## Barnwell County Fair to Open Monday, October 18

When the Barnwell County Fair opens Monday, October 18th, six big days and six big nights are promised to the people of this section by the management, working in cooperation with Miss Willie Mae Vann, home demonstration agent, and Mr. Harry G. Boylston, county farm agent. Everything possible is being done to make this an outstanding event of the year and large crowds are expected daily.

A very attractive 20-page premium list has been issued and the prizes are well worth competing for. The exhibits will be on display in the Court House and will reflect in some small measure the splendid products of field, garden and orchard that can be grown in this favored section. In addition there will be examples of the handiwork of the women and girls of the county.

Of course, a fair is not a fair without a midway and the Zeidman and Polie Shows have been secured to furnish the attractions and amusements along this line. This is one of the biggest and best organizations of its kind on the road, according to Mr. W. D. Harley, president of the fair association, having filled recent engagements at the Georgia State Fair in Savannah and the Southeastern Fair in Atlanta. However, the fair management feels that the best is none too good for the people of Barnwell County and no expense is being spared to make the event this year an unqualified success. The midway attractions will probably be located on the Court House grounds and adjacent streets.

A very cordial invitation is extended to the people of this and adjoining counties to visit Barnwell during the week of October 18th-23rd and enjoy the six days of fun and frolic, remembering that "all work and no play makes Jack a dull boy."

## Beloved Barnwell Lady Passes Away

Mrs. Lonnie M. Calhoun, of this city, died at 5:15 o'clock Tuesday afternoon at the Columbia hospital, following a three weeks' illness. She had been at the institution one week, but medical aid was of no avail in saving her life. While not unexpected, the news of her death brought sorrow to scores of friends here who had hoped against hope that the hand of the Grim Reaper would be stayed and that she would be spared for many more years of devoted and unselfish service to her family, friends, church and community.

Mrs. Calhoun, who was 41 years of age, was, before marriage, Miss Marie Lathan, of Little Mountain, in Newberry County, where she spent the early years of her life. Following her marriage 17 years ago, she moved to Barnwell, where she has lived since that time, endeavoring herself to all with whom she came in contact by her devotion to her family and loyalty to her friends.

Mrs. Calhoun, who was educated at Winthrop College, was a member of the Church of the Holy Apostles of this city and was very active in church work. For years she has taught a class in the Episcopal Sunday school here and was also an active worker in the Barnwell chapter of the Daughters of the American Revolution. Her body was brought back to Barnwell yesterday (Wednesday) on the noon train, the funeral services being conducted at four o'clock in the afternoon at the Episcopal Church by the rector, the Rev. Howard Cady. Interment followed in the churchyard and the many sorrowing relatives and friends who gathered to pay their last tribute of respect to her memory and the large number of beautiful flowers that covered her last resting place were touching testimonials of the love and esteem in which she was held by all who knew her.

Surviving Mrs. Calhoun are her husband, Mr. Lonnie M. Calhoun, and one son, McTyre Calhoun; her mother, Mrs. J. B. Lathar, of Newberry, four sisters, Mrs. H. G. Vandivere, of Canton, Ga., Mrs. Craig, of Lancaster, and Mrs. Lula Merchant and Miss Toy Lathan, both of Columbia and one brother, Mr. Claude F. Lathan, of Newberry. Sincere sympathy goes out to the bereaved family, and especially to the heartbroken husband and son.

### Negro Dwelling Burned.

A negro dwelling on the Eastern extremity of Main Street was completely destroyed by fire which was discovered about eight o'clock Tuesday night. The volunteer fire department responded promptly, but the distance of the nearest water hydrant from the burning building was so great that the blaze had made considerable headway before a stream of water was brought into play. The house was owned by Mr. R. W. Dicks.

### McElhanney-Hood.

Mr. M. L. McElhanney, of Ellenton, announces the engagement of his daughter, Katherine Virginia, to Dr. John G. Hood, Jr., the marriage to take place in October.

### Barnwell and Williston Tie.

In what a Williston newspaper correspondent termed one of the best games ever seen on that field, the Barnwell and Williston-Elko High School football teams battled to a 0-0 tie Friday afternoon. The teams were very evenly matched and few first downs were made by either eleven. Williston-Elko has a fast team and this probably counts for the numerous off-sides of which they were guilty. Some of the spectators contended that the players were off-side in a majority of the plays run during the contest and the failure of the officials to impose the penalties "in such cases made and provided" may have figured in the result. Each team was penalized one time for five yards for this offense, while Barnwell was also penalized 50 yards for "clipping." At another time a Williston lad in football uniform walked half-way across the field during the progress of the game without drawing the usual penalty. It is believed however, that the failure to impose penalties was due to the inexperience and lack of familiarity with the rules on the part of the officials, rather than to any intent to show favoritism. The game was delayed a times by wrangling, but otherwise, as stated by the correspondent, it was a very good game.

### Boteler-Still

Blackville, Oct. 11.—Of interest to a wide circle of friends is the news of the marriage of Ensign Everett Hale Still, of Blackville, and Miss Grace Virginia Boteler, of Annapolis, which occurred September the eighteenth at the home of the bride's mother, Mrs. W. W. Boteler, 345 West St., Annapolis, Md.

