

WATTS MILLS

Watts Mills, Oct. 28.—There was very good attendance at prayer meeting last Wednesday night. Rev. Mr. McLin began a series of meetings at Watts mills church last Sunday night. These meetings will probably continue through the week. Bro. McLin preached Sunday night from the text "Restore unto me the joys of thy salvation", found in the fifty-first Psalms, from this text he drew three very important points. First, that there is joy in salvation; second, that this joy can be lost and third, that it may again be recovered. It is trusted that the people will turn out at this meeting in great numbers to hear this servant of God deliver to a dying world the glad gospel message of the Son of God. It is also hoped that during this week a great revival shall break out in the hearts of every true believer and that hosts of sinners may accept God's mercy and be saved. Mr. J. A. Marler visited in Clinton last Saturday. Again last Saturday night at eight o'clock, the Watts mills company gave their employees another treat in the way of a concert company. At eight o'clock the auditorium was filled to overflowing and all enjoyed themselves far over an hour listening to the fine music and songs delivered by the Cosmopolitan Four. These entertainments are certainly enjoyed by the people here, and they are certainly grateful to those who so kindly engage these entertainers to come to Watts Mills. During the past quite a number of these entertainments have been given and all of them were fine and the people always look forward to the announcement of their coming. Well, frost has come once more to undress the earth of her beautiful mantle of green. And now people will gather around the fireside during the long winter nights to read and talk of the long ago. Mrs. Lizzie Riddle is much improved at this writing and her many friends hope soon to see her out again. Last Wednesday night the Lucas Avenue Baptist church, in regular conference, decided to ordain to the ministry, Mr. Jno. A. Marler, Bro. Marler, for a number of years has

been licensed by this church to preach and during that time has so proven himself that the church deemed it wise to ordain him to the full gospel ministry. Bro. Marler is a strong man in the faith and we are certainly glad to send such a one from our midst to proclaim the everlasting gospel of the Son of God. We rest assured that many great opportunities lie out before this brother, and believe that the Lord will do great things through him for the advancement of His Kingdom here below. It is sincerely hoped that as this brother goes out to labor in the Master's vineyard, that some nearby vacant field will call him to labor among them and that he shall not be suffered to go from our midst to some more distant work. Rev. J. D. Bowen of Kinards, S. C., visited at the home of Rev. J. M. Trogdon, last week. Mr. Walter Kelly who was quite ill last week, is much improved and able to be about his work. Mr. James Compton, who has also been on the sick list, we are glad to report is also improving. The united M. B. P. Sunday school class is progressing nicely with Bro. J. W. Prior, president and Bro. J. A. Marler as teacher. It is hoped that more will come out and join the class. The doors stand open for all who will come, regardless of denomination or belief, so be on hand next Sunday morning at ten o'clock at the auditorium and get your name on the roll. It is also necessary to bring to mind the fact that the regular Sunday school is progressing nicely also, held in the church every Sunday morning at ten o'clock. One and all come out and bring all the little ones. It would certainly gladden the heart of the beloved superintendent, Bro. C. H. Sims to see all the children and older ones labouring in the Sabbath school, so be on hand next Sunday, don't forget. Watts mills is a beautiful village, and new comers move in every day, almost. They are certainly coming to a good place. For those who have lived here long don't want to leave, and those who have left, we are sure want to return for there are not many mill towns that can get ahead of Watts. Everybody is hospitable, friendly and home-like. The overseers in the mill are kind and noble men and all run on smoothly, and with all this, added to the beautiful location, why should it not be called a good place?

LOCAL DRUGGIST MAKES STATEMENT

Says Dodson's Liver Tone is the Best Remedy for Constipation and Shirking Liver he has Ever Sold. Every person who has tried Dodson's Liver Tone and knows how surely and gently it starts the liver to working and relieves biliousness will bear out the Laurens Drug Co. in this statement about Dodson's Liver Tone. "It is a purely vegetable liquid, that entirely takes the place of calomel, harmless and pleasant to the taste, that has proven itself the most satisfactory remedy for a slow-working liver that most of our customers have ever tried. A large bottle sells for fifty cents and we do not hesitate to give the money back to any person who tries a bottle on the strength of this statement and is not satisfied with the result." In these days of doubtful medicines and dangerous drugs, a statement like the above is a pleasant assurance that Dodson's Liver Tone is a reliable remedy for both children and grown-ups. In buying a bottle for immediate or future use it is well to make sure you are getting the genuine Dodson's Liver Tone and not some spurious imitation that has copied our claims, but do not stank back of their guarantee. You may be certain of getting the genuine if you go to Laurens Drug Co. for it.

The State Fair.

Indications are that the South Carolina State Fair, October 28th to November 2, will be the largest in the history of the Society. Columbia is preparing for the great gathering of the people of the State.

SYMPTOMS OF CONSUMPTION

Yield to Vinol. The medical profession do not believe that consumption is inherited, but a person may inherit a weakness or tendency to that disease. A prominent citizen of Evansville, Ind., writes: "I was ill for five months with pulmonary trouble, and had the best of doctors; I had hemorrhages and was in a very bad way. Through the advice of a friend I tried Vinol, and I feel that it saved my life. It is all you recommend it to be. I believe it is the greatest medicine on earth. I have advised others to try Vinol, and they have had the same results." (Name furnished on request.) Vinol soothes and heals the inflamed surfaces and allays the cough. Vinol creates an appetite, strengthens the digestive organs and gives the patient strength to throw off incipient pulmonary diseases. Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

LAURENS DRUG CO. Laurens, S. C.

The Cosmopolitan Four.

The Cosmopolitan Four, the first attraction of the lyceum course, was given at the graded school Friday evening and was enjoyed by a fairly largely audience, which, by the way, the ladies expected to be larger. With the exception of the painful attempt at being funny, indulged in at odd times, the company gave a most creditable performance, one that would compare favorably with any of the lyceum numbers. The attraction was above the average and if the "backers" of the course continue to give as good numbers, doubtless the course this year will prove very enjoyable.
