### How Do You Stand?

BY H. CLYDE GODFREY.

As most people are aware there will soon be an election held in this dear old county of Laurens. This election will be to decide whether or not the sale of liquor shall be continued. How do you stand on this question? Are you for or against this dreaded evil which is yearly, yea daily, sinking thousands into shame and misery and at last into perdition? Consider these questions carefully and decide on the side of right, for when you come to die and stand at the 'bar of God' your soul will be in special concern about that election back in old Laurens county and how you acted there. If you voted right joy and peace will be yours, if you lived Christ like also. If you voted wrong doubtless pain and woe will be your portion eternally. Only true Christians go to heaven. Can a man hold up for the devil's own institution and be a true Christian? I think not. Christians, pray, pray often, for 'the prayer of a righteous man availeth much.'

I want to bring to your mind a scene. Out in the future I see a great multitude gathered around a throne. On the throne I see a king as he sits in judgment. Behold him now as he separates the multitude into two vast throngs, one on his right hand, the other on his left. Let us look for a moment at the throng on the right. See how their faces beam with joy and how they shout as the King bids them enter His fair palace. Now let us take a glance at that throng on the left. Behold how sad are their countenances and how awful is their wail as the King bids them depart forever from His presence, 'for,' saith He, 'I know you not.'

As you see I have pictured a scene that will come to pass in the great judgment day. The judge is Christ. The throng on the right are the redeemed who have lived true Christians in this present world. The throng on the left are the lost who in the world lived ungodly and followed their own devices and opinions. You will be present when this scene comes to pass in reality and it depends entirely upon how you act and live in this present time and world how it will be with you that day. We are told in God's word 'that if we offend the law in one place we are guilty of all.' Therefore be sure you decide right in reference to this liquor question. Live a Christian life and be ready to meet the Lord when He comes to make up his jewels.

August time tells on the nerves. But that spiritless, no ambition feeling can be easily and quickly altered by taking what is known by druggists everywhere as Dr. Shoop's Restorative. Within 48 hours after beginning to use the Restorative improvement will be noticed. Of course full health will not immediately return. The gain, however, will surely follow. And best of all, you will realize and feel your strength and ambition as it is returning. Outside influences depress first the 'inside nerves,' then the Stomach, Heart and Kidneys will usually fail. Strengthen these failing nerves with Dr. Shoop's Restorative and see how quickly health will be yours again. Sold by Palmetto Drug Co.

### Dr. Fuller in Spartanburg.

Dr. A. C. Fuller, one of the most prominent citizens of Laurens, is the guest for a few days of his friend and college-mate, Dr. James H. Carlisle, president emeritus of Wofford college, they having graduated from South Carolina College in the class of 1844. Dr. Carlisle and Dr. Fuller only know of two others of their class who are living today. Dr. Fuller is prominent to-day in church and State affairs, and has been so for many years. For a number of years he represented his people in the senate. He is now superintendent of the Sunday school of the Trinity Methodist church near Laurens, which position he has held for thirty years. He is also one of the leading spirits in the prohibition movement. Spartanburg Herald.

### Mr. Garlington in Columbia.

In an advertisement appearing in the State of last Sunday, is the following relative to Mr. John Y. Garlington, of Laurens, organizer of the Sterling Casualty Co.: 'Some months ago Mr. John Y. Garlington, a progressive, successful insurance promoter, figured it out that such a company would do a good business in the South if organized on a big scale, armed to compete with the larger companies of this kind from the North and East. With statistics in hand to show that companies of this kind make money for their stockholders, Mr. Garlington looked about for co-operation. He found it here in Columbia in the persons of Mr. W. A. Clark, president of the Carolina National bank; Gen. Willie Jones, president of the Palmetto bank, and Mr. Thos. S. Bryan, president of the R. L. Bryan Co., and these three well known gentlemen have been made trustees for the company during its organization.'

