HILLSIDE NEWS.

Hillside, Messrs. W. Y. Weathers, G. F. and C. L. Weathers, all of Hillside, were in Fountain Inn, Saturday. Mrs. Alma Knight and Mrs. F. L. Weathers were recent visitors to relatives near Fountain Inn.

S. B. Eskew, one of Hillside's most progressive farmers, made a business trip to Greenville, Wednesday. The Hillside singers have been tendered an invitation to attend the all-day singing at Highland Home church on Saturday, Nov. 2.

Hillside farmers are going to make more potatoes in 1913 than they did in 1912, at least, they expect to. This is the community where a man orders from 8 to 10 thousand potato plants. It will take at least, 100,000 to furnish the farmers of Hillside, this year.

Hillside cane has, at last, been made into "home-made molasses". This was a small crop, owing to the long drouth here. The total crop will amount to something like 1000 gallons. This record speaks well for a little community like this. It's a fact that no other section beats this one. This one thousand gallons of syrup means a saving of 500 dollars in cold cash to the man behind the plow.

We are real glad to know that several intelligent farmers in other sections are to come over into Hillside another year. By their coming, this section will be benefitted in many ways, and besides, they will not regret their move, for this is a typical community of Quakers, in regard to friendship, for here, friendship is at a greater value than kinship—and the people are sturdy farmers—and are real kind. Here the rich and poor work side by side, the landlord and the tenant. They deal in a business-like way, as man to man; as brother to brother, for they know truly that they all are equal at last in the glory of their end.

We want good systematic farmers in Hillside. Here we extend a welcome hand to you, to come over into the land of wealth and happiness, will you come?

If you have young children you have perhaps noticed that disorders of the stomach are their most common ailment. To correct this you will find Chamberlain's Stomach and Liver Tablets excellent. They are easy and pleasant to take, and mild and gentle in effect. For sale by all dealers.

MOUNT OLIVE.

Mount Olive, Oct. 28.—The farmers in this section are busy sowing oats, the rains for the last few weeks having detained them.

Mrs. Amanda Redden returned Sunday from Mr. Eddie Pitt's, where she had been on a week's visit.

We are sorry to hear that Miss Juliette Pitts is still quite sick. Rev. James Graham, of Greenville, filled Rev. Mr. Brock's appointment at Mt. Olive Saturday and Sunday. He preached a fine sermon which was enjoyed by a large congregation.

Mr. and Mrs. Butler Washington, of Ware Shoals, were among the visitors at Mt. Olive Sunday.

Mrs. John Wells of Coronaca is spending this week with her daughter, Mrs. J. H. Culbertson.

Saved By His Wife. She's a wise woman who knows just what to do when her husband's life is in danger, but Mrs. R. J. Flint, Braintree, Vt., is of that kind. "She insisted on my using Dr. King's New Discovery," writes Mr. F., "for a dreadful cough, when I was so weak my friends all thought I had only a short time to live, and it completely cured me. A quick cure for coughs and colds, it's the most safe and reliable medicine for many throat and lung troubles—grip, bronchitis, croup, whooping cough, quinsy, tonsillitis, hemorrhages. A trial will convince you, 10 cents and \$1.00. Guaranteed by Laurens Drug Co. and Palmetto Drug Co.
