## The Curse of Progress

**No Better**  
"George," said Mrs. Lovewell to her husband. "I have received a letter from mother saying she is not accepting our invitation to visit us, and saying we do not appear to want her. What does she mean by that? I asked you to write and tell her to come at her own convenience. You wrote to her, didn't you?"  
"Yes," said George, "but—er—I couldn't spell that word 'convenience,' so I made it 'risk.'"—Toronto Globe-Mail.

**Same Thing**  
Girl—I maintain that love-making is just the same as it always was. Her Sweetheart—How do you know?  
Girl—I just read about a Greek maiden who sat and listened to a lyre all evening.

**No Contest**  
"Well, Sam, I see you're back for fighting with your wife. Liquor again?"  
"No, sah, Jedge, she licked me dis time."—The Earth Mover.

## They're Cinches to Sew

YES, the sewing bug will get you, if you don't watch out, young lady! And when it does there will be a hum in your life (and we don't mean head noises). Right now is the time to begin; right here is the place to get your inspiration. So all together, girls: it's sew, sew, sew-your-own!

**Inspiration Number 1.**  
The vivacious model at the left is the number 1 piece for your new autumn advance. It calls for taffeta, embellished, as you might expect, with grosgrain. You may use vivid colors too, Milady, for Fashion has gone color mad this fall. Reds of every hue, bright blues, lavender, warm browns, all are being featured in smart avenue shops along the Rue de la Paix.

**Morning Fresh.**  
For most of us, each day demands that a little work be done. Sew-Your-Own appreciates this and the need for frocks that are practical, pretty, and easy to keep that way, hence the new utility frock in the center. Five pieces are its sum and total; seven mornings a week its cycle. Any tub-well fabric will do nicely as the material — try one version in printed rayon.

**Tailored Charm.**  
The waistcoat used to be a gentleman's identification, but, alas, like many another smart idea, womankind has copied it. Here you see an attractive example of this modern contraband. Not only does it have suavely, but it is entirely feminine, as well. The exquisite waist line, sweet little collar, and puff sleeves, make this a number you can't afford to pass up.

**The Patterns.**  
Pattern 1363 is designed for sizes 12 to 20 (30 to 40 bust). Size 14 requires 3 1/2 yards of 36-inch material, plus 18 yards of ribbon for trimming, as pictured.  
Pattern 1354 is designed for sizes 34 to 46. Size 36 requires 4 1/2 yards of 36-inch material.  
Pattern 1252 is designed for sizes 12 to 20 (30 to 38 bust). Size

## HOW LONG CAN A THREE-QUARTER WIFE HOLD HER HUSBAND?

YOU have to work at marriage to make a success of it. Men may be selfish, ungrateful, but that's the way they're made and you might as well realize it. When your back aches and your nerves scream, don't take it out on your husband. He can't possibly know how you feel.  
For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomfort from the functional disorders which women must endure in the three decades of life. Turning from girlhood to womanhood, 2. Preparing for motherhood, 3. Approaching "middle age."  
Don't be a three-quarter wife, take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and go "Smiling Through."

## Favorite Recipe of the Week

Yield: 1 1/2 pints or 6 servings.

## Over With the Night

Quick is the succession of human events. The cares of today are seldom the cares of tomorrow, and when we lie down at night, we may safely say to most of our troubles, "Ye have done your worst, and we shall meet no more."—Cowper.
