Learn to hide your troubles. Your friend has troubles of his own to hide, friend has troubles of his own to hide, help him by example. This is good advice, but when a man wakes in the morning with a raging splitting headache, not enough energy to get up, constipated, bad taste in the mouth, tired legs, it's not advice that a man needs. It's a good dose of Dr. King's Blood and Liver Pills. Purify the blood and send it bounding, coursing through the veins, and make the liver live. No purging, griping or payseatlive. Served in the Civil War, the Oldest Living Veteran, Says DUFFY'S PURE MALT WHISKEY Has Kept Him Strong and Healthy Past the Century flark.

Healthy Past the Century Mark.

Mr. Noyes, the hero of two wars, a soldier whose life has been written up all over the country, although 107 years of age, states that he feels as well and strong today as he did 40 years age, and recently made a trip from Unity Corners, N. H., to Chicago without suffering any hardships.

A drummer boy in the war of 1812 and a teamster in the civil war, ashe was even then too old to serve in the ranks, Mr. Noyes has had a most eventual life. He remembers with great vividness many of the historical figures of the last century, and gratefully attributes his marvelous vitality and wonderful edge to

He says:—"An old man's life can be a happy one if he is well, and I have been just as active and strong up to a few years age as I was during the war in the South. My family and friends are all gone, but I am cheerful and been pretty well all my life, but sickness came upon me during the last 20 years. My doctor told me it was old age, and gave me Duffy's Pure Malt Whiskey. I am taking that medicine now, and it is both medicine and neurishment to me. I cannot eat a hearty meal the way I used to, but Duffy's keeps me up and going. I would not be alive without it."

Old age is happy when it goes hand in hand with health. Hundreds of men and women who have passed the century mark are kept alive and well today by the use of Duffy's Pure Malt Whiskey. It was

HIS ONLY MEDICINE and so it is theirs. An absolutely pure distillation of malt, without fuseloil, it is recognized guarantee. It is a tonic-stimulant recommended by physicians of every school, a boon to the weak and worn, to the weary and depressed. It arrests the progress of physical decay, strengthens the heart, relieves the aching head, gives to the limbs their old time vigor and clears the brain. It enriches the blood and neurishes the vital forces, and in this way drives out disease and promotes health and longevity. Dectors call it a form of food already digested," as it agrees with the most delicate stomach. If you wish to keep strong and well in old ago take a tablespoonful three times a day in milk or water.

Duffy's Pure Malt Whiskey cures coughs, colds, consumption, bronchitts, grip, catarrh, asthma, pneumonia and all diseases of the threat and lungs; indigestion, dyspepsia and all forms of stomach trouble; nervousness, malaria and all low fevers. Used exclusively in over 2,000 hospitals.
