

WARES SHOALS.

It is literally true that all has been moving on smoothly and rapidly about our little town for the last few weeks and all that we could have written would have been: "We are all well and are doing well!"

The dam is rising with amazing rapidity in the midst of the river and the contractors begin to feel assured that their work will be completed long before the year is fulfilled.

The carpenters are continually at their work and are raising up numbers of neat little cottages near the projected factory building.

The telephone line from Laurens is at last completed.

Contractor King has begun work on the new bridge across Turkey Creek.

A new store has been opened up in the South extremity of the town, yet the business of the company store has increased that Mr. D. B. Roper has been compelled again to enlarge his store room and is continually increasing his stock of goods.

The young men are quite numerous at this place, while the young ladies are not so many. Therefore some of our boys are obliged to ride a mule as far as Cokesbury to see their sweethearts. But the Ware Shoals girls do not let many pass out, for they will sit on three at a time to keep home sweet at home. Such is their ambition.

M. E. O.

IN SELF DEFFENCE.

Every Man and Woman May Exercise This Right.

The man whose life is threatened by a stroke telling blows in self defence. If his reputation is assailed he should write and speak vigorously in self defence. No man or woman should be less prompt and energetic in defending self from the attacks of disease. There are dangers to health on every hand—in food, air and water.

The greatest danger is that which is in the blood itself. Impurities mean great discomfort and often continued suffering.

A self defence you should take is Hood's Sarsaparilla. It is the sure means of warding off the dangers of undermining health. It expels from the blood the taints of scrofula, which have been inherited, and defends against suffering from the pains, swellings and eruptions peculiar to this disease. It cures all forms of skin disease, pimples, boils, etc., and subdues the itching and itching of salt rheum or eczema.

This great medicine also cures catarrh and by taking it for this disease thousands of people have defended themselves against the approach of consumption. It neutralizes the acid in the blood and proves a sure defence against the agonizing aches and pains of rheumatism. It tones and stimulates the stomach and digestive organs and prevents and cures dyspepsia.

A strong point about Hood's Sarsaparilla as a defence from suffering, is that it can be depended upon. It possesses actual curative power and does what it is expected to do. It is constantly effecting marvellous cures, being taken by men, women and children everywhere and all the time, means of keeping the blood rich and pure and thus strengthening the constitution of health.

Every home should be supplied with Hood's Sarsaparilla and Pills. The use of these medicines saves time and prevents suffering. Hood's Pills, the family cathartic, greatly aid Sarsaparilla in defending the blood and they are the only cathartic that should be taken with it. They cure liver ills, break up colds, prevent grip and are unequalled as a dinner pill.

Hood's Sarsaparilla and Pills, when taken as directed, will have little fear of attacks of cholera.

Not Expect

bread these cold mornings if you are afflicted with the spasmodic sort, that "Clifton" flour will bake to your satisfaction, day in and day out. It is not the best flour to-day and best to-morrow. It is the best flour and people who buy "Clifton" flour will be satisfied.

MARRIED IN CLINTON.

The Wedding of Miss Janie Vance and Dr. P. G. Ellesor.

The wedding of Miss Janie Vance of Clinton and Dr. P. Gray Ellesor of Newberry in the Presbyterian Church, Clinton, at noon last Thursday, was one of the prettiest ever seen in the county. It was attended by a large number of the friends and kindred of the bride and groom. Rev. Dr. W. P. Jacobs officiated.

The bride is the daughter of Mr. and Mrs. S. F. Vance. She is one of the most popular young ladies of Clinton and was equally popular in the social circles of Laurens. Dr. Ellesor is one of the prominent and successful physicians of Newberry.

Promptly at twelve, Miss Annie Copeland rendered Mendelssohn's Wedding March.

Messrs. Rob Vance, Vance Irby, Robert Philson and Mr. Tom Johnstone of Newberry, the ushers, then entered, and were followed by Misses Thyra Schumpert, Lizzie Glenn and Bessie Gilder of Newberry, Miss Birdie Vance of Louisiana and Misses Ina and Laura Vance, of Clinton, the bridesmaids.

The groom entered with his best man, Mr. Malcolm Johnstone of Newberry and the bride with her dame of honor, Mrs. T. D. Darlington of Laurens. The bride looked lovely in a traveling suit of castor cloth, and carried a beautiful bouquet of bride's roses. The maids and dame of honor wore handsome waists of white satin, white beaver hats and black skirts. The maids carried umbrellas. The church was beautifully decorated in white and green.

A number of friends of the bride and groom then went to the home of the bride's parents, Mr. and Mrs. S. F. Vance, where a reception was tendered. The parlors and dining room were beautifully decorated in ferns and other pot plants. The presents were numerous and handsome, evidences of the esteem in which both bride and groom are held.

Dr. and Mrs. Ellesor left on the 2.30 train for New York, where they will spend a month.

Among the out of town visitors present were Mr. Malcolm Johnstone, Mr. George Johnstone, Mr. and Mrs. J. T. McCrary, Dr. and Mrs. Mayer, Mr. Tom Johnstone, Miss Thyra Schumpert, Bessie Gilder and Lizzie Glenn, Newberry, Mr. and Mrs. Fleming Jones, Mrs. T. D. Darlington, Miss Claudia and Mr. Vance Irby, Laurens, Mr. Moore, Greenwood, and Misses Birdie and Camille Vance, Louisiana.
