LONG BRANCH.

We are having a nice rain at this writing, a thing which was badly needed as everybody who follows the plow had gone about as far as they could go.

When Good Friday came on its annual round the Oak Grove school resolved themselves into a committee of the whole and was joined by a number of other young people of the community and went out on an egg hunt.

While Miss Sue Hudgens with the Long Branch school was joined by a number of neighbors and went gadding off down the creek on a fishing excursion.

Rev. Mr. Swindler met the people of this community at Oak Grove school house on last fourth Sunday evening and preached a very able and interesting sermon.

Mr. W. K. Sloan is home from Augusta where he has been taking a course in the Commercial College.

A certain young man from the Tylersville section comes visiting on Long Branch as often as once or twice a week.
