GENERAL CONGLOMERATION

OF NEWS ITEMS OF LOCAL INTEREST.

Some Short, Some Shorter and all Too Short for a Heading, Yet None to Short to Mention.

Bryan goes marching on. Tom Watson don't know where he is at.

Mr. Sewall sent a check to democratic headquarters for \$20,000.

The New York Journal is getting in big licks for the democracy.

A number of our North Carolina friends visits the city these days.

We are glad to inform the Lederites that G. W. Bonner is rapidly improving.

We learn that Mr. Moses Wood will build a handsome house out on Eastern Heights.

The services at the Methodist church Sunday night will begin promptly at 7:30 o'clock.

W. L. Morgan, who had the misfortune to lose his right hand in his cotton gin, is getting on fine.

North Carolina politics are all in a muddle. Hardly any North Carolinian can tell who he is fused with.

W. O. Lipscomb's house on Hetty Hill is about completed and Mr. Lipscomb will move into it in a few days.

If you hear any objections to the new county report it at once to the ladies of that section they are always right.

Mr. Frank Kendrick will soon build him a house out on the Union road where he has bought a beautiful piece of property.

The weather is delightful these days and makes one feel grateful for the blessings which He has seen fit to bestow upon us.

Hon. W. T. Crawford, an over-the-mountain man, and one of Old North State's greatest democrats, is doing big work for his party in his state.

Tom Lockhart has a cow that gives six gallons of milk a day. Tom is a good fellow and a hard working farmer, as is evidenced by his good stock.

There will be a church conference held at the Methodist church next Sunday after the conclusion of the morning service. Every member is earnestly requested to be present.

A number of the old wooden buildings on Limestone Street, have been recovered with shingles lately. Up-to-date buildings like Galloway & Son and R. A. Jones & Co's. would look well in their places.

Immense crowds were in the city Thursday, Friday and Saturday. The people brought in lots of cotton and our merchants were over run with business. Everyone seemed happy and all were for the new county.

The building now occupied by Mess. Jeter & Jenkins, Hayes and Phillips caught on fire last Tuesday but was soon extinguished. It created a little commotion for the time being but scarcely any damage is noticeable.

Rev. B. P. Robertson announced Sunday morning that the young people's meeting would be held Thursday night instead of Friday. It has been decided to let the meeting night remain Friday, so don't get this matter confused.

On next Sabbath evening at 7:30 there will be an "Evening with Hymns" or song service at the First Baptist church. This service will be conducted by Prof. Chambers and Miss Minnie Carroll. It will take the place of the regular preaching service.

We have been informed that some who are opposed to the new county are circulating a story to the effect that in case it is carried the town of Gaffney will be exempt from taxation for a period of ninety-nine years. There is not a word of truth in it. Gaffney city is the only portion of the new county that will have an additional tax to pay. Gaffney taxes herself instead of exempting herself.

Beginning next week Mr. J. L. Strain's letters will contain each week, for a while at least, an historical sketch or army anecdote. Mr. Strain will do this in order that part, at least, of the work he is engaged in may get before the readers before it gets finally into history. Now is the time to subscribe. With each succeeding issue the paper becomes better and better and it will continue to grow in interest in proportion to the manner in which it is patronized.

Local Cotton Market. Cotton was quoted yesterday as follows: Middling..... 7.25 to 7.30 Good middling..... 7.1

If your children are subject to croup watch for the first symptom of the disease—hoarseness. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse it will prevent the attack. Even after the croupy cough has appeared the attack can always be prevented by giving this remedy. It is also invaluable for colds and whooping cough. For sale by The DuPre Drug Co.

CURED AT 73 YEARS.

Dr. Miles' New Heart Cure Victorious. No other medicine can show such a record. Here is a veritable patriarch, 73 years of age, with strong prejudice to overcome, who had Heart Disease 15 years. He took the New Heart Cure and is now sound and well.

SAMUEL O. STONE.

Grass Lake, Mich., Dec. 23, 1894. I have been troubled with heart disease 15 years or more. Most of the time I was so bad it was not safe for me to go out alone, as dizzy spells would cause falling. I had severe palpitation, shortness of breath and sudden pains that rendered me helpless. All physicians did for me was to advise keeping quiet. In August last I commenced taking Dr. Miles' New Heart Cure, and before I had finished the first bottle I found the medicine was a God-send. I have now used four bottles in all and am feeling entirely well. I am 73 years of age and have held a grudge against patent medicines all my life, but I will not allow this to prevent giving my testimony to the great cure your valuable remedy has wrought in me. I do this to show my appreciation of Dr. Miles' New Heart Cure. SAMUEL O. STONE. Dr. Miles Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1, 6 bottles for \$5, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind. Dr. Miles' Heart Cure Restores Health.
