

HAVE YOU DYSPEPSIA?

[SCIENCE CALLS IT CATARRH OF THE STOMACH.]

MISS DADE STEGEMAN, OF CHICAGO.

Miss Dade Stegeman, Superintendent of the Chicago North Side Woman's Club, of Chicago, in a recent letter to Dr. Hartman, speaks of Per-na as follows: "Per-na has often been used by the members of our club in cases of stomach trouble and general debility—also recently in cases of la grippe, and always with the most beneficial results. I think a great deal of Per-na—often recommend it to my friends, and am glad to say all who have tried it speak a good word for it."

Mrs. Emily S. Carson, Austerlitz, Mich., says: "Dr. S. B. Hartman—Dear Sir: I had been troubled with dyspepsia and indigestion for many years, and was very much reduced in flesh. I could not eat anything without the greatest distress afterwards. My food would come up and my stomach became very weak from fasting, as I preferred to go without food rather than suffer the consequences. I could get no rest by day nor sleep by night. I tried every remedy advertised for the cure of dyspepsia without the least benefit. At last I got a bottle of Per-na. I confess I had no faith in it, as I had been so often disappointed; but in a day or so I felt much improved. Food did not distress me as before. I continued its use, and, after using a dozen bottles, I was a well woman. I can eat anything without the

least distress, sleep well, and, instead of the living skeleton I was, I am now a healthy, fleshy woman. This was in 1889, and I have continued well ever since. I have not been without your remedy in the house since my recovery. I advise all sufferers to do as I did and be cured.

Mr. John F. Schmidt says: "Per-na has saved my life. For five years the best doctors had pronounced me incurable. I suffered with a complication of diseases—palpitation of the heart, nervousness, weakness and dyspepsia. A few bottles of Per-na and Man-a-lin cured me. Per-na cannot be beaten. I give your medicine to my children for the various little ailments which annoy little ones, and the result is that they are never sick, but always strong and healthy. I have gained forty pounds since taking Per-na."

Mr. John F. Schmidt, Carthage, Ohio.

So many people have what is called dyspepsia without having the slightest suspicion that catarrh of the stomach is the cause. Such people take pepsin and a thousand other things, vainly hoping to get well. But the catarrh remains, and of course the dyspepsia remains. Per-na cures these cases permanently by removing the cause, which is catarrh. Per-na has cured more cases of dyspepsia than any other remedy in the world. BROWN'S IN TOWN.

This Delicet Individual Will be at the Opera House Tonight.

There is no name upon which more indignity has been heaped, nor any name that has been responsible for more that is bright, clever and startling than the name of Brown. It is doubtful too if there is any other edifice large enough to hold all the Brown's there are, in which case the Opera House ought to be taxed to its utmost to-night with those who will want to see the latest farcical effusion "Brown's in Town." The author has constructed a farce which is said to be entirely new in its theme, and one that is original in its lines and situations. The plot hinges on a secret marriage which the young man wishes to keep from his father whose matrimonial experiences were such as to give him just cause for prohibiting his son from taking unto himself a wife. Farces, such as "Brown's in Town," rely on a measure upon the people interpreting them. They must not only be good actors, but actors especially adapted to farcical work. This farce has players who will fulfill their requirements admirably. If you are a Brown or if you know a Brown, his reason for being in town will surely appear particularly funny to you.

INTERESTING MEETING

Rev. Tom Leich in Charge at Limestone Street Methodist Church.

The meeting at the Limestone Street Methodist church which was commenced last Saturday night was continued by the pastor, Rev. S. T. Creech and Mr. Marshall with increasing interest until Tuesday when Rev. Tom Leich, who was expected on Saturday arrived, and went to their assistance. Mr. Leich has preached twice a day since, afternoon and evening, to large congregations of admiring and deeply interested hearers. As is usual in Mr. Leich's meetings his congregations grow large and interest increases from day to day.

Mr. Leich is not unknown in Gaffney. He conducted a meeting here, some twelve years ago which had a good influence in the city and made many glad that he came among us, the good results of which are still apparent.

We are glad he is with us again and trust that he will again have a successful meeting. Services will be held regularly at 3 and 8 p. m.

THE MUSICAL CLUB.

It Will Give Its First Concert Next Friday Night.

The concert to be given by the Limestone Musical Club next Friday evening, March 23rd, will be one of the most interesting entertainments of the season. Among the members of the Club are to be found nearly all the ladies of the city who are prominent in its musical life, while it also includes all the best singers and instrumentalists of the college. These earnest musicians are banded together for the purpose of serious study of music and art, and have, already this season, studied the life and works of five of the great composers.

This concert will introduce some of the most prominent members in a mixed program of solo and concerted numbers. The musical people of Gaffney should encourage the club in its laudable efforts by their presence at this its first performance.

Admission will be 35 cents. No reserved seats. Tickets will be on sale Monday morning, March 19th, at the two city drug stores.

Her Ninety-Seventh Birthday.

On the 8th inst a few of Aunt Polly Petty's children, grand-children and friends gathered at her home to celebrate her ninety-seventh birthday. As all know who have visited her, it can be truly said of her that no one in her neighborhood occupies a higher place for respectability and Christian character. She has been one to live above all littleness, and to humbly and self-sacrificingly do whatever came to her hand in a noble and Christian way. From her girlhood she has been a consistent member of the Methodist church, and many have been the itinerant preachers who have found a resting place at her home. She is the oldest of six children, two sisters and three brothers—all dead. And now, though an invalid and hasn't walked any for nearly eight years, she bids fair to live to see her one-hundredth birthday, and perhaps more. We all hope she may.

Mr. Creech Founded.

The members of Rev. S. T. Creech's congregation last Saturday surprised Mr. and Mrs. Creech in a most pleasant and substantial manner. The many good things carried to the residence of the faithful minister filled the larder with substantialities and the hearts of the recipients and donors with pride and joy. No one could enjoy a pounding more than Mr. and Mrs. Creech, not that they particularly need to be pounded, but for the expression of esteem in which they are held by the good people of the Limestone Street Methodist church.

Remarkable Cures of Rheumatism.

[From the Vindicator, Rutherfordton, N. C.] The editor of the Vindicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder from which he suffered excruciating pain for ten days, which was relieved with two applications of Pain Balm, rubbing the parts afflicted and realizing instant benefit and entire relief in a very short time. Second, in rheumatism in thigh joint, almost prostrating him with severe pain, which was relieved by two applications, rubbing with the liniment on retiring at night, and getting up free from pain.
