

REWARD IS OFFERED.

Governor Ansel Offers \$75.00 Reward for the Capture of John Henry Anderson.

Governor Ansel has issued a proclamation, a copy of which was received here last week, offering a reward of seventy-five dollars for the capture of John Henry Anderson, colored, wanted for assault and battery and for murder. It is recalled that on the 1st of September Anderson shot and killed his father-in-law, Josh Carter, at Cedar Grove, negro church, near Waterloo, where Carter and numerous relatives had gone to bury one of Carter's children. Anderson's wife had gone back to live with her father, which fact doubtless caused the hatred of Anderson toward Carter. The killing was of a horrible nature, Carter being shot down from the rear at the grave of his child.

Some time ago Anderson shot Mr. Irving Benjamin in the face with a load from a shotgun, inflicting severe wounds. He is wanted for both these crimes.

It's a pity when sick ones drug the stomach or stimulate the heart and kidneys. That is all wrong! A weak stomach means weak stomach nerves always. And this is also true of the heart and kidneys. The weak nerves are instead crying out for help. This explains why Dr. Shoop's Restorative is promptly helping stomach, heart and kidney ailments. The Restorative reaches out for the actual cause of these ailments—the failing "inside nerves." Anyway test the Restorative 48 hours. It won't cure so soon as that, but you will surely know that help is coming. Sold by Palmetto Drug Co.

A Traveling Man's Experience.

"I must tell you my experience on an East bound O. R. & N. R. R. train from Pendleton to Le Grande, Ore.," writes Sam A. Garber, a well known traveling man. "I was in the smoking department with some other traveling men when one of them went out into the coach and came back and said, 'There is a woman sick unto death in the car.' I at once got up and went out, found her very ill with cramp colic, her hands and arms were drawn up so you could not straighten them and with a deathlike look on her face. Two or three ladies were working with her and giving her whiskey. I went to my suit case and got my bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy (I never travel without it), ran to the water tank, put a double dose of the medicine in the glass, poured some water into it and stirred it with a pencil, then I had quite a time to get the ladies to let me give it to her, but I succeeded. I could at once see the effect and I worked with her, rubbing her hands, and in twenty minutes I gave her another dose. By this time we were almost into Le Grande, where I was to leave the train. I gave the bottle to the husband to be used in case another dose should be needed, but by the time the train ran into Le Grande she was all right and I received the thanks of every passenger in the car." Diamond Prices

Will not be Lower

The public has been led to believe through newspaper reports that the price of Diamonds will be lower.

97 per cent of the Diamonds mined are in the hands of two corporations—the Dee Beers and the Premier Mining companies. The products of these two companies are sold through the London Rough Diamond Syndicate. The financial standing of this syndicate is beyond question. It stands pledged to maintain the price of Diamonds as it did during the panic of 1893 and 1894, also during the depression of 1903 and 1904, so the price of Diamonds

Weak Kidneys

Weak Kidneys, surely point to weak kidney Nerves. The Kidneys, like the Heart, and the Stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the Kidneys alone, is futile. It is a waste of time, and of money as well. If your back aches or is weak, if the urine is cloudy, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you.
