Grand Reduction SALE

\$15,000

WORTH OF
DRY GOODS, NOTIONS, Etc.
TO BE
Slaughtered Without Regard to Cost or VALUE

When you consider that our regular, everyday prices are lower than many quote for their special prices you can depend upon it that our Special Offerings are worth looking after. There is no sham or trickery about the Bargains you will find at our Special Reduction Sale. We are not paying a "middle man" 10 per cent. to help us sell these Goods, but give the "middle man's" commission to the purchaser during this Grand Reduction Sale. Remember the date, and also remember that ours will be the grandest and absolutely the fairest Summer Sale ever inaugurated in Laurens. Anticipating a big Spring and Summer business we bought the largest stock we ever had, and to reduce this big stock we propose to make a great sacrifice and have marked the prices Lower than ever before quoted in Laurens. This great Reduction Sale will be not only a wonderful, but an actual blessing to the trading public. We are determined to sell the goods, and have marked them at prices that will insure a quick sale.