Served as coffee, the new coffee substitute known to grocers everywhere as Dr. Shoop's Health Coffee will trick even a coffee expert. Not a grain of real coffee in it either. Pure healthful toasted grains, malt, nuts, etc., have been so cleverly blended as to give a wonderfully satisfying coffee taste and flavor. And it is 'made in a minute,' too. No tedious 20 to 30 minutes boiling. J. M. Philpot.

### Knights of Honor Pay Claim.

Several days ago Mr. L. G. Balle, Sr., dictator of the Knights of Honor lodge in Laurens, received a check for \$2,000 from the estate of T. N. Barksdale, deceased member of that lodge. The Knights of Honor order has suffered somewhat in recent years from a change in plan, but the ready payments of claims as evidenced in the above indicate a reliable strength and soundness in its financial status.

### Diarrhoea Cured.

'My father has for years been troubled with diarrhoea, and tried every means possible to effect a cure, without avail,' writes John H. Zirkle, of Phillips, W. Va. 'He saw Chamberlain's Colic, Cholera and Diarrhoea Remedy advertised in the Phillipian Republican and decided to try it. The result is one bottle cured him and he has not suffered with the disease for eighteen months. Before taking this remedy he was a constant sufferer. He is now sound and well, and although 60 years old, can do as much work as a young man.' Sold by Laurens Drug Co.

### Veteran Crisp's Visitors.

D. J. Crisp and wife from Memphis, Tenn., and Mrs. C. J. Lancaster, from Houston, Mississippi, are visiting their father, Mr. Joel T. Crisp, of Kinards, Newberry county, and other brothers, sisters and relatives in Laurens, Greenville and Spartanburg counties.

Mr. J. T. Crisp is one of the oldest citizens of this county, being in his 89th year, and is hale and hearty. He has seven children now living, forty-four grand children, seventy-one great grand children and one great-great grand child.

He is an old Southern soldier, and the grandson of an old Revolutionary soldier. His son, D. J. Crisp, who is now visiting him is also an old Southern soldier and left this county about forty-two years ago. His daughter, Mrs. C. J. Lancaster, left this county thirty-seven years ago, and has never been back since.

D. J. Crisp visited South Carolina twenty-three years ago. While visiting T. Y. Henderson he said that crops are better here than any section in which he has traveled; also that when he went West he thought every one here would perish, but on returning found Laurens county to be the garden spot of the earth. While here they will visit Newberry, Greenville, Spartanburg and other counties.

When the Stomach, Heart or Kidney nerves get weak then these organs always fail. Don't drug the Stomach nor stimulate the Heart or Kidneys. That is simply a makeshift. Get a prescription known to Druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Sold by Palmetto Drug Co.

### Plan to Fight Disease.

Druggists Will Battle Stomach Troubles in Laurens.

The increase of stomach troubles in Laurens has led Laurens Drug Co. to take effective measures to combat the disease.

They have the local agency for Mi-o-na stomach tablets, and in order to induce people suffering with weak stomach or indigestion to use the remedy, offer to supply it with the distinct understanding that money will be refunded in every case where it does not cure.

Mi-o-na is not a mere digestive, but an absolute strengthener and builder-up of the whole digestive tract. If you suffer with headaches, giddiness, palpitation, bad taste in the mouth, nervousness, coated tongue, distress after eating, use Mi-o-na and see how quickly these symptoms of a weak stomach will disappear.

Remember that Laurens Drug Co. give a guarantee to refund the money unless it cures.

Read what Mrs. Jas. E. Blair of Boston has to say about Bloodine.  
'My daughter had suffered from birth (for twenty years) from Eczema, and had tried many so-called cures and dozens of physician's prescriptions with little or no relief, until I was advised to have her try "Bloodine," and I am thankful today to be able to inform you that she has been entirely cured after using six bottles of "Bloodine." "Bloodine" is positively the only remedy known to science that has the full power to drive this much dreaded disease out of the system; no matter how long you have been afflicted with it. What Mrs. Blair says is enough to convince the most skeptical that "Bloodine" will cure any Blood Disease. Bloodine costs but 50c per bottle, six bottles for \$2.50. Mail orders filled promptly.
