SHOT HIS NEIGHBOR THROUGH MISTAKE.

SPARTANBURG, Sept. 2.—W. T. Glenn, aged 65 years, a well known resident of Wood's Chapel section, was shot and killed last night by W. T. Hadden, his friend and neighbor. The tragedy occurred about as follows: Mrs. Smith, mother-in-law of Hadden, heard a noise during the night and awoke him. He got out of bed and went into the yard. Seeing the figure of a man he fired in the direction and returned to the house without ascertaining the result of the shot. This morning while making an investigation Hadden came upon the lifeless body of Glenn. He reported the matter to the sheriff and coroner.

CATARRAL TROUBLE PREVALENT.

Fall Months Cause Sickness—Breathe Hyomei, and be Cured of Catarrh.

Catarrhal troubles are more common at this season than at any other time of the year. The sudden changes that come during the fall months are productive of many cases of catarrh that without proper treatment will become chronic.

The pleasantest, most convenient, and only scientific method for the treatment and cure of catarrh, is Hyomei. Simply put twenty drops in a little pocket inhaler that comes with every outfit, and then breathe it for three minutes four times a day.

No dangerous drug or alcoholic concoction is taken into the system when Hyomei is used. Breathed through the inhaler, the balsamic fragrance of Hyomei penetrates to the most remote cells of the nose and throat, and thus kills the catarrhal germs, heals the irritated mucous membrane, and gives complete and permanent cure.

Thousands of testimonials have been given as to the astonishing cures made by this remedy. J. S. Nugent, treasurer of the New York Life Insurance Company, writes: "Hyomei has completely cured my daughter of catarrh, from which she has been a sufferer for years."

The complete Hyomei outfit costs but one dollar, and as the inhaler will last a lifetime and there is sufficient Hyomei for several weeks treatment, it is the most economical catarrhal remedy known. Extra bottles can be procured for fifty cents. Ask the Laurens Drug Co. to show you the strong guarantee under which they sell Hyomei.
