

AN ADVERTISEMENT FOR THE PICKENS SENTINEL

Nowhere else can Pickens county citizens get as much reading of interest to them as they can get from The Pickens Sentinel.

County News

The Sentinel prints more Pickens county news of general county interest than any other paper. It gives the county and other news from all sections of the county. This news alone is worth the price of the paper to any good citizen.

Political News

This is campaign year in both state and county. The Sentinel keeps its readers informed about political happenings and will give you any important news concerning candidates.

General News

Each week The Sentinel prints a news review of domestic and foreign news which is the best feature of the paper. It is prepared by an experienced Washington correspondent and one may be intelligently informed on world affairs simply by reading this alone. It comprises three columns space each week and nowhere else can be had so much information in so few words. The Sentinel publishes news items about the most important happenings the world over.

Religious Reading

We do not know of another weekly paper anywhere that publishes so much religious news and reading matter as The Sentinel. We publish a column every week by one of the ministers in America. We publish every week a Sunday school lesson. We occasionally publish religious articles by local people. During the year we publish religious news of various kinds of meetings, articles, more chapters and committees than any other paper in the county. This is another feature of the paper which is worth more than its weight in gold to any church worker.

For The Women

Each week The Sentinel publishes a reading of special interest to the women. We print illustrated fashion articles, household hints, cooking recipes, etc.

Other Features

Each week The Sentinel publishes a feature of special interest to the women. We print illustrated fashion articles, household hints, cooking recipes, etc. The Sentinel also publishes the advertisements of Pickens county business of interest to every citizen. The Sentinel also tries to publish each week to drive home some other lesser feature which you will notice in The Sentinel. The family can get the news of the paper, which costs only a few cents less than the other papers, for less than the other papers. The paper is not published on Sundays but arrives to serve the citizens of the county.
