SCHOOL COLUMN.

Although the boys of the Laurens high school base ball team played good ball Friday afternoon they were badly defeated by the Trinity-Ridge boys on the latter's grounds.

Skovgaard, who charmed the people with his sweet music last year, was with us again Friday night. Those who heard him were even more pleased than before and all seemed to think that he improved on acquaintance. Miss Wright, his pianist was simply fine, in fact, the best that we have had in any of the lyceum attractions. Miss McClung, did her part well. They were each presented with a handsome bouquet which they appreciated very much. Skovgaard paid our school a splendid compliment when he said "You have the best school here that I have visited in all my travels."

Considering the number of pupils we have enrolled we have been exceedingly fortunate to have very few accidents, so we were shocked Saturday morning to hear that Frank Armstrong better known among the boys as Bu Boo, a popular sixth grade pupil, had been shot. He with some of his friends were rabbit hunting and he thoughtlessly took the butt of his gun to run a rabbit out of a brush pile. When the trigger struck the brush the load went off, the whole load entering his arm and side. At first it was feared that he was fatally wounded, but Dr. Earl of Greenville, who performed the operation expressed himself as feeling confident that he would recover.

Rev. A. I. Hair, of Cross Anchor, conducted the usual devotional exercises in chapel Monday morning.

The high school pupils were glad to see Rev. Mr. Thayer and his friend, Rev. Mr. Cannada, a missionary from Brazil Monday morning. Rev. Mr. Cannada spent part of the time in the rooms giving the pupils some valuable information about Brazil.

Girl's Athletic Club.

The Girl's Athletic Club has been organized. A constitution has been adopted. The officers chosen are:

- President, Kathleen Wilkes.
- Vice President, Harriette Simpson.
- Secretary, Pauline Nelson.
- Treasurer, Caroline Roper.

April 5th has been appointed for a "Field Day." The races planned for are, the sack race, three-legged race, hobble skirt race, hopping race, fifty-yard dash, the high jump, jumping rope race, the potato race and the obstacle race. These are all very interesting and amusing. Hope that we will have many spectators to enjoy them.

Prizes are to be awarded to the winners in each race. Some of these are two boxes of candy, a book, a vase, pair of scissors, a gold bar pin, one dollar's worth of moving picture tickets, etc. A game of basket ball will be played between the two high school teams, the "Reds" and "Yellows."

SUNDAY SCHOOL QUESTIONS.

(Copyright, 1910, by Rev. T. S. Linscott, D. D.)

The Paralytic Forgiven and Healed. Mark 11:1-12.

Golden Text—Bless the Lord, O my soul and forget not all his benefits, who forgiveth all thine iniquities, who healeth all thy diseases. Ps. ciii:2-3.

(1.) Verse 1—How long will an earnest Christian be in a shop, store or community before it is "noised that he is in the house?"

(2.) Verse 2—Was it Christ's person, his teaching or his miracles that attracted the crowd?

(3.) What are the attractions in this community which draw the biggest crowds?

(4.) If a preacher lives in close contact with God will he be certain in a populous community to attract the crowd? Why or why not?

(5.) If Jesus were to come here to reside and preach the same doctrine as in those days would he be popular with the average church member? Why?

(6.) Verse 3—Of how much benefit is it in these days to bring our sick ones to Jesus?

(7.) How would you characterize one who did nothing to comfort the sick, relieving the poor or help people in their trouble?

(8.) Which more nearly imitate Jesus in caring for the sick, the churches or the societies? Give your reason.

(9.) Verse 4—If we are fully determined to have the members of our families saved by Jesus what can prevent us?

(10.) What qualities do you most admire in these four men for their insistence in bringing their sick friend to Jesus?

(11.) Verse 5—Which is the more calamitous and why, a palsied body or a palsied soul?

(12.) What relation had the faith of these four men with the forgiveness of the sins of the sick man?

(13.) How long does it take God to forgive the sins of a man who is really penitent?

(14.) Verse 6-7—Does Jesus here state that he forgave this man's sins or that God had forgiven him?

(15.) If any man of God is assured that a seeker of salvation is truly penitent, why may he not pronounce to him that his sins are forgiven? (This is one of the questions that may be answered in writing by members of the club.)

(16.) Verse 8—Was mind reading peculiar to Jesus, or have others a similar gift? Give your reasons.

(17.) Verses 9-12—The healing of this sick man was clearly a miracle. Was the forgiveness of his sins also a miracle?
