The Price of Cotton.

There was a little advance in spot cotton yesterday, the Laurens market closing at 14. New York closed a few points off while Liverpool quotations were up at the closing. The receipts continue rather light on the market, for October.

Farmers' Union.

At a meeting of the Laurens County Farmers' Union Friday a resolution was adopted endorsing the action of the National association in placing the minimum price at 15 cents, and it urged that all hold for that price if possible. See letters of Messrs. Anderson and Irby on this subject.
