The Advertiser will be glad to receive the local news of all the communities in the county. Correspondents are requested to sign their name to the contributions. Letters should not be mailed later than Monday morning.

What are all those notaries public going to do for a living now?

Nearly four thousand notaries public thrown out of their jobs at one fell swoop. That's raking them down.

Representative Willis has a bill before the House for the regulation of the issuance of free tuition to state colleges. We are not familiar with the bill in question, but it sounds good.

BRING THE CORN SHOW.

A determined movement has been on foot to bring the National Corn Show to Columbia next year. It is necessary to state that the National Corn Show is the biggest thing of its kind held in the United States. It will be held this year at Columbus, Ohio, from the 1st to the 12th of February. Last year there were 22,000 exhibits and \$50,000 in prizes. Over a hundred thousand people attended. Its a mammoth affair from every standpoint. It is devoted to the exposition of the methods of growing this most important of all cereals and of the uses to which it is put. In such expositions lie the secrets of the success that has been attained by the American farmer and from which are gathered those valuable ideas that are bringing the farmer to the envied position that he now occupies.

The movement to bring the Corn Show to Columbia grew out of the successful South Carolina Corn Show, which was held in Columbia in December. While the benefit derived from this show, both from the lessons taught to the farmers and through the advertising value, can not be overestimated, this great National Corn Show would entirely overshadow it in the results that would accrue. In the first place it will bring the people of the Middle West and the South into closer contact, that they might interchange ideas. The Westerners can teach the Southerners something and the Southerners can teach the Westerners equally as much. This has been proved by the great strides made in corn culture in South Carolina in the past few years. Besides the educational advantages, there is the advertising force of such an exposition. South Carolina has been widely advertised, through the papers and magazines for the past year on account of its phenomenal corn yields and now if these Westerners, many of whom are now ready to seek new homes, could be given the opportunity to see with their own eyes the vast possibilities of the South Carolina soil and climate, incalculable benefit would be derived. The wide publicity given the Corn Show will at the same time give much advertising to the South. It is unnecessary to recount other great advantages of the Exposition coming to South Carolina and the South Atlantic States.

None can deny the wisdom of getting it to Columbia if we can get it. Of course it will be a big thing for Columbia, but in forwarding at this time the claims of Columbia we are forwarding the claims of the whole South-east. We must have the Corn Show. But the question is how to get it.

The most convincing argument to be put before the Corn Show official will be the presence of a large delegation of South Carolinians to put forth the claims and advantages of the supposed place of meeting. It must be conclusively shown that the South wants the Exposition, that we are a corn-growing people and that Columbia is capable of giving a suitable building and other accommodations.

Definite steps were taken to have a delegation sent at a meeting of the secretaries of the different commercial organizations of South Carolina, held at Columbia Monday, Sec. W. R. McCuen of the Laurens Chamber of Commerce, attended and returned with a glowing account of the meeting, of the addresses which he heard and the plans for the delegation to the Corn

Show. Mr. McCuen stated that a plan was put on foot to send a delegation of thirty men of South Carolina to the Corn Show. This delegation will go in a special car decorated with palmetto leaves and other South Carolina emblems. A. D. Hudson, of Newberry, will head the delegation and formally invite the Corn Show to meet in Columbia next year.

Here is the point. Laurens county should have one man, or more, in this delegation. It was proposed at that meeting Monday, that a volunteer be called on from each county to go along and mixing pleasure with profit, pull for the interests of his State. He is to pay his own expenses, estimated to be around \$50. He is to be the official representative of his county and to see that the claims of his county are put forward at the Corn Show. This volunteer is wanted from some section of Laurens county. Doubtless several would want to go and these are wanted as the official representatives. Now, the name of this volunteer is wanted by the Chamber of Commerce of Laurens. Any one who will volunteer to go and represent this county is requested to send in his name to Cec. McCuen at once that the proper appointment may be made. If the name is sent to this office, we will see to it that it goes to the proper place.

This is a very important matter and it is hoped that some progressive man of Laurens county will put in his name to go. Send it in now. Its going to be a fine trip.

News at Jones.

We are indebted to our good friend, Dr. Hood of Greenwood for most kind favors.

Prof. Simpson, of Harmony, is teaching in the Tigerville High school, of North Greenville.

The Greenwood Medical Society is in a prosperous condition and every doctor in the county ought to become a member and attend regularly.

Mrs. John Wilson departed this life on the 3rd inst. She was a most excellent woman and was loved by every one.

Miss Olivia Jones is assistant teacher in the Brewerton High school.

Dr. Willie Dodson, of Laurens, was recently at Ware Shoals.

Mr. Ed Knight, of Greenville, purchased the old Brewerton lands recently and will soon make some valuable improvements on it.

Hon. J. F. Morrison has a superior breed of hogs.

