Progress of Interurban Road.

Editor Gaffney Ledger:—I think it due you and your people to keep you informed as to how we are progressing with our railroad matter. Our charter has been complied with and the company organized and we are now actively at work preparing for elections to be held on bonds in the early days of August. No surveys have been made, nor will be until after the bond elections have been held. The people are manifesting much interest in the matter of bonds, routes, etc., and the prospect is extremely encouraging. One of our recently acquired wealthy citizens is up north at this time and expects to bring back a friend of his with large capital and with much experience in the construction of similar lines, and we will try hard to interest him.

Yours truly,

J. W. Wofford,

Secretary.

Lonesome Without The Ledger.
Mr. Editor:—Please find enclosed money order for which please send your newsy sheet. I cannot do without it. I am lonesome without it. Crops are not doing much, as we are having so much rain. All you can hear of is grass, grass. Wheat crops are very good.

The principal business of this section is saw milling and cord wooding. There is plenty of timber here. Mr. J. R. Morison is milking ten cows and gets about seventy pounds of butter per week, which he ships to Raleigh, N. C., at 25 cents per pound. J. F. B.

Ten Years in Bed.

R. A. Gray, J. P. Oakville, Ind., writes, "For ten years I was confined to my bed with disease of the kidneys. It was so severe that I could not move part of the time. I consulted the very best medical skill available, but could get no relief until Foley's Kidney Cure was recommended to me. It has been a Godsend to me." Sold by Cherokee Drug Co.

MANY PEOPLE HAVE CATARRH OF KIDNEYS AND DON'T KNOW IT.

Backache, the First Symptom of Kidney Trouble.

Pe-ru-na Is Invaluable in Such Cases.

Prominent Persons Who Have Been Cured.

Daniel D. Bidwell, Supervisor, Notary Public and a member of I. O. O. F., 160 Pearl street, Buffalo, N. Y., writes:

"Having used Peruna for a short time, I desire to write you as to my present condition.

"When I obtained Peruna I was suffering from chronic indigestion and kidney and bladder trouble. It seemed to help the circulation at once. My digestion is now perfect and my kidneys and bladder do not trouble me in any way. In fact, I give Peruna the entire credit.

"Hoping that your remedy will reach all sufferers in a similar case, and thanking you, I remain," Daniel D. Bidwell, N. Y.

A South American Cured by Pe-ru-na.

Count Alfonso d' Aljores, of 287 Plaza del Torro, Buenos Ayres, South America, while visiting in Chicago, wrote from 247 Cleveland avenue, that city, as follows:

"I used Peruna a short time ago to build up my system, which was all run down from overwork, worry and a cold which had settled in my back and kidneys, causing me serious annoyance and trouble.

"When I returned home from work at night, I was so exhausted and worn out, together with the pain in my back, that I felt I would never be able to take up the burden of life again in the morning, but when morning came I would get out somehow. This dragging through life continued for a couple of months, when I decided I would take Peruna.

"I am glad to state that I found it just the medicine for me. In a couple of months I was restored to perfect health and strength, and my work was no longer a burden. I therefore endorse your medicine as worthy of the confidence of the sick."—Alfonso d' Aljores.

seemed to act in perfect harmony with the system, eliminating the poisons, stopping the ravages of the disease and gradually restoring me to health and strength.

We have on file many thousand testimonials like the ones given here. We can only give our readers a slight glimpse of the vast array of unsolicited endorsements we are receiving every month. No other physician in the world has received such a volume of enthusiastic letters of thanks as Dr. Hartman for Peruna.

All correspondence held strictly confidential.

A remedy that cures all the catarrhal derangements of the kidneys should certainly be considered a household necessity. Peruna is such a remedy.

A Prominent Merchant Restored to Health By Pe-ru-na.

Mr. John Nimmo, 215 Lippincott St., Toronto, Can., a prominent merchant of that city, and also a member of the Masonic Order, writes:

"I have been in poor health generally for over four years. When I caught a bad cold last winter it settled in the bladder and kidneys, causing serious trouble. I took two greatly advertised kidney remedies without getting the desired results.

"Peruna is the only remedy which was really of any benefit to me. It

Dangerous Kidney Diseases Cured.

At the appearance of the first symptom of kidney trouble, Peruna should be taken.

This remedy strikes at once the very root of the disease.

It at once relieves the catarrhal kidneys of the stagnant blood, and prevents the escape of serum from the blood.

Peruna stimulates the kidneys to excrete from the blood the accumulating poison, and thus prevents the convulsions which are sure to follow if the poisons are allowed to remain.

It gives great vigor to the heart's action and digestive system, both of which are apt to fail rapidly in this disease.

Peruna cures catarrh of the kidneys simply because it cures catarrh wherever located.

Christian nations pray for peace until the first gun is fired, and then they pray for strength to conquer. Seems as though they pray the same way they shoot.

A Bad Scare.

Some day you will get a bad scare, when you feel a pain in your bowels, and fear appendicitis. Safety lies in Dr. King's New Life Pills, a sure cure, for all bowel and stomach diseases, such as headache, biliousness, constiveness, etc. Guaranteed at Cherokee Drug Co. only 25c. Try them.

WATER USERS TAKE NOTICE.

On account of a scarcity of water, patrons of the city water works are hereby notified that they must not use the city water for any other purpose than domestic. Stop all lawn sprinklers, watering the garden, etc., until notice is given that water may be used for such purposes. This order is imperative and unless obeyed may cause a water famine.
