The Advertiser will be glad to receive the local news of all the communities in the county.

The Watchman & Southron says G. C. Bingham is a fugitive "in foreign lands."

For the information of advertising managers in cities without the postal savings bank, we take "great pleasure" in saying that these banks do not have to publish statements at regular advertising rates nor do they even advertise at all.

THE AGRICULTURAL TRAIN.

We had a fine rain again last Wednesday for which we are grateful. Crops look well and are growing nicely. We hope this time the rain was general and that the drought is broken.

Mr. J. W. Barber, a recent graduate of Furman University, made an interesting address to the "Mirriams" at the Presbyterian church last Sunday afternoon.

The friends of Mr. Edwin Wasson are glad to know that he is at home from the hospital and is about well again. He was badly hurt a few weeks ago by a kick from his horse.

Miss Lizzie Griffin of Newberry was the guest of Mr. and Mrs. M. T. Simpson last Saturday.

Messrs. Ellis Fuller, Lyl Leaman, Paul McGowan, Earl Rasor, Mayes Hanna and also Miss Ruth Simmons are at home from college.

It is unnecessary to suffer this terrible trouble. Keen torture is the everyday lot of the sufferer from piles.

And yet that suffering is needless. Laurens Drug Co., and druggists everywhere will sell you Hem-Roid and later return your money if it fails.

We have sold Hem-Roid that way for two or three years and refunds asked have been less than 3 per cent. We therefore recommend it with confidence.
