

# What They Say About . . . Harris Lithia Water :

Mr. J. T. Harris:  
Dear Sir:—I have found the use of the water from your Lithia Spring in South Carolina so efficacious in the case of a young lady patient of mine, who has suffered for years with Diabetes, with all its different attendants, that I want to add my testimonial to the many you already have. The patient I refer to has used the water freely at home for scarcely a month now, with more beneficial results than from months spent at different noted Lithia springs in different parts of the United States, besides long continued use of the same waters at home. Other of my patients and friends are now using the same with best results. I cordially recommend it to all suffering from similar diseases.

Very respectfully yours,  
THOMAS S. POWELL, M. D.,  
Pres. Southern Medical College,  
Atlanta, Ga.

"The Harris Lithia Water is, in my opinion, unexcelled for those ailments requiring the salts it contains."  
"THO. LAMB, M. D.,  
"Professor Diseases of Chest and Principal of Medicine, Medical Department, University of Georgia.

ASHEVILLE, N. C., April 24, 1893.—An extended clinical use of the Harris Lithia Water prompts me to the statement that I regard it as one of the best, if not the best, Lithia Water known to the profession. In the condition of Phosphate Urine, its action is marvelous. Its use in the Rheumatic and Gouty diseases afford me more comfort than either the Buffalo or Londonderry Waters.

Very truly yours,  
JOHN HEY WILLIAM, M. D.

BALTIMORE, MD., June 24, 1896.  
J. T. Harris, Esq., Harris Spring, S. C.  
Dear Sir:—I have been using Harris Lithia Water for some time, and I will say to you that it is my opinion that the Harris Lithia Water is by far the best Lithia Water that I have ever used, and that it has done me a great deal of good, and I think it a most valuable remedy.

R. C. HOFFMAN,  
Pres. S. A. L. R. R.

Harris Lithia Carbonated Water is guaranteed to cure the worst case of indigestion if taken after each meal. One glass of it will relieve you immediately.

## WE WILL CERTAINLY WIN.

### THE JUDICIARY COMMITTEE REPORTS.

It Action Is Equivalent to the Passage of the Bill—How the News was Received in the Capital.

For the past week the citizens of Cherokee county have been in a state of expectancy. Every day was awaited with anxiety to know what the legislature would do. Prominent planters from all over the county would come in every day and inquire the news from Columbia.

Yesterday's clouds were not without their silver lining, especially for the people of Cherokee county. Early in the morning Alderman Baker received the following message: "Committee recommend Cherokee as formed. We are all right."

This message came from Mr. Butler, who has been in Columbia ever since the legislature met, working in the interest of the new county. Later Mr. Butler sent the following message to Ed. H. DeCamp, of THE LEDGER:

"COLUMBIA, S. C., Jan. 27.

Ed. H. DeCamp:—Judiciary committee of house recommend forming Cherokee county, which amounts to passage. They have fought us hard, but will win sure.

THOS. B. BUTLER."

The news was received with rejoicing. The whole business amounts to the passage of a bill creating Cherokee county. Let everybody rejoice, for we have received what was due us.

### COOPER-LIMESTONE.

The Commencement Exercises Sunday and Monday.

In changing the sessions at Cooper-Limestone so that the vacation would come in the summer instead of in the winter it has made it necessary to have a graduating class in the middle of the session, so commencement exercises were held Sunday and Monday for the following graduating class:

Misses Jennille Gwin, Sue Chandler, Ettie Manville, Minnie Parker, Annie McClain, Eunice Peeler, Matilda Croxton, Annie Martin and Maggie Werts.

Sunday Dr. Gwin, of Atlanta, preached the bachelorette sermon. The services were held in the First Baptist church. The church was filled to its utmost capacity and people had to be turned away. There were no services held in the other churches on account of the event. Dr. Gwin's discourse showed much study and it was sufficiently long to satisfy the most exacting.

Monday night the graduating exercises proper were held at the Institute, at which time the following program was most creditably rendered:

Prayer by Dr. Gwin, of Atlanta.  
Music—Rondo Favori, Hummel—Miss Annie Martin.  
Essay—Salutatory—Miss Jennille Gwin.  
Essay—Self-Reliance—Miss Sue Chandler.  
Essay—A Literary Kaleidoscope of Life—Miss Ettie Manville.  
Music—Fra Diavolo, Sidney Smith—Miss Lillian Covington.  
Essay—Class History—Miss Minnie Parker.  
Essay—Class Poem—Miss Annie McClain.  
Essay—The Value of Time—Miss Eunice Peeler.  
Music—La Serenata, F. Paolo Tosti—Miss Ettie Manville.  
Essay—The Power of Music—Miss Matilda Croxton.  
Essay—Class Prophecy—Miss Annie Martin.  
Essay—Valedictory—Miss Maggie Werts.

Music—Reveil du Lion, De Kontski—Miss Florence Griffith.  
At the close of the exercises Professor Griffith addressed the class in his usual excellent style. He displayed much feeling and affection. Prof. Mack then presented the diplomas to each of the young ladies, having a pleasant message for them.

Tuesday the graduates left for their homes, all proud of their alma mater, and it is hoped none will ever have cause to look with sorrow upon the days spent at Cooper-Limestone.
