

A LETTER FROM LISBON.

Views and Comments by The Advertiser's Correspondent.

Lisbon, Aug. 8.—The farmers have about finished hoeing and plowing cotton. Some of the crops are in fine shape while others are not so good. Around Lisbon the crops are some better but later than last year, but this crop depends upon the early or late fall.

Mr. James Holmes has a very fine prospect in the Boys' Corn contest of the Anderson variety. We hope that James will come out with first prize this fall. We have had fine rains. We feel now, if nothing happens, we may make a fairly good yield of both corn and cotton. There is a fine pea vine hay crop coming on that will add much to the forage crop.

Mrs. Cora Wharton and son of Rockingham, N. C., Miss Marie Oliphant of Blacksburg and Miss Margaret Dunlap of Laurens spent at fortnight with Mrs. J. T. Ballew.

Mrs. Charles Milam and son of Camden, Mr. L. Milam of Columbia, Mr. Ryvens Milam of Durham, N. C. and others are spending a while with Mrs. Milam and Mrs. Fuller.

The Wrights, Howells and Browns went down on Little river last Friday, near Dunlap's bridge, and caught more fish than they could eat. That means something, as we know how those men enjoy a fish stew made by Mr. Howell.

Your correspondent went on a little outing to Glenn and West Springs last week. Found the crops very poor with few exceptions and in many places needing rain very badly. There was a large crowd at Glenn's Hotel and private boarding houses. Heard but little politics. Featherstone, McLeod, and Blease were the only men I heard mentioned for governor. We think that Featherstone is in lead and will end up that way. At any rate Featherstone is going to be in second place with McLeod or Blease.

The piano contest at Rasor, Leaman and Denny ended last Wednesday. Miss Nannie Goodman won the piano. She received the highest number of votes, 2,285,223. The next highest was Miss Lucia Hill with 1,358,107.

The meeting at the Baptist church continued during last week. Rev. James Martin, brother of the Pastor, Rev. J. A. Martin, did all the preaching.

The meeting at the Presbyterian church began yesterday. Rev. Mr. Rousenberg of Georgia will assist the pastor here.

Rev. G. M. Hollingsworth and family returned last Friday from a visit to their homefolks near Conyers, Ga.

EVER WATCHFUL.

A Little Care Will Save Many Laurens Readers Future Trouble.

Watch the kidney secretions. See that they have the amber hue of health.

The discharges not excessive or infrequent; Contain no "brick-dust like" sediment.

Doan's Kidney Pills will do this for you.

They watch the kidneys and cure them when they're sick.

Robert F. Sexton, Laurens St., Laurens, S. C., says: "I do not hesitate to recommend Doan's Kidney Pills, as I believe they are a valuable kidney remedy. Several years ago I was suffering from kidney trouble and my back was weak and lame. There was also a constant dull ache through my loins. I could not sleep well and upon arising in the morning, felt tired and languid. I was also caused annoyance by too frequent passages of the kidney secretions. I tried numerous remedies, but until I took Doan's Kidney Pills, procured from the Palmetto Drug Co., I never received the least relief. The first day after using them I noticed a change for the better and after I had taken the contents of two boxes, I was cured. During the time that has since elapsed, I have had no kidney trouble and I give Doan's Kidney Pills the credit."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., New York, sole agents for the United States.
