

Silver Wedding Anniversary.

This was a very delightful occasion in the hospitable home of Mr. and Mrs. John Mill when a few friends met to celebrate with them their twenty-five years of married life.

Their handsome home was once the residence of Mr. William Mills, who is so pleasantly remembered by our older citizens as the very courteous and successful merchant of long ago in this city.

It was a real pleasure to the guests, after the delicious dinner had been enjoyed, to go out with Mr. and Mrs. Mills and Miss Lucy Martin their lovely sister whose home is with them, and see the evidences of the thrifty and progressive farming methods all around.

A gasoline engine in the barn, beside doing many other duties faithfully, pumps water from the well and distributes it through pipes into the house, the yard, and the various lots for the stock.

AVOID HARSH DRUGS.

Many Cathartics Tend to Cause Injury to the Bowels.

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation.

This preparation is called Rexall Orderlies. These are prompt, soothing and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless and colorless.

Combined with other well known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy.

They may be taken at any time, either day or night, without fear of their causing any inconvenience whatever. They do not gripe, purge nor cause nausea. They act without causing any pain or excessive looseness of the bowels.

They are ideal for children, weak, delicate persons and aged people as well as for the most hearty person. They come in two size packages, 12 tablets 10 cents, 35 tablets 25 cents. Remember you can obtain them only at our store—The Rexall Store. The Laurens Drug Co.

The University Letter.

The health of the university is most excellent. There has been no serious sickness here this year.

The enrollment at present is 407. This is the largest attendance in the history of the institution. During the presidency of Wm. C. Preston, the number enrolled was 216. This was the maximum enrollment before the Civil War.

The Carolina students come from every walk of life, especially do we find the sons of the common people. Our people have come to realize that the place where their sons and daughters can get a good education most economically is the State Institutions.

Flinn Hall, the student home, with the genial secretary is of untold value to the students. The legislature and his excellency, the governor, realized this and gave a very liberal appropriation for its support.

The Thursday night lectures continue to be very interesting and instructive. Prof. Tate gave a very fine talk on Rural Schools last Thursday evening. At the same time this week, Prof. Carson will lecture on, "The Colors of the Spectrum."

The following new courses are being offered at the University this spring: "Negro Life in the South," by Dr. G. B. Moore; "A course in Agriculture" by Prof. A. C. Moore. This course is given primarily for the teacher students who are going out to teach in the public schools.

The State High School Athletic Meet will take place at the University on April 29. All interested should write to Mr. F. E. Scofield, Physical Director.

The death of Mr. Zach McGhee, one of Carolina's most illustrious alumni, cast a veil of sorrow over the campus. Mr McGhee was at one time professor of Physics at the University.

Has Millions of Friends.

How would you like to number your friends by millions as Bucklen's Arnica Salve does? Its astounding cures in the past forty years made them. Its best Salve in the world for sores, ulcers, eczema, burns, boils, scalds, cuts, corns, sore eyes, sprains, swellings bruises cold sores. Has no equal for piles. 25c at Laurens Drug Co. and Palmetto Drug Co.
