

WOMEN'S MONUMENT TO BE UNVEILED

December Fourteenth With Appropriate Ceremonies.

INVITATIONS SENT TO VETERANS AND SONS

It is Expected that a Large Number of South Carolinians Will be in Columbia at the Unveiling—Col. O. G. Thompson Issues Orders to Local Veterans.

The South Carolina division of the United Confederate Veterans and the South Carolina division of the United Sons of Confederate Veterans have been notified by special orders, issued by their respective commanders, that they have been invited by the commission in charge of the erection of a monument to the South Carolina women of the Confederacy to attend the unveiling exercise in Columbia at noon on Thursday, December 14.

The special order to the United Confederate Veterans from Maj. Gen. B. H. Teague reads as follows:

The Confederate veterans of the State are hereby notified that an invitation has been given them through the commander, and now extended to them to attend and be present on the occasion of the unveiling of the monument to the South Carolina women of the Confederacy, in Columbia, S. C., at noon, December 14, 1911.

It is especially requested by the committee in charge that as many as possible appear in uniform. The county papers are requested to copy this order.

The women's monument commission, through its secretary, Capt. Wm. E. Gonzales, has extended to the South Carolina Division United Sons of Confederate Veterans, a cordial invitation to be present at the unveiling of the monument to the South Carolina women of the Confederacy in Columbia at noon, December 14, 1911. This occasion is one of peculiar interest to the sons since the keeping of this memorial is to be entrusted to the custody and care of the South Carolina division, U. C. V. and U. S. C. V. All of the members of the Sons of Veterans are hereby urgently requested to attend this event, and I trust that a large number will be present. All officers and commanders are requested to wear their uniforms on this occasion.

(Signed) A. L. Gaston,
Commander.

In addition to inviting every member of the chapters and camps, the commission has asked every chapter and camp to delegate two of its members, whom the commission will provide with seats on the speakers' stand.

It is expected that the railroads will give very low rates to Columbia for Thursday, December 14, as in addition to the unveiling of the monument to the South Carolina women of the Confederacy, the South Atlantic States Corn exposition will be open, and thousands of South Carolinians will visit the capital city on that day.—The State.

UNIVERSITY NEWS.

Letter From the South Carolina University Where Thirty Laurens Boys are at Work—Personal Mention.

University of South Carolina, Nov. 27.—As our county is represented here at the university by thirty young men, the greatest number of any county in the state, I am sure that the readers of the Advertiser will be interested in the things that are going on here.

One of the most important movements made by the student body is the organization of "The Woodrow Wilson League of College Men," the object of which is "to promote the candidacy of Woodrow Wilson for the presidency of the United States."

This organization was formed by the student body on Wednesday night November 15th, almost the whole student body joining it.

A meeting of the law students was held in the chapel on November 9th, and it was determined to raise \$10,000 to erect a separate law building. Many enthusiastic speeches were made by different law students. The students themselves subscribed \$4,000 and it is hoped that their undertaking will be crowned with success. The alumni of the university and the bar as a whole in South Carolina will no doubt gladly contribute to the cause.

On Saturday, November 18th, on Davis Field the "Gamecocks" were defeated in a closely contested game of football by the "Presbyterian Lads" of Davidson College, by a score of 10 to 0.

Our team meets the Citadel bunch on the gridiron Thanksgiving and that being the last game of this season, we hope that we shall be able to wind up the season with a crowning victory on our side.

Of the many extensions courses offered by the university, is one in agriculture, which will be given by Messrs. Ira W. Williams and A. G. Smith, who are experts in this particular line.

One of the regular Thursday night lectures will be given by Prof. Francis W. Bradley on "German Student Life" (illustrated) in the chapel on next Thursday night, November 30th. Prof. Bradley spent the year in Germany on leave of absence from the university and consequently he is well acquainted with the subject.

It is gratifying to learn that Prof. Baker, who has been in the hospital for the past week, is now able to meet his classes.

Our gymnasium has been recently improved by installing in it a set of Spalding apparatus.

It is gratifying to the many friends of Mr. J. P. Coats, of the class of '11, who is now the principal of the Trinity-Ridge high school, to know that he is getting along so nicely with his work. Mr. Coats was very studious, a Christian worker, and made many friends during his college life.

Mr. William Fellers of Mountville has had a very serious attack of fever at his home, but we are glad to know that he is able to be up, and we hope that he will soon be back with us.

Mr. William Wharton, of Cross Hill, went home last week to attend the marriage of his sister, Miss Annette to Mr. Charles Kirk, of Jacksonville, Fla., but he is now back with us.

CAN YOU ASK MORE!

Your Money Back for the Asking—You Promise Nothing.

We are so confident that we can furnish relief for indigestion and dyspepsia that we promise to supply the medicine free of all cost to everyone who uses it according to directions who is not perfectly satisfied with the results. We exact no promises and put no one under any obligation whatever. Surely nothing could be fairer. We are located right here where you live, and our reputation should be sufficient assurance of the genuineness of our offer.

We want every one who is troubled with indigestion or dyspepsia in any form to come to our store and buy a box of Rexall Dyspepsia Tablets. Take them home, and give them a reasonable trial, according to directions. If they don't please you, tell us and we will quickly return your money. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity. Three sizes, 25c, 50c, and \$1.00. Remember, you can obtain Rexall Remedies only at our store—The Rexall Store, The Laurens Drug Co., 103 Main Street.

MOUNT OLIVE.

Mt. Olive, Nov. 28.—Mr. W. E. Washington is at home, his school having closed at Mountain Rest Friday. He commenced his school at Mt. Olive Monday.

Mr. J. B. Hill and family visited Mrs. Hill's parents at Laurens last week. Mrs. Lizzie Washington, Mrs. W. E. Washington and Mrs. Tabie Webb visited relatives in Greenville county last week.

Several from this section attended the Traynam-Madden wedding Sunday.

HOW TO CURE RHEUMATISM.

It is an Internal Disease and Requires an Internal Remedy.

The cause of Rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. Rubbing with Oils and Liniment will not cure, affords only temporary relief at best, causes you to delay the proper treatment, allows the malady to get a firmer hold on you. Liniments may ease the pain, but they will no more cure Rheumatism than paint will change the fibre of rotten wood.

Science has at last discovered a perfect and complete cure, which is called "Rheumacide." Tested in hundreds of cases, it has effected the most marvelous cures; we believe it will cure you. Rheumacide "gets at the joints from the inside," sweeps the poisons out of the system, tones up the stomach, regulates the liver and kidneys and makes you well all over. Rheumacide "strikes the root of the disease and removes its cause." This splendid remedy is sold by druggists and dealers generally at 50c and \$1 a bottle. In 16 oz. form at 25 and 50c a package. Get a bottle today. Booklet free if you write to Bobbitt Chemical Co., Baltimore, Md. Trial bottle tablets 25c by mail.
