SENATOR WANTED BLEASE IMPEACHED

Stirring Times in the Legislature During the Last Session—Senator Waller, of Greenwood Goes on Warpath.

Columbia, Feb. 29.—The 1912 session of the general assembly was brought to a close at 3:45 o'clock this afternoon after one of the stormiest days of the session.

The house refused to concur with the senate to take a recess until March 17. The lower branch, adjourned at 3:30 o'clock and the senate was forced to concur.

The members left for their homes this afternoon and tonight.

The senate, after the stormiest session of the year, in which the governor was warmly denounced by Senator Waller, of Greenwood, who called upon the house to vote to impeach him if he further ignored recommendations of the general assembly, and in which denunciations Senator Waller was little opposed by other senators, sent to the governor a list of appointments recommended by it, some of which the governor had formerly refused to consider, and all of which he ignored when he sent his final message to the senate, telling the body that he had no further communications for it and stating that he would leave in the afternoon for the upper part of the state, where he had an engagement.

Christensen-Clifton Resolution.

Senators Christensen and Clifton introduced the following resolution, which was adopted and sent to the governor:

"That the senate in session hereby advises for appointment as supervisors of registration for:

"Greenville county: C. L. Verdin, J. M. Ferguson, P. A. McDavid;
"Newberry county: W. W. Riser, A. D. Shigh, C. R. Wheeler;
"Anderson county: E. T. Tolleson;
"Beaufort county: E. M. Bostic;
"Spartanburg county: E. G. Willis, C. W. Mabry, W. W. Miller;
"Union county: Gordon Williams, Syler Bebe, M. C. Gault;
"Lexington county: James D. Langford, E. Stanmore, J. Hayes;
"Greenwood: B. H. Barr, J. V. Duffie, R. B. Hinton; and for appointment as magistrates for:

"Newberry No. 11 township: J. J. Kinard;
"Beaufort county, Fort Royal, Dauskule, W. W. Scouten;
"Lexington, E. H. Addy;
"Greenwood county: Greenwood, W. H. Kerr; Coronaca, G. Medlin; Bradley, J. P. Guernard; Verdery, W. W. Purdy;
"Anderson: Iva, H. W. Hanks; Sandy Springs, S. M. Johnson; Pendleton, J. J. Sitton.
"Rock Hill, J. P. Anderson.
"Spartanburg county: Spartanburg, A. H. Kirby, W. C. Harrison, E. Potter and D. T. Gossett; and

"That the senate consents to the same as supervisors or registration and magistrates and requests that the governor appoint the same in accordance with sections 176 and 98 of the Civil Code of 1902, volume 1."

The Denunciation.

The break in the proceedings of the senate causing the denunciation of the governor came when a committee, consisting of Senators Appelt, Wharton and Hough, was instructed to wait upon the governor and ascertain if he had any further communications for the senate. The governor to this committee gave his answer to the resolutions adopted in the senate Wednesday, asking the governor to appoint the recommendations sent by the senate. The governor stated to members of the committee that he had until March 19 to exercise his constitutional right as to the appointments and that he had nothing further to present to the senate. He said he proposed to exercise his constitutional rights as governor of the state.

At this point Senator Waller got the floor and the storm broke. He said the constitutional rights of the senate were to advise the governor as to appointments and that the governor was constitutionally bound to respect the recommendations.

Senator Appelt asked Senator Waller: "Suppose the senate advises appointments and the governor refuses to commission, what then would you advise to be done?"

Impeachment.

Senator Waller replied: "If the house has any backbone it will vote to impeach him (the governor)."

Senator Clifton said that if the senate, being in session, submits for appointment, the governor is bound by law to make the appointments or allow the offices to hold open.

Senator Waller was the orator of the day and his words were those of war. He held the floor for a long time and urged the senate to uphold the prerogatives of the state. He said that a crisis had been reached and called upon the senators to "do your duty." He urged them to remain in session until the crisis had passed. He characterized the senate as "the power behind the governor."

He said he was sorry the governor

GOES TO FLORIDA.

J. Archie Willis Reenters Newspaper Business in Key West.

J. Archie Willis, a young member of the house from Laurens county, has gone to Key West, Fla., to re-enter the newspaper business. This was Mr. Willis' first term in the house. He created something of a sensation early in the present session by denouncing as false on the floor of the house certain statements in a special message from Gov. Blease.

Mr. Willis formerly owned several weekly papers in the Piedmont section of South Carolina, but he sold his interests last fall. His departure for Key West, to accept the position of city editor on a daily paper in the Florida city was a surprise to many of his friends.—The State.

Children are much more likely to contract the contagious diseases when they have colds. Whooping cough, diphtheria, scarlet fever and consumption are diseases that are often contracted when the child has a cold. That is why all medical authorities say beware of colds. For the quick cure of colds you will find nothing better than Chamberlain's Cough Remedy. It can always be depended upon and is pleasant and safe to take. For sale by all Dealers.

