Mysterious and Sensational.

The mysterious and sensational killing of Mrs. C. C. Digham by her husband, Dr. Bigham, and Wm. B. Avant, in Georgetown county is one of the most extraordinary cases that we have ever known. That the shooting is inexcusable, there is not the shadow of a doubt. The explanation offered thus far by Bigham and Avant does not explain it; and we are glad to know that the two men have been placed under arrest on warrant charging murder,

It will take a seprebling court investigation to clear up this mysterlous case. It is unfortunate that Mrs. Dightan did not live long enough to give her ve sion of the tragle affulr.-Greenville News.
