Pickens—Gem of the Foothills.

Mr. Sullivan Dorn of West Union was a visitor in Pickens Sunday.

Judge Mauldin of Pickens is holding court in Greenville this week.

Mrs. Georgia Boggs of Calhoun is a visitor at the home of Mr. A. J. Boggs.

We regret to report that Mr. J. E. Gillespie of the Praters community is seriously ill.

Miss Ellen Nealy of Greenville spent the week end with her parents, Mr. and Mrs. B. G. Nealy.

Mr. and Mrs. T. N. Hunter, Misses Sara Robinson and Elizabeth Harrison of Liberty visited in Pickens last Sunday.

Mrs. A. J. Boggs, Jr., and little son Jerry, accompanied by Mrs. I. Cox have gone on an extended visit to Washington, D. C.

Mrs. Hagood Bruce, her daughter and son have returned from an extended visit to her mother, Mrs. Grogan, of Elberton, Ga.

With notes past due and bills uncollectable it is mighty hard to make a man believe all this prosperity talk the daily press is publishing.

The women's auxiliary of the Presbyterian church will observe its tenth birthday at the home of Mrs. J. L. Valley on next Thursday.

The Pickens trustees have secured Prof. F. W. Simpson of Taylors as principal of the school here. He and his family will receive a most cordial welcome to our town.

The reunion of students of Pickens' first school will probably be held here June 3, same day of the old school's reunion. Definite management will be made later.

Mrs. Frank McFall, who was recently appointed as a trustee of the Pickens school, declined. Mr. R. E. Yongue was appointed the third member of the board to serve with Messrs. W. L. Mathoney and R. E. Lewis.

When it was announced that Pickens county was the first up-state county to sign its quota of bales in the recent campaign the Greenville Daily Piccadilly said in big headlines: "State of Pickens Shows 'Em How in Big Cotton Drive."

On last Sunday morning at the home of the brides parents, Mr. and Mrs. Robert Waldrop, at the foot of Bruce's mountain, Mr. Bry Snider of Easley was happily married to Miss Bessie Waldrop. They left immediately on a trip to Eastern cities.

Mr. N. Boone Carey of Seneca was a recent visitor to Pickens. He was here collecting material for a history of Pickens district which he expects to publish soon. For many years Mr. Carey has been gathering up bits of interesting history of Pickens district and is probably the best informed man living on this subject.

The local Epworth league elected the following new officers last Sunday night: President, Miss Ruth Diggs; secretary and treasurer, Miss Janie Durham; department superintendents, Miss Louise Diggs, Miss Frances Cox, Miss Margaret Valley, Mr. Quinton Porter; Eva agent, Miss Lola Durham; pianist, Miss Margaret Bivens.

Hereafter The Sentinel cannot print anything that comes in Wednesday morning if it could have been sent in before that time. We always have more to do Wednesday mornings than we possibly can do simply because so many people wait until the last minute to send in things. If your items or ads could not be prepared before Wednesday morning, all right—bring them in.

Roanoke school has a right to feel proud of some of the boys it has sent out. Two of the outstanding stars of all track meets participated in by Pickens county schools this year are Roanoke boys—Ross O'Dell, Jr., and Willie Allgood, son of Mr. and Mrs. T. O. Allgood. Roanoke has also sent out its share of stars in other years. This school also won the grand prize for Class C schools at the county field day. Keep it up, Roanoke.

THIS IS MEMORIAL DAY!

"The sun hangs low by the old camp fire,
Our soldiers are all gone away!
There's a thrill in the heart and a song in the air,
Upon this Memorial Day."

Miss Wheale, of Bridgeport, Conn., who is state organizer of the W. C. T. U., was in Pickens last Wednesday and Thursday. She made two talks to the women, one on Wednesday afternoon at the home of Mrs. J. L. Valley and one at the school house on Thursday following. She is a woman of great power of speech and is thoroughly alive to her subject. She has traveled extensively and her talks are both interesting and instructive.

The quarterly meeting of the W. M. U. of the Pickens association was held here last Sunday afternoon. The Mill church showed great progress in its work for missions. It has some women in it who are thoroughly consecrated and who give much time and means to the Lord's work. Prayer was the subject for study and some good talks were had. The next meeting of this kind will be held at Griffin church.