Our school is progressing nicely and we are deeply gratified to our efficient teacher, Miss Tolbert, for the great interest she is manifesting in the welfare of the school.

Messrs. Arwood and Willard are off on a camp hunt near Augusta.

Messrs. W. H. and J. A. Hill are making extensive preparations for another crop.

Mrs. Martha Robertson has remodeled and made additions to her cottage.

Our good friend, Rev. Henry Stokes, of Greenwood, paid us an appreciated visit last week.

Contractor J. H. Oulla has built a nice store for Mr. Harris.

Mr. Wade Golden has improved the appearance of his home very much.

The Misses Rampey, of Cokesbury, visited Miss Olivia and Mary Jones last week.

Mr. E. E. Martin, of Fairfield, is visiting the family of Dr. Jones.

The following officers and teachers have been elected to serve in the Sunday School for the ensuing year:

Hon. J. F. Morrison, superintendent; teachers: G. L. Graham, Misses Tolbert and Mary Jones, Mr. G. L. Graham, sec. and Treas. Josiah Cooper.

Messrs. Boggs & Neely have a first class meat market and are enjoying a large trade.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, setting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. WINTHROP COLLEGE NEWS.

A Weekly Letter from our Correspondent Among the Laurens County Girls at the State College.

Winthrop College, Jan. 21.—The general assembly spent Jan. 19, Gen. Robert E. Lee's birthday, at Winthrop. The morning was spent inspecting the buildings and grounds. After dinner, toasts, and music by the orchestra and Winthrop Glee club, all gathered in the auditorium, which was suitably decorated for Lee's birthday. Then came the entertainment: a parade of the counties which was enjoyed by all and pronounced a splendid success. The counties appeared on the stage in alphabetical order. Each county represented some well known incident in her history. For instance Aiken represented the Red Shirt Brigade; Anderson, Ku-Klux Klan; Edgefield, Tillman and his pitchfork and a toast to his twins, Clemson and Winthrop; Newberry, the inauguration of Blease; Greenville, The Dark Corner before and after prohibition, and a toast to Ansel; Marion, the Dinner to British officer; Marlboro, Anti-Pellagera Corn; Sumter, the game cock; York, the old and new learning. The first scene of York county was an old time school, the second the Winthrop Training school, and last appeared a girl impersonating Dr. Johnson and accompanied by the host of York county girls giving the Winthrop yell and singing the college song. Laurens county girls represented Horseshoe Robinson and gave the following toast: "Here's to Horseshoe Robinson and Mary Musgrove too. He's to Laurens county and here's—to you." Just before leaving the stage they gave a yell for Laurens county.

Besides the twenty-four girls from Laurens county, who are students at Winthrop, all the representatives from Laurens were present except one.

The Winthrop College Alumnae association is endeavoring to organize the former students of Winthrop into local chapters of Winthrop Daughters. Those interested hope to secure the organization of a chapter in each county before the end of the present scholastic year. A number of chapters have already been organized. The purpose of these chapters is to keep the former students in touch with the college, and to keep the college in touch with them. The president of the association will be glad to furnish a model constitution to anyone contemplating the organization of such a chapter. Inquiries addressed to the president of the Alumnae association, Winthrop College will be cheerfully answered.

The association expects to hold a meeting, followed by a reception at the State House in Columbia at eleven o'clock Saturday, March 25, 1911. No doubt there will be a large number of graduates and former students of Winthrop in Columbia at that time attending the State Teachers' association. They will all be invited to this meeting. Each chapter of Winthrop Daughters organized by that time is urged to have one or more representatives there as matters of importance will be discussed.

FOR CONSTIPATION.

A Medicine That Does Not Cost Anything Unless It Cures.

The active medicinal ingredients of Rexall Orderlies, which are odorless, tasteless and colorless, is an entirely new discovery. Combined with other extremely valuable ingredients, it forms a perfect bowel regulator, intestinal invigorator and strengthener. Rexall Orderlies are eaten like candy and are notable for their agreeableness to the palate and gentleness of action. They do not cause griping or any disagreeable effect or inconvenience.

Unlike other preparations for a like purpose, they do not create a habit, but instead they overcome the cause of habit acquired through the use of ordinary laxatives, cathartics and harsh physic, and permanently remove the cause of constipation or irregular bowel action.

We will refund your money without argument if they do not do as we say they will. Two sizes, 25c. and 10c. Sold only at our store—The Rexall Store—The Laurens Drug Co.

ANNOUNCEMENT CARD.

In making my announcement as a candidate for the office of Mayor of the City of Laurens, I submit below my platform:

I believe that better business methods should be introduced into the government of the city and further that the City Council should audit and O. K. all bills before payment.

The police department should be eliminated from municipal politics so that the officers would be untrammeled in the discharge of their duties. The police court should grant speedy trials and justice should be tempered with mercy.