Reverend Marion W. Royal, the pastor of College Avenue Baptist church of Annapolis, performed the ceremony.

The bride is from a prominent family of Annapolis and loved by all who know her. The groom is the son of Mr. and Mrs. J. J. Still of prominent and influential Blackville family. He graduated in June from the Naval Academy.

Immediately after the wedding and reception the happy couple left for a wedding trip but kept their destination a secret. They returned to Annapolis Sept. 29, and the groom sailed soon afterwards on a transport, which left for the Western Coast. He is to report for duty on the Pacific Coast where his bride will join him in November.

### Hair-Cadden.

Williston, Oct. 11.—The many friends of Miss Corrie Hair will be surprised to learn of her marriage Wednesday, Sept 22 to Mr. James Doster Cadden. The ceremony was performed by Rev. H. Floyd Surles, North Augusta. Mrs. Cadden is a niece of S. B. Hair of Williston with whom she formerly made her home. She is a graduate of the General Hospital in Spartanburg, and until her marriage was a nurse at the Lenwood Hospital.

Mrs. Marion Gaines and baby, of Columbia, have been visiting relatives and friends here this week.

### Little Boy Is Killed.

Grim tragedy added another touch of sadness to the death of Mrs. Lonnie M. Calhoun, of Barnwell, when her three-year old nephew, Grady Vandivere, Jr., son of Mr. and Mrs. H. G. Vandivere, of Canton, Ga., was almost instantly killed Tuesday morning when struck by a passing automobile in front of the home of Mrs. Merchant, a sister of Mrs. Calhoun. The details of the distressing accident were not available when The People-Sentinel went to press, but it is understood that the little fellow was running across the street to join a group of youthful companions in a game of baseball when he was hit by the car. Both Mr. and Mrs. Vandivere are well known here, having been members of the Barnwell High School faculty a number of years ago. Mr. Vandivere is at present an attorney and legislator of Canton, Ga. Sincere sympathy is felt for the grief-stricken parents.

The friends and relatives of Mrs. Emmie Bush will regret to learn of the death of her sister, Mrs. Lottie Kirk, of Atlanta, who was accidentally killed Saturday night. Mrs. Kirk before her marriage was Miss Lottie Oswald, of Allendale.

Mrs. T. S. Dunbar, Mrs. Ida Jones, and Mrs. Zack Miller were visitors in Augusta Wednesday.

### Musical Tea Enjoyed.

The Barnwell Music Study Club gave a delightful musical tea at the home of Mrs. S. B. Moseley Friday evening at 8:30 o'clock for the benefit of the club. The dining room was beautifully decorated with pink roses and ferns, pink candles in silver candlesticks furnished the illumination. The tables held a large silver bowl filled with pink roses, hot tea and coffee being served by Mrs. Louise Porter Bauer and Miss Virginia Moseley.

### Jiggs, Maggie and Dinty" at the Vamp

"Jiggs, Maggie and Dinty," that trinity of popular favoritism, immortalized in the effervescent and exhilarating cartoons of George McManus, "Bringing Up Father," will be among those present at the Vamp Theatre opening in Barnwell Friday night, Oct. 22nd. And let it be recorded they will have a medium qualified to maintain their world renowned reputations and every opportunity to frolic and make merry in a new play bearing the above title. A companion piece to "Bringing Up Father" offering by the way that requires little introduction to those who have followed these wonderful comics in the pages of the dailies and who worship at the shrine of the Mahoney clan and their "natural enemies." Fun of the insinuating, rampant and infectious sort will be on tap from start to finish, intermingled with original laugh-compelling ingredients, jingling, catchy melodies, colorful scenery, pretty women, surprises, novelties and screams.

### Vener Plant at Ellenton

Ellenton, Oct. 5.—Important among new industrial establishments in South Carolina is the veneer plant just beginning operations at Ellenton for the Leigh Banana Case company of Chicago, which owns 25,000 acres of timber lands in the Savannah river bottoms. Material turned out at Ellenton will be made up into crates at the 25 factories maintained by the company at strategical centers and distributed directly to the consuming trade through its selling organization. The most easterly of these factories is in Boston, the most westerly in Denver, the most northerly in Winipeg and the most southerly in Selma, Ala.

Some 300 hands are to be employed at Ellenton. The plant is mostly of steel buildings with concrete floors, so that fire hazard is almost negligible by comparison with that which exists in most veneer mills. Comfortable living quarters have been constructed at Leigh for the operating crew, most of the homes being provided with lights, water and sewerage. A shortage of Negro labor has been so far one of the problems of the management. Jno. H. Weiss is secretary-treasurer.

### 19,296 Bales Ginned.

There were 19,296 bales of cotton ginned in Barnwell County from the crop of 1926 prior to October 1st, as compared with 20,339 bales ginned to the same date last year, according to a report just made public by the Department of Commerce.

Mr. E. F. Woodward, of this city, had the misfortune to lose a quantity of lumber by fire one night last week. The lumber was at a former mill site of Mr. Woodward's and caught on fire from burning woods. His loss is partly covered by insurance.

The friends of Miss Maggie M. Black will regret to learn that she had the misfortune to lose one of her eyes recently.

### Card of Thanks.

To my many Friends:—  
I wish to thank them for their kindness in our misfortune of loss by fire, and may God bless each and every one of them.
