LOCAL ANTELLIGENCE.

but seemed to be improving, when she Lyles Ford, July 16. was taken suddenly worse. The remains were brought to Winnsboro on Thursday, and the funeral services Expressions of Regret that it Should Have were held in the Episcopal church that afternoon. The afflicted parents have general sympathy,

morrow, as follows:

Presbyterian-Rev. D. E. Jordan, that the Executive Committee "for 11, a. u., and 81, p. m. Bible class at various reasons bad decided to post-6, p. m. Sunday School at 10, a. m. pone the meeting of the Fairfield UUD 1 Associate Reformed Presbyterian- County Union Sunday School Conven-Rev. J. T. Chalmers, at 11, a. m., and tion." I know not what these reasons

84, p. m. Sunday School at 10, a. m. were, but I regret that the committee b. m., and 81, p. m. Sunday School at due to the public, inasmuch as the pro-

MOONLIGHT PICNIC.—The anticipated fore, and as the Convention , suid have picule at Reck City was had that place on last Thursday night, the 19th inst. much good, whether all thought so or Quite a large and lively crowd of not. I believe that four or five religiyoung ladies and gentlemen left town ous denominations "in convention ason that afternoon en route for the sembled" have brain enough to create "city", and the high spirits and good an interest and make the meeting a humor of all who took part gave prom- success. Surely there are none of the ise of a happy and memorable night. Sunday School workers in Fairfield Between twenty and twenty five cou- who have reached the topmost round ples participated, and judging from of the ladder, by mastering all the the late, or rather early, hour of their great principles which underlie sucreturn, and the unanimous and enthu- cessful work in this direction. I supsiastic comments of all, the picnic must pose no one, whatever his scholarship, cess. We hope none of the boys will out receiving some benefit. But even have occasion to remember the inci- if he could, would not the true spirit dents of the evening with other than of beneficence lead him to impart some the most pleasant recollection.

KNIGHTS OF HONOR AND SUICIDES. they might be more useful? Qui facit ON COST. Call on The Supreme Lodge of the Knights of per alium, facit per se. Certainly one Honor, at its last session, resolved not has no more right to hoard up his into pay the benefits of those who cause tellectual treasures so that others may their own death, and the clause was receive no benefit from them, than the ordered to be inserted in applications miser has to keep his money out of cirfor membership hereafter; "And pro-culation. While I do not censure the GROCERIES! vided, further, the death of said- - is Committee, yet I will say, in all candor not produced by suicide, no matter and kindness, that I think their judgwhether he be sane or insane." Ever ment was at fault. 1 do, brethren, and against the new move with con- be, too, that they permitted themselves them. The members in New York in it? So much the greater reason for seem to be opposed to the new move, holding the Convention, that an interand it is said will refuse to give up est in a work so important and of such their certificates, as they claim there general utility might be created. Did was no intention of making the law tion? And was any noble enterprise retroactive, and the Supreme Lodge ever put on foot that did not meet with could not if it wanted to do so.

THE REGIMENTAL REUNIONS.—On School workers are battling account of the annual meeting of the stockholders of the Chester & Lenoir Railroad at Newton on that day, the nent brother or brethren did not enreunion of survivors of the Sixth Reg. dorse it? And must we make such imem, to be held at Chester, has been postponed from Thursday, August 2, to Thursday, August 9, when it will mittee learn that some thought that it certainly take place. The annual ad- would be better for each denomination dress will be delivered by Major T. W. Woodward, after which the survivors will be entertained at dinner at more need for the Convention to break the Central Hotel.

Mr. D. Cardwell, the Assistant General Freight and Passenger Agent of advantages of such a meeting, nor of the Charlotte, Columbia & Augusta the importance of the work it contem-Railroad, has written to Capt. J. R. plates. The Committee had arranged boyles, informing him that the Community will furnish on the 16th of Appearance, and I had expected a treat, as an pany will furnish on the 16th of Au- and I nad expected a com, and pany will furnish on the 16th of Au- and I nad expected a com, and I nad expected a company and I nad gust, the day of the reunion of the ment and inspiration. Twelfth Regiment at Columbia, a were well selected, and that assigned special train for the survivors wishing to Mr. Douglass is one that should claim the interest of every patriot in our country -a theme worthy of the tremely low rate of one cent per mile best brain power we have, and I was for the round trip. The charge from pleased with its assignment. For we Winnsboro and back will therefore be cannot hope, in our day, to reform but seventy cents. The schedule of but we may prepare the coming genthe proposed special will be arranged eration for the stage, by infusing into SADDLES, and published hereafter.

ITEMS FROM LYLES FORD.

The Condition of the Growing Crops-A Pleasure Party.

Messrs. Editors: Allow me to jot down a few items as to incidents in this vicinity. First, we have had of late refreshing rains about Ashford's secure the services of a choir and inferry and below, with showers in this strument at the place of meeting, or to neighborhood and about Feasterville, permit Brother Jennings to furnish which have greatly improved the ap- to make whatever other arrangements of pearance of crops; yet rain is still they may deem best for the success of wanting here. The latter planting of the meeting. Have I a second? cotton is small and cannot vield a full crop; and corn does not come up to a standard average:

We had a pienic at the hospitable residence of Mr. W. McBlair on the 14th inst., which was well attended by the fair daughters of both Newberry this, the younger brother succeeded in and Fairfield, and I need not say winning the young lady's affections, clever gentlemen also. About 11 a. m. and she was prevailed upon to consen the notes of the violin were heard in the ante-room, and soon were seen the At a certain point they met the elder fair ladies and gentlemen arranged for Clayton disguised as a minister. The the dance.

Several middle-aged gentlemen and matrons attended the festival from afterwards the young lady was in both counties, and had a pleasant in- formed that she had been deceived, terchange of sentiments. One of the and she returned home and told her have never opened at any time a more fair daughters of Winnsboro and an-Other from the town of Newberry gave and found guilty, the younger one was

eclat to the occasion. repast spread under a shade, and did who acted as the minister, was fined full justice to the viands, which were delicious and profuse. You should have seen the gallantry of the gendeinen attending the beauty and fashion of the gentler sex on this pleasant occasion. It reminded me of Chesterfield's B. F. Butler, of Massachusetts, to be a letters to his son, which I read more felon derserving of capital punishment overything passed off ith glee and erate States, at New Orleans, and have which will be found complete in every parmirth, with the understanding that ing ordered that the said B. F. Butler, hey of both counties were to meet in for that and other outrages and atroci- the public. August near this place with a view to ties, be considered an outlaw and com-

MESSRS. R. J. McCarley & Co.-Gents I am well pleased with the Van Winkle Gin, Feeder and Condenser I bought from you. It is all that you represented it to be. It makes the best sample I ever saw. and turns out a good yield. I recommend it it all who wish to buy to be sure to pur-

Wishing you abundant success, I am yours, &c.,

HENRY BOYKIN.

MESSRS, R. J. McCarley & Co.-Gents The fifty-saw Daniel Pratt Revolving Hend Gin and Feeder I purchased from you the first of last August, far excels anything that I have ever seen. I have never been better pleased with the working of any machinery. It runs lighter than any other gin, makes a better sample and the arrangement of the breast is so you can gin the seed as clean as one would desire. The Feeder works like a charm, feeding regularly, fast or slow, as you please, thereby lessening the draught. My gin was burnt last fall. I shall buy another Prati next season.

> Yours, &c., C. K. RABE.
