**Owingsville.**  
 Since our last issue several mar-  
 riages have come under our observation  
 which we have not as yet seen in print,  
 and as we believe in keeping abreast  
 of the times we will report them here,  
 though all of the parties are not of  
 Owingsville. They are of Laurens  
 county and all of our people should  
 know what is transpiring in their  
 county. Mr. E. E. Pitts and Miss Mag-  
 gie Redden were married at the resi-  
 dence of the bride's father, Mr. A. F.  
 Redden on the 21st of December, 1893,  
 Rev. Mr. Jones officiating.  
 Mr. J. R. Redden and Miss Bessie  
 Dodson were married at the residence  
 of the bride's father, Mr. William Dod-  
 son on the same date, Rev. J. B. Par-  
 rott officiating.  
 Mr. J. W. Redden and Miss Livia  
 Davis were married at the residence of  
 the bride's father, Mr. Washington  
 Davis, on the 20th of December 1893.  
 Mr. A. M. Culbertson and Miss  
 Mamie Redden were married at the  
 residence of the bride's uncle, Mr.  
 Harry Redden, on the 14th December,  
 '93, Rev. Jodie Martin officiating. We  
 extend to them our heartiest congratu-  
 lations and pray that the blessings of  
 Almighty God may ever rest on them.  
 The new year is on us and we should  
 all be thankful that we have lived to  
 see the last days of 1893 and now as we  
 are entering upon the new year let us  
 all strive to be in a better condition  
 financially, intellectually and religio-  
 usly in twelve months' time.  
 Your correspondent had the pleas-  
 ure of attending the Christmas tree at  
 Union; which proved that the people of  
 Union know no such word as failure.  
 The Christmas tree at Rocky Mount  
 was also a grand success.  
 S. A. Boland, who has been spending  
 the holidays at home, has returned to  
 the Medical College in Chattanooga,  
 Tenn., also J. G. Cooper has returned  
 to the Medical College in Atlanta.  
 Jno. R. Owings is in very feeble  
 health at this writing.  
 Press Boland, of Newberry, visited  
 his father, H. F. Boland and other rela-  
 tives in this section during the holi-  
 days.  
 J. N. O'Dell visited relatives in Ab-  
 bevillle, Xmas week.  
 J. W. Cooper is quite ill at this  
 writing.  
 The entertainment at Jones on Fri-  
 day night before Xmas was a great  
 success. Professor Culbertson knows  
 just exactly how to entertain an audi-  
 ence.  
 Curtis Hitch, of your town has moved  
 to this section and located at his father's.  
 M. D. Mitchell is visiting relatives in  
 Abbeville this week. We wish him a  
 pleasant trip.  
 Mrs. W. W. Culbertson, of Ekom, is  
 visiting her brother, J. T. Cooper.  
 Uncle Joel Blackwell is a welcome  
 visitor in our community. We wish  
 him a lengthy and pleasant stay with  
 us.  
 There are several cases of La Grippe  
 in this section. We hope to see every-  
 body up and doing again before long.

**Catarrh Cannot Be Cured**  
 With local applications, as they cannot  
 reach the seat of the disease, Catarrh  
 is a blood or constitutional disease,  
 and in order to cure it you must  
 take internally, and acts directly on  
 the blood and mucous surfaces. Hall's  
 Catarrh Cure is not a quack medicine.  
 It was prescribed by one of the best  
 physicians in this country for years,  
 and is a regular prescription. It is  
 composed of the best blood purifiers,  
 acting directly on the mucous surfaces.  
 The perfect combination of the two in-  
 gredients is what produces such won-  
 derful results in curing catarrh. Send

**Hood's Sarsaparilla Cures**

**Mrs. David N. Kibler**  
 of Shanleyton, Va., was a sufferer with stomach  
 trouble. At times she was in severe pain and  
 great misery. Piercing pains would seize her  
 in the right side and at times shoot from  
 the hip to the breast. She also suffered chills  
 in the body and limbs. Physicians failed to  
 diagnose the case and medicines failed to cure.

**Hood's Sarsaparilla**  
 quickly brought about a change and the result  
 has been a perfect restoration to health.  
**Hood's Pills** act easily, yet promptly and  
 efficiently, on the liver and bowels. 25c.

 All Property, both Real and Personal,  
 is returned this year.  
 It will save much time to Taxpayers,  
 and also greatly facilitate the work of  
 the Assessor, if any person, before leav-  
 ing home, will make out a complete list  
 of the number of acres of land and build-  
 ings, also every item of personal prop-  
 erty, in the following order: Horses,  
 cattle, mules, sheep and goats, hogs,  
 watches, organs and pianos, buggies,  
 wagons and carriages, dogs, merchan-  
 dise, machinery and engines, moneys,  
 notes and accounts above indebtedness.  
 All other property including household.  
 It is always required that the Auditor  
 get the first given name of the taxpayer  
 in full.  
 Under the head of place of residence  
 on tax return give the township.  
 All male citizens, between the ages of  
 twenty-one and fifty years, on the 1st  
 day of January, 1894, except those who  
 are incapable of earning a support from  
 being maimed or from other causes, are  
 deemed taxable polls.  
 And every tax-payer is required to  
 give the number of their School Dis-  
 trict.  
 After the 20th day of February next  
 fifty per cent penalty will be attached  
 for failures to make returns.  
 In every community there are persons  
 who cannot read, or that do not take a  
 newspaper. Those more fortunate may  
 do such persons a great favor by telling  
 them of the time to make returns, or by  
 returning for them.  
 The assessing and collecting taxes is  
 all done now in the same year, and we  
 have to aggregate the number and value  
 of all horses, mules, cattle and other  
 pieces of personality, as well as the  
 acres of land, lots and buildings, and  
 their value, that there is in the County,  
 and have the same on file in the Com-  
 ptroller General's Office by the 30th day  
 of June of each year; and from that  
 time to the 1st day of October the Audi-  
 tor and Treasurer's duplicate have to  
 be completed, and an abstract of the  
 work in the Comptroller's Office by that  
 time, which will show at a glance, that  
 the Auditor has no time to take returns  
 or anything else much between the 1st  
 day of March and the first day of Octo-  
 ber but work on the books and the  
 blanks.  
 We hope, therefore, that all taxpayers  
 will make their returns in time.

**NOTICE**