A STATEMENT OF FACTS REGARDING THE PROPOSED BOND ISSUE PICKENS HIGH SCHOOL

Elsewhere in this issue will be found a Notice for Bond Election to be held in Pickens May 22nd. A statement of facts will, we think, explain thoroughly the purpose of this move on the part of the trustees of the Pickens high school.

Eighteen years ago Pickens voted bonds to build the present school building. At that time the taxable property amounted to approximately \$95,000. Five mills was levied at that time to take care of this bond issue. There is due on this bond issue about \$700 which will be retired in about two years. We feel the need now of more room in our school. Altho we made some temporary arrangements last year we find that we are still crowded and the attendance increasing every year. We find after examining the tax books that taxable property in this school district now is approximately \$245,000 and by making the transfer of this same five mills from the old bond issue to the new we can vote \$12,000 in bonds, set aside \$700 from this amount to retire the old bonds when due in 1924, and with the addition of \$1000 from the county and \$1000 from the state give us \$13,000.00 to use in making an addition to our school building, adding five class rooms and restoring with improvements our auditorium, and installing water and sewer, which will have to be done within the next few months anyway.

The present five mills levied for bond purposes will take care of the new bond issue, pay the interest and create a sinking fund to retire the bonds in twenty years, and WILL NOT IN ANY WAY INCREASE TAXES ONE PENNY. Virtually it means the transfer of the present five mills from one bond issue to another, retire the old one and apply the proceeds from the present five mills to the new issue.

We trust this will explain satisfactorily to every one the purpose of the election and relieve your mind of the idea that we are trying to increase taxes whatsoever.

W. L. Mathoney, Chairman.

REFINEMENTS ADDED TO FORD ENCLOSED CARS.

Demand Exceeds Supply as Rush Season Approaches

Many added conveniences and refinements are to be seen in the Ford enclosed cars now being displayed by the local authorized Ford dealers. The interior of both the coupe and the sedan is now finished in an attractive shade of walnut brown broadcloth; and the seats are upholstered with a similar material threaded with chalked ebony-stripe. Heavy floor rugs give an added touch of comfort. Lifts, of a special design, minimize the effort of raising or lowering the windows. Door bumpers insure a tighter fitting, and new door grips, both inside and out, add to the rider's convenience.

The demand for Ford enclosed cars has been unusually high during the past two months. Although production has been speeded up in the Ford factory at Detroit, sales continue to exceed the output, making it necessary for purchasers in many parts of the country to wait for their cars. Local dealers say this is the reason they have been urging customers to place their orders as early as possible.

E. D. Hughes has bought the pressing club in Porter's barber shop and will conduct it at the same place.

Central school district last week voted in favor of issuing \$25,000 in bonds for school purposes. The vote was 58 for bonds and 2 against.

Another candidate is announced this week. Mr. W. S. Masters, a well known citizen of the Cedar Rock section, has been persuaded by friends to enter the race for county commissioner.

The formal announcement of the candidacy of Hon. J. S. Leppard for the state senate in today's paper is the most important political announcement of the present campaign in Pickens county. Mr. Leppard has well and faithfully served Pickens county two terms in the house of representatives and in that short space of time rose to be one of the real leaders and men of influence in that body. His friends feel that he deserves a promotion and desiring to serve his people in a larger capacity Mr. Leppard has consented to make the race for the senate.

Constance Talmadge in
"IN SEARCH OF A SINNER"

Her misfortune in life was that she had picked a good husband—he could not supply his wife with the tiger love that she craved. He did many good things—for charity, for his fellow man; for the good of purity and honesty. But the best thing he did was die, thus leaving her a widow determined to make up for the three years of marriage to a man who did not know how to love. A picture filled with sensational situations. Also a Ben Turpin comedy.

Friday and Saturday
May 12th and 13th.

Fourth chapter of "Hurricane Hutch"—"Smashing Through" Added feature that most wonderful of all children stars—Baby Marie Osborne in "TOLD AT TWILIGHT" and a Harold Lloyd comedy "SHE LOVES ME NOT".

Richard Talmadge in
"TAKING CHANCES"

Dick Talmadge is a regular Get-Em star. A picture filled with a lot of thrilling stunts that will keep you laughing.

Dick Talmadge is a new star, comparatively, but he has been under training of Douglas Fairbanks and makes picture very similar to Douglas Fairbanks, but everybody who has seen him say he is better than Fairbanks. You will enjoy this smiling young star. He has a rare personality and is taking big all of the territory where shown. See "Taking Chances" next Monday of Tuesday night and pass your judgment on him.
