**LETTER FROM RABUN**

**Cotton Crop Promises Short Yield--Mr. Piana Makes Interesting Address.**

Rabun, Sept. 28.—Owing to the beautiful weather the farmers have gathered a great deal of cotton. The cotton crop is very short in this community even more so than it has been for years, and possibly many will be through picking by first of November.

Rev. Joseph Piana made a fine address at Rabun the third Sunday. The church was full almost to overflowing. Mr. Piana opened his address by reading from the Bible and singing a song in the Portuguese language, he then proceeded to tell of his life and how he came to know Jesus Christ. It was indeed a very touching talk, and if it did not, it should have aroused the spirit of missions in the heart of all believers. Mr. Piana exhibited a knife or stiletto which had been used to attempt to attempt to take the life of Rev. W. H. Cannada, missionary to Brazil. The sincere wish of your correspondents is that Mr. Piana will be successful in all his work for Jesus for whom he has sacrificed so much.

Messrs. Archie and Mark Owens, Melvin and Calvin Cheek went to the W. O. W. meeting at Mt. Pleasant church last Wednesday night, the purpose of the meeting being to initiate some new members.

Mr. Houston Babb leaves today for Furman university to attend school which opens on the 27th.

Mr. Earle V. Babb leaves Wednesday for Colgate university, New York, to study for the ministry. It is sincerely hoped that he will be successful in all his work.

The bridges are again being being constructed across the stream in this vicinity.

On account of the rain yesterday, Sunday the 27th, Dr. W. T. Derieux did not get to Rabun to fill his appointment as announced.

**Punching Big Bill.**

Mr. Bryan is getting good and mad and he is punching poor Mr. Taft in a most distressing fashion. The amiable Republican candidate will find before this campaign is over that running for president is a very different thing from playing golf.—Charleston Post.

**HAWKING MACHINES.**

**Catarrh Sufferers Are Nothing but Hawking, Spitting and Blowing Machines, Says an Authority.**

Is it possible that in these days when cleanliness and sanitary reform is being preached in the churches, schools and at public gatherings, that thousands of people will continue to suffer from catarrh, when there is an absolutely certain remedy always on hand.

Hyomei (pronounced High-o-me) is a pleasant, medicated and antiseptic air. Breathe it in and it will cure catarrh. It will stop foul breath, watery eyes, and crusts in the nose, in a few days.

"I suffered from catarrh for two years; tried numerous remedies which failed; used one and one-half bottles of Hyomei and am entirely cured."—C. N. Lindsay, 407 East First Ave., Mitchell, S. D.

A complete Hyomei outfit, consisting of a strong, hard rubber pocket inhaler and a bottle of Hyomei, costs only \$1, and extra bottles, if afterwards needed, costs only 50 cents each. Laurens Drug Co. sells it and guarantees it to do exactly as advertised.

Hyomei also cures Asthma, Bronchitis, Coughs, Colds and infants' Croup.
