

**Died to Save His Dog.**  
Gaffney, Nov. 9.—An account of an awful accident appears in a local paper to-day. Last Tuesday while working as a section hand one mile from Hickory Grove Jules Johnson, white, lost his life while attempting to save the life of his dog. As a train was coming up his pet ran on the track in front of the engine and Johnson in an effort to save it's life lost his own balance and was crushed by the train.

**A Creeping Death.**  
Blood poison creeps up towards the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 25 cents at Laurens Drug Co. and Palmetto Drug Co.

**Product of Mills.**  
The product in one day of the Longman & Martinez great works is enough to paint every house and everything made of wood in a city with the L. & M. Paint.  
In use thirty years; several houses painted with L. & M.  
The L. & M. costs about \$1.20 per gallon. The L. & M. is the best and cheapest, because the L. & M. Zinc, hardens the L. & M. White Lead, and makes it paint more surface and wear a longer time than any other paint.  
L. & M. costs about \$1.20 a gallon. It only requires 4 gallons of this celebrated and 3 gallons of Linseed Oil at 60 cents per gallon to paint a moderate sized house. Therefore a property-owner ought not pay \$1.50 per gallon for Linseed Oil, which he must do when a ready-for-use paint is bought.  
L. & M. costs about \$1.20 a gallon.

Is heard daily from old and young, rich and poor. Did you ever stop and consider the cause of this remark? We will venture to say nine cases out of ten are caused by improper digestion. This, or other symptoms of indigestion such as nervousness, nausea, heart-burn, sour stomach, flatulency and despondency, should be a warning to you who are in danger of having indigestion, the greatest enemy of American health to-day, fasten its merciless fangs on your health. Remember, "A Stitch in time saves nine", and a bottle of the celebrated Kellum's Sure Cure for Indigestion has saved untold misery to people in many parts of this broad land, by curing them permanently of this miserable disease. Yes, not like the pepsin digestives that help for a time, but cures permanently by causing the digestive organs to perform their functions. Nature being such a great rectifier of its own ills, with the assistance of this powerful medicine, gives you a healthy stomach and removes indigestion and its symptoms permanently.
