To the Public of Laurens and Surrounding Counties

I have purchased through Brenneck & Co. the entire stock of O. B. Simmons & Son. I purchased the stock for something less than 60c on the dollar and I am in position to offer prices that no competition can meet. I have moved from my store in Ninety Six S. C. \$5,000.00 worth of high grade merchandise that I will place with the Simmons stock, and as an introductory feature I will sell the combined stocks at and below wholesale cost. I do this to advertise and get acquainted. I am in Laurens to stay. WATCH ME.