DESCRIBE EFFECTS OF STRANGE NEW LIQUID

Persons Who Have Tested It Say Rheumatic Pains Vanish, Appetite Grows and Indigestion Disappears as if by Magic.

To the many local people who have followed the recent startling reports of strange cures that have been brought about by the use of the new Root Juice medicine, which has created so much excitement in Atlanta and other places, the following descriptions of its remarkable effect upon diseased conditions in many cases will be found most interesting.

Mr. Albert Timlick, of Cantrall, Ill., who was a great sufferer from indigestion, loss of appetite, pains, bloating, belching and other common symptoms of a badly deranged stomach, tells this story of his experience:

"My condition was such that I could not keep down a glass of water. I had suffered for two years and tried many kinds of medicines without benefit. I was almost dead one evening, when I sent for a bottle of the Root Juice and felt better as soon as I had taken three or four doses. I kept on using it and now I can keep anything on my stomach. Root Juice has done wonders for me."

Mr. D. P. Kerr, of Bellefontaine, O., tells the following story of his experience with the medicine:

"I was the victim of severe stomachache and kidney trouble and grew weak, thin and nervous from the long and continuous suffering. My stomach was sore and painful. Most of the time I could not digest my food. I would get up in the morning with a headache and so weak I could scarcely dress myself. I frequently had bilious spells, coated tongue, bad taste in my mouth and smothering sensation. My kidneys would act often but very scant and painful."

"I spent many dollars for medicines and treatment but could not even get relief. When this new medicine, Root Juice, became known here, I was one of the first to get it. Before long I noticed an improvement. I am on my fourth bottle now and feel much better in every way. My appetite is good. I sleep well. I eat what I want and digest my food. The soreness has gone from my stomach and my kidneys no longer give me any trouble. I am free from headaches, am gaining in strength and have gained in weight."

Others who have used it for rheumatism say that its effect is marvelous and that after taking it a short time the pain and soreness vanish. The stiffness goes and the swelling soon disappears, the joints and limbs become limber and strong and the general health improves.

Local druggists can now supply the Root Juice in three-quarter pint bottles at only one dollar each.

NOTICE OF THE County Treasurer.

The Books of the County Treasurer will be opened for the collection of State, County and Commutation Road Taxes for fiscal year, 1911, at the Treasurer's Office from October 15th to December 31st, 1911. After December 31st, one per cent. will be added. After January 31st, two per cent. will be added, and after February 28th, seven per cent. will be added till the 15th day of March, 1912, when the books will be closed.

All persons owning property in more than one Township are requested to call for receipts in each of the several Townships in which the property is located. This is important, as additional cost and penalty may be attached.

HOW TO REMOVE FRECKLES

Wilson's Freckle Cream Is Positively Guaranteed to Do the Work.

Letters are constantly being received by the makers of Wilson's Freckle Cream from prominent ladies saying that they have at last discovered how to remove freckles.

Just because you happen to have freckles is no reason why you should always have them.

Mrs. M. J. Rivers wrote from Bernese, Switzerland, saying: "If after giving Wilson's Freckle Cream a fair trial it does not cure your skin, there is no remedy for you. I always took the best care of my skin, but freckled dreadfully and could get no remedy until I found Wilson's Freckle Cream. One jar of Wilson's Freckle Cream will cause your freckles to perceptibly fade, and the second jar will entirely remove them.

The druggist is instructed to return your money to you if it doesn't do just what we claim for it.

Try a jar today. You'll be delighted with its fine effect on your skin. If your druggist cannot supply you, send 5 cents to the Wilson Freckle Cream Co., Charleston, S. C., and they will send you a jar.

INTERSTATE FERTILIZERS

APPLYING THEM IS LIKE PLANTING DOLLARS

INTERSTATE FERTILIZERS are made of plant foods, so mixed that the food is available to the plant all through growth. Never is the crop starved. The needed elements are supplied at the right time. The crop is nourished to a full growth.

Therein lies the skill of mixing fertilizers. We make these fertilizers as accurately as a druggist compounds a doctor's prescription. The analysis on every bag is lived up to. There is no guess work—no mystery.

It is but the result of scientific mixing. We must know what are the best sources of plant foods—which are quickly available—which are slower—which are slowest.

It must be known exactly what elements are drawn from the soil by each crop—the amount of plant foods that they require. It would be utter waste to apply certain plant foods upon certain soils for certain crops.

So we have INTERSTATE FERTILIZER for each crop that the South grows. The needed elements are supplied. The fertilizer is suited to the soil and crop.

And that is why INTERSTATE FERTILIZERS are winning prestige everywhere—why they are causing increased yields.

Our booklet would prove interesting to you. It tells of our tested formulas for Southern crops. Write for it to-day and the name of our nearest dealer.