I believe in open council meetings, that all who are interested could know what was done and doing. I believe in complying with the law by annual reports of receipts and disbursements (which has not been done in two years).

Respectfully submitted

W. H. Gilkerson, Sr.

MOUNTVILLE NEWS LETTER.

Changes Among the Farmers Noted—Interesting Church Services.

Mountville, Jan. 23.—Mr. Blease, of Saluda county has bought a house and lot in town, the former residence of John M. Simmons, and has moved to Mountville.

Mr. Duckett of the Rock Bridge section, has rented a farm and moved his family here.

Mr. John Grant, a former resident of Mountville, is again numbered among our citizens. He occupies the A. P. Fuller place on Beaverdam Creek, just vacated by Capt. Rep. Osborne who has gone to the J. A. P. Moore place near Laurens.

Rev. J. E. Covington, of Greenville, held his first service as pastor of the Mountville Baptist church on the 3rd Sunday. While here he preached three very able and interesting sermons, making quite a favorable impression upon the large congregations who greeted him.

Messrs. Griffin and Graden, of the Laurens cotton mills, will again test their fortune by the proverbial mule cord business. They are engaged in farming on Mr. J. H. Madden's place near Mountville.

Because of a slight indisposition of Pastor G. M. Hollingsworth, his appointment was filled at the Presbyterian church here Sunday by Dr. D. J. Brimm, of the Clinton college. Good congregations greeted him both morning and evening and were impressed with his logical discourses.

Mrs. Sallie Brimlett, of Laurens, spent several days here last week, visiting her brothers, Messrs. M. B. and W. R. Crisp.

We notice some signs of progress and prosperity here in the rebuilding and improvement of tenant houses and outbuildings. Also the early and thorough preparation for this year's crop is indicative of more abundance and better times.

The Union Meeting of the 4th Division of Laurens association will be held here with the Baptist church next Saturday and Sunday. An interesting program has been arranged and a good meeting is anticipated.

Miss Mary Martin, of the Mountville school, went to Greenwood Friday.

Play at Green Pond.

"All a Mistake" a farce comedy will be played in the school auditorium at Green Pond, on the night of February 3rd.

The public is urged to be present as this promises to be one of the best plays ever given at this place. Admission: Adults, 25 cents, Children, 15 cents.

The farmers are making good use of this beautiful weather turning their lands and preparing for a big crop in 1911.

The health of this community is fairly good now with the exception of chicken pox among the school children.

Mr. J. W. Fowler, and daughters, Misses Mamie and Nannie, visited Miss Lizzie Franks, near Barksdale, Saturday night.

The youngsters of this community enjoyed a musical given by Mr. W. B. Munday on the 20th. The musical was very much enjoyed by all who were present.

Much to the sorrow of his many friends, Mr. Elber McDaniel is suffering from an attack of rheumatism.

Mrs. Jon Finley and children spent Sunday at Madden with Mrs. Allison.

Mr. S. L. Madden has moved back to his former home near Friendship.

Misses Poran and Lucile Reid have been visiting their uncle, Mr. Walter Reid near Barksdale. They report a fine time.

WHEN HER BACK ACHES.

A Woman Finds all Her Energy and Ambition Slipping Away.

Laurens women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all these disorders. Here's proof of it in a Laurens woman's words:

Mrs. M. J. Hopkins, 324 Laurel St., Laurens, S. C., says: "I heartily recommend Doan's Kidney Pills to anyone suffering from kidney trouble, as I have used them with the best of results. At times I was considerably annoyed by a weakness of my kidneys and there were pains in the small of my back. Learning that Doan's Kidney Pills were good for such troubles, I procured a box at the Palmetto Drug Co. and began their use. Several doses gave me great relief and on occasions since then when I have felt any return of the annoyance, I have taken this remedy and in a short time it has always entirely disposed of my trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., New York sole agents for the United States.

Remember the name—Doan's—and take no other.

Try the free kidney remedy offered you by the Palmetto Drug Co. They ad in this paper tells you how to get it. No cost.

Funeral of William Lindsay.

Cross Hill, Jan. 23.—Mr. William Lindsay died at his home in Columbia last Wednesday and the remains were brought here for burial.

Mr. Lindsay lived here until some years ago. His wife who was Miss Lilla Martin and his parents are buried here. He leaves a son, Mr. Lafayette Lindsay and a daughter, Miss Helen Lindsay. He was about 59 years old.

A little child of Mrs. W. C. Hill died last Wednesday and was buried at the Presbyterian cemetery. It had been very ill with Scarlet Fever several weeks.

Appropriate exercises were held at the school here in honor of Gen. Lee's birthday, January 19th.

The friends of Rev. G. M. Hollingsworth will be glad to know that he is able to be out again after a tedious illness.

Mr. Hugh Leaman was over from Clinton yesterday.
