THE ELECTION.

The election yesterday threw into office a well rounded and progressive set of men. All that we have to say is that we hope that they will get together to do something for the town. Rip Van Winkle was presented at the Opera House last night. He awoke after a time. Lets see if we can't follow suit.

AGRICULTURE IN THE SCHOOLS.

We would direct the attention of the readers of this paper to the letter written from Winthrop College. It contains a very interesting item on the Agricultural Course being given there and which is also being given at the University. This course is intended to equip the teachers that go out from these two institutions with the fundamental ideas of plant growth, so that they will be able to impart their knowledge to the scholars all over the State and thus further the cause of modern agricultural advancement. Perhaps no course given at Winthrop will return so much in actual valuation to the people of the State.

When all of the colleges of the State add this course to their curriculum and all the teachers of the State are enabled to give this course in the rural and town schools, a great step will have been made toward material advancement. It is our hope that within a very few years every common school in the State will have such a department among its studies. The magnificent results cannot be overestimated.

Owings, R. F. D. 1.

The ladies of the Royal Florist Society of Owings, are having a chapel erected, which when finished will add a great deal to the town.

Mr. H. B. Humbert surveyed a new road, last week, between Owings and Durbin Creek Church. When graded it will be of great benefit to the church and community.

Misses Fannie Sloan and Belle Nickels were the guests of Misses Effie and Nivria Cook last Saturday night.

Rev. Dwyer, who was once a Catholic Priest in Italy, preached a fine sermon at Durbin Creek church last Sunday. The ladies of the Missionary Society at that place are arranging for a course of lectures from him the first of April.

Miss Daisy Putnam, expects to go to Atlanta in a few days, to purchase her spring millinery.

Mr. Ludy Curry and sister have moved to Owings. They are occupying the Garrett residence.

The health of the community is very good at this time.

THERE'S NO RISK.

If This Medicine Does Not Benefit You Pay Nothing.

A physician who made a specialty of stomach troubles, particularly dyspepsia, after years of study perfected the formula from which Rexall Dyspepsia Tablets are made.

Our experience with Rexall Dyspepsia Tablets leads us to believe them to be the greatest remedy known for the relief of acute indigestion and chronic dyspepsia.

Their ingredients are soothing and healing to the inflamed membranes of the stomach. They are rich in pepsin, one of the greatest digestive aids known to medicine. The relief they afford is almost immediate. Their use with persistency and regularity for a short time brings about a cessation of the pains caused by stomach disorders.

Rexall Dyspepsia Tablets will insure healthy appetite, aid digestion and promote nutrition. As evidence of our sincere faith in Rexall Dyspepsia Tablets we ask you to try them at our risk. If they do not give you entire satisfaction, we will return you the money you paid us for them, without question or formality. They come in three sizes, prices 25 cents, 50 cents and \$1.00. Remember you can obtain them only at—The Rexall Store—The Laurens Drug Co.

Biliousness Need Not Be So Common.

Much of the suffering from bilious attacks can be easily avoided, for the liver and stomach promptly responds to proper treatment.

Too often people neglect biliousness as a minor complaint, forgetting that acute attacks are only a warning that the condition may become chronic. Glymph's Right-a-way Liver Tonic acts upon both the liver and stomach. We have testimonials from some of the worst chronic cases in the State who have been cured of indigestion when everything else has been tried and failed. Indigestion causes the liver to become inactive and thereby causes you to become bilious.

Glymph's Right-a-way Liver Tonic is a genuine Specific for the Liver and indigestion.

Don't suffer from indigestion and biliousness when you can get well for 50 cents.

A STEADY DRAIN.

Sick Kidneys Weaken the Whole Body Make You Ill, Languid and Depressed.

Sick kidneys weaken the body through the continual drainage of life-giving albumen from the blood into the urine, and the substitution of poisonous uric acid that goes broadcast through the system, sowing the seeds of disease. Loss of albumen causes weakness, languor, depression. Uric poisoning causes rheumatic pain, nervousness, nausea, cricks in the back, gravel and kidney stones. The proper treatment is a kidney treatment, and the best remedy is Doan's Kidney Pills. Great Laurens cures prove it.

J. T. Griffin, of Laurens, S. C., says: "Several years ago I was bothered by a lame and aching back. I heard so much about Doan's Kidney Pills that I decided to give them a trial and procured a box at the Palmetto Drug Co. I began using them according to directions and from the results received, I am willing to recommend them, as I have no doubt that they are a valuable kidney remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
