yesterday. Also the other visitors from all over the Keowee, and Six Mile vicinity.

Miss Lois Roper visited her cousins Misses Ora and O. V. Roper at S. M. B. A. Sunday afternoon.

Mr. and Mrs. Harvey Haynes spent Sunday with Mr. and Mrs. E. G. Bowers.

Our picnic on Keowee river was enjoyed very much. Although the river was up so high we could not join Isaquena and just had to shout at each other across the roaring waves.

Mr. and Mrs. Sam Ferguson of Praters visited Mr. and Mrs. John Ferguson last week end.

Rev. J. C. Diggs of Pickens will make a speech for us at the close of school.

Mr. Olin Craig made a very important trip to Pendleton Sunday afternoon, you know, "Hope long deferred makes the heart sick" and if that Pendleton girl don't talk up there is a lot more that will, so get in a hurry Mr. Craig.

Everybody around here is getting in a hurry about their farm work now Spring time is here again.

FLAT ROCK SCHOOL NOTES

Our school closed April 7. The closing exercises consisted of nothing more than the awarding of prizes, two songs and a few closing remarks by the principal. There is a decided improvement in each department besides the improvement in other lines pertaining to athletics and other school activities.

The following is a list of the pupils winning prizes offered in our school: Spelling—Veron McWhorter, sixth grade; Inez Holliday, seventh grade; Veldee McWhorter, eighth grade. Behavior—Gertrude Brown, Ernest Johnson and Ralph Finley.

Our ball team has made a very splendid record this year. Although it has met some of the best equipped and best trained teams in Anderson and Pickens counties, it hasn't lost a game. The boys have made themselves a record worthy to be proud of. We consider our victory over the Liberty high school a very important one as their team has lost only to us. However, some of our most cherished victories were won on Anderson county fields. We defeated the splendid Walker-McElmoyle team by a decisive score of 6 to 1. The Melton team also suffered an overwhelming defeat at our hands. But of all our victories, we cherished the one over the Denver school most. This team has not been beaten in Anderson county, and naturally, there was a vast deal of rivalry manifested when the champions of Anderson county were met by the "hickory" nine from Pickens. The score was 11 to 4.

The following is the Flat Rock lineup: Veldee McWhorter, pitcher; Clark Young, catcher; Lang Smith, first base; Vernon McWhorter, second base; Ralph Hamlin, third base; Ben O. Powell, shortstop; Vincent McWhorter, right field; Arthur Holliday, center field; Henry Smith, left field; Raymond Ellenburg, substitute. Water Jacks: Tommy Fowler and Veron McWhorter.

FOR PROBATE JUDGE

I hereby announce myself a candidate for Probate Judge of Pickens County, subject to the rules and regulations of the Democratic party in the approaching primary.

ALEXANDER THEATRE PICKENS, S. C.

Thursday, April 27 th.

Miss DuPont in "SHATTERED DREAMS"

Cave men sometimes weaken. She was a slip of a girl, refined and beautiful. He was a Parisian Apache with Cave Man ethics, yet she made him her slave. He's a Brute. He Beat Me. I love him. He is King of the Apaches. You can see him fight and dance in "Shattered Dreams" at the Alexander Theatre, Thursday night.

Friday and Saturday, April 28 & 29.

Second chapter of that most thrilling of all serials "Hurricane Hutch", the most sensational ever shown in Pickens for thrills. Also Frank Kennan in "More Trouble" and Harold Lloyd in "Beat It". An altogether well balanced and interesting program with plenty action and plenty of fun. Don't Miss It. Friday and Saturday nights.

Monday and Tuesday, May 1st and 2nd.

"DEEP WATERS"

A Maurice Tourneur production. This is a spectacular Heart Interest drama from the famous story by F. Hopkinson Smith. It is a heart appealing love story which plunges through adventure, thrills and tragedy, finally working out into a beautiful and unforgettable ending. The underwater scenes are the finest ever made. One of the great scenes is where Calcb West saves the life of the man who wronged him when he is trapped in the sunken ship. It is one of the greatest scenes dramatically and photographically ever made. Ship wreck, underwater rescues and heart throbbing pathos, all make for the most human and emotional picture. Away above the average. Don't forget the dates—Monday and Tuesday, May 1st and 2nd.

NOTICE

The regular annual meeting of the stockholders of the Pickens Building & Loan Association will be held in the Court House on Tuesday, May 16th, 1922, at 5 o'clock p. m.

Sec. and Treas.

COTTON CAMPAIGN SUCCESSFUL

The whirlwind campaign of the cotton cooperative marketing association in Pickens county last week was highly successful and several thousand bales were signed up. The campaign will continue throughout this week, closing Monday. County Agent Bowen reports Wednesday morning that Pickens county lacks only 1000 bales of having signed its quota and will surely go over the top. Interest in the movement increases each day throughout the state.

EDENS RECOMMENDED FOR PICKENS OFFICE

Senator E. P. McCravy has recently

recommended to Governor Cooper the name of A. L. Edens to fill the unexpired term of Nathaniel Lynch, late magistrate of Pumpkintown township. The selection was made from a large number of applicants for the place.

Senator McCravy stated that the entire number of applicants were men of competent and capable judgment.

Mr. Edens has held the office before giving entire satisfaction in carrying out the duties.

AT SALEM CHURCH

There will be a Sunday school day at Salem church on Pickens circuit the fifth Sunday in April. A good program has been arranged by the Sunday school for the morning session and some interesting speakers for the afternoon. The public is invited to attend the above services.

First to establish the \$10.90 price—"Usco"

THE makers of U. S. Tires made this announcement last November—

"Hereafter the price of the 30 x 3 1/2 'Usco' is \$10.90." The lowest price ever quoted on a tire of quality reputation and standard performance.

And now, with the opening of Spring, there seem to be quite a number of "New and Special tires" coming into the market in the \$10.90 price range.

Perhaps you are wondering just what there can be either "new" or "special" about these tires.

It can't be the \$10.90 price—"Usco" established that five months ago.

Nor quality reputation and standard performance—for it takes more than one full season for any new tire to demonstrate where it stands in quality and value.

With so many tires rushing into this \$10.90 price

field (now that the season promises business from the American car-owner), it is worth remembering that "Usco" showed its good faith by announcing this price last fall.

The same intent to serve that has made "Usco" a standard value for years.

The "Usco" Tire was never better than it is today—with its established quality, its time-tested performance, and its price closely figured in time with the times.
