COLLECTION OF FEDERAL TAX OFF

SLUMP OF \$1,400,000,000, OR THIRTY PER CENT, AS COMPARED WITH LAST YEAR.

MILLIONS PAID BY CAROLINA

Shrinkage in Business and Repealing of Laws Responsible, According to Blair.

Washington—Federal tax collections during the fiscal year ended June 30, 1922, fell off almost \$1,400,000,000 or 30 per cent as compared with the previous year, according to the annual report of the internal revenue bureau issued by Commissioner Blair. Income and profits taxes collected during the year showed a decrease of \$1,141,000,000, or 35 per cent.

Total tax collections for the year aggregated \$3,297,451,083 compared with \$4,595,357,061 for 1921, while income and profits taxes for 1922 amounted to \$2,086,918,464 against \$3,228,137,673 the previous year.

Miscellaneous collections arising from taxation other than that on incomes and profits amounted to \$1,110,532,618 for 1922, a decrease of \$256,686,770, or 19 per cent. This slump Mr. Blair declared, was accounted for mostly by the repeal or reduction in rates of various taxes provided for in the revenue act of 1921, effective January 1, 1922.

The net expenditure for collecting taxes for 1922 was \$34,286,651, which was equivalent to \$1.07 for each \$100 collected as compared with 72 cents for each \$100 collected the previous year.

The relative cost of collecting taxes for the fiscal years 1921 to 1922 is shown in the following table: "is due mainly to the reduction in the revenues incident to the shrinkage in business and incomes, the repeal of certain miscellaneous war taxes and various provisions of the law such as the amortization of wartime facilities and the increase in individual exemptions contained in the revenue act of 1921, with the consequent reduction in the income tax liability of corporations and individuals.

Summary of the income and profits tax receipts during the year by states showed New York far in the lead in amount, with \$527,695,268.75. Pennsylvania second with \$245,798,087.82 and Illinois third with \$179,633,973.91. Nevada was low with \$561,023.45 and New Mexico next to low with \$811,593.56.

Other states included: Alabama, \$7,099,980.66; Florida, \$8,133,662.21; Georgia, \$14,170,949.82; Louisiana, \$15,477,826.58; Mississippi, \$3,405,262.58; Missouri, \$1,465,262.91; North Carolina, \$23,179,559.81; South Carolina, \$9,699,041.79; and Tennessee, \$14,174,092.51; Virginia, \$18,777,320.51.

Charged with the Murder of Five. Bristol, Va.—Ben Burchfield, aged 31 years, was arrested here, charged with the murder of five persons whose charred bodies were found in the ruins of a small frame building on West State street.

The dead are: Mr. and Mrs. James W. Smith, both about 50 years old; their daughter, Ruby, two years old; Mrs. Ben Burchfield, 39 years old, and her son, Charles Burchfield, aged 13 years.

The crime was discovered when the fire department was called to the combination residence and grocery store of Smith on State street. When the flames had been extinguished, the charred bodies of the five were found in the ruins of the structure. They evidently had been beaten to death with an axe or some other heavy implement and the house set afire to hide any trace of the crime.

Burchfield and his wife had been separated, and he is said to have made threats against her. The police say he came to them and said his wife was contemplating a divorce and he would rather see her dead than to have anyone else have her.

British Embassy Issues Statement. Washington.—The British embassy, making formal notice of published reports that the British government was attempting to influence Congress or the American people regarding the administration shipping bill, issued a statement declaring no such attempt had taken place.

"The embassy," said the statement, "denies emphatically that there is any truth in the allegation."

A similar assurance is understood to have been given Secretary Hughes informally by Sir Auckland Geddes, the British ambassador.

"Take DeValera" is Irish Order. Dublin.—Eamon deValera may face a firing squad if he is apprehended by Free State Troops with arms in his possession.

The order to "capture DeValera" went out as Free State patrols paced the streets alert for an uprising to avenge Ervine Childers, executed a few days ago.

The sporadic character of the rebel attacks to date indicates they have no leader, and have been disorganized by the arrests of many of their "strong men."
