## After The Grippe

"I am much pleased, to be able to write and thank you for what Cardui has done for me," writes Mrs. Sarah J. Gilliland, of Siler City, N. C.

"Last February, I had the Grippe, which left me in bad shape. Before that, I had been bothered with female trouble, for ten years, and nothing seemed to cure it.

"At last, I began to take Cardui. I have taken only three bottles, but it has done me more good than all the doctors or than any other medicine I ever took."

Culled and Condensed for Busy Readers.

### RESUME OF PAST WEEK

South Carolina at a Glance—What is Doing in a Great State From Day to Day.

Charleston, Oct. 21.—For the first time in the history of Socialism in South Carolina, this party has nominated candidates for congress from this State. Candidates have been nominated in three districts of South Carolina. Mr. William Eberhard, of this city, being the nominee from the 1st district. Mr. Charles W. Thompson, of Reevesville, is the nominee for Governor.

The Socialist State Convention was held in this city on July 4. On last Tuesday the members of the party in this State nominated candidates for the Congressional and State ticket, the nominations being made by a referendum vote. Mr. Charles W. Thompson, of Reevesville, was nominated for Governor. Mr. Thompson is the secretary-treasurer of Orange Local, Farmers' Union, No. 627, and is known over the entire State as an enthusiastic Socialist.

Mr. Eberhard, the nominee for congress from the 1st district, is a well known German-American citizen and has resided in Charleston for the past twenty years. He is thoroughly versed in the principles of Socialism and is considered one of the most energetic members of the party in South Carolina.

Union, Oct. 21.—A little "shake-up" in the police force here has developed as the result of the conduct of Policeman A. E. Hawkins and W. D. Lowe in response to a call on Tuesday night to the home of a young man named May to quell a reported disturbance. It seems that the policemen were relieved of their billets by one man, whom they failed to arrest. A bull dog, evidently resisting arrest, seems to have played an important part in holding the attention of one officer during the melee, and the outcome was that both officers retired without making any

arrest—even the bull dog escaping the heavy hand of the law. Immediately Chief of Police Milo H. Evans suspended Hawkins and Lowe, and when the matter was reported to Mayor T. C. Duncan he dismissed both policemen. Yesterday the city council confirmed the action of Mayor Duncan in dismissing Hawkins and Love.

Union, Oct. 21.—F. W. Carnell, who is in charge of the government farm demonstration work in this county, is endeavoring to raise a fund for cash prizes to be offered for the encouragement of wheat growing in Union county. Mr. Carnell desires to raise the sum of \$100 to be awarded as follows for yields per acre: First \$50, second \$25, third \$10, and next three \$5 each. There will be no trouble in raising this amount for stimulating wheat growing in this county. The people here are getting interested in improved methods of farming and in raising at home necessary supplies. It is to be hoped that the movement of the chamber of commerce for the establishment of a roller mill will result in the erection of one within the next few months.

Over 6,000.00 acres of land are under tobacco cultivation throughout the world.

### HOW TO CURE RHEUMATISM.

It is an Internal Disease and Requires an Internal Remedy.

The cause of Rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. Rubbing with Oils and Liniments will not cure, affords only temporary relief at best, causes you to delay this proper treatment, allows the malady to get a firmer hold on you. Liniments may ease the pain, but they will no more cure Rheumatism than paint will change the fibre of rotten wood.

Science has at last discovered a perfect and complete cure, which is called "Rheumacide." Tested in hundreds of cases, it has effected the most marvelous cures; we believe it will cure you. Rheumacide "gets at the joints from the inside," sweeps the poisons out of the system, tones up the stomach, regulates the liver and kidneys and makes you well all over. Rheumacide "strikes the root of the disease and removes its cause." This splendid remedy is sold by druggists and dealers generally at 50c. and \$1 a bottle. In tablet form at 25 and 50c a package. Get a bottle today. Booklet free if you write to Bobbitt Chemical Co., Baltimore, Md. Trial bottle tablets 25c by mail. For sale by LAURENS DRUG CO.

## 100 Million Dollars Worth of Shoes

These are stupendous figures, yet this is the yearly amount that the South spends for shoes. As a curiosity these figures may attract you for a minute, but the most curious thing about them is that three quarters of this money is regularly sent away from the South and the South is that much poorer for it.

You trade at a Southern shoe store. You give the dealer your money. You probably buy a western or northern made shoe. When the dealer pays his bill, this money, less a small per cent to the dealer, goes north or west and the South is that much poorer.

Keep your money at home. Let it work for better times, better wages, more factories, more work for Southern people.

Ask your dealer for The Craddock Shoe. Made in the South, by white labor, for Southern gentlemen. The best shoe value offered by any maker in the land for \$3.50 and \$4.00. Money spent for Craddock Shoes stays in the South, and pays Southern labor, Southern grocers, bakers and butchers.

It builds Southern factories, homes and schools.

We can support more and better industries. Let's each do his part.
