CLEAN ELECTION IN UNION.

Hon. Macbeth Young, Native of Laurens, is Again Elected Mayor.

Well, whiskey did not do the voting Union last Tuesday. It was the cleanest, most business-like election ever held in this city; less drinking; less brawling-less everything except the free and uninfluenced use of mind. -More interest was manifested in this election than any previous one; for there were issues at stake that demanded the interest, judgment and deision of the citizens.

As a result of the election three of the city officers are elected, while there must be a second race for the other three. Mr. Macbeth Young is Mayor a majority of 57 votes; Capt. Geo. . Perrin, alderman from Ward Two by Three by 24 votes. A second election must be held between J. G. Long, jr., and Jno. W. Crawford in Ward One; J.
