BLOOD STANDS STILL.

Piles Can't Be Cured Until Circulation is Restored.
It is useless to try to cure piles by operating or use of salves or suppositories—as long as the blood is stagnant in the lower bowel, new tumors will continue to form. Clear the blood—free the circulation. Then piles will leave for good. A successful, scientific, internal remedy is Dr. Leonhardt's Hem-Roid, sold under guarantee by Laurens Drug Co. Hem-Roid does its work thoroughly. \$1 for 24 days' treatment. Dr. Leonhardt Co., Station B, Buffalo, N. Y. Write for booklet.

It is refined to a degree of absolute purity by a process only known to and used in Wesson Snowdrift Oil. It is purely vegetable, odorless, tasteless, and unapproached for healthfulness.

It is used by the leading caterers throughout the country, and is sold by the best dealers everywhere. Call for Wesson Snowdrift Oil, and beware of all suggested substitutes. Nothing else can possibly equal its results.

The bride is a daughter of Mr. J. T. Coleman, a well known citizen of the county, and has been teaching school at Old Mountville. She was visiting relatives in Spartanburg where she was joined by Mr. Brown, and the two went to the home of Rev.

Mr. Roper and were happily married. They are now at the home of the groom's father until other arrangements are made.
