LAURENS COTTON MILL. UNION MEETING.

Laurens Mill, March 10.—After a few days of sunshine, gardening is in full blast, it would be surprising to know the amount of vegetables raised around the mills and it surely is quite a saving to the people. Now how about a cleaning up day, if every one would agree to set apart a day to have a general cleaning up of their premises it would add so much to the looks of our little town and I am sure we would have the co-operation of our outside foreman, Mr. Montgomery, in the work.

To the pastors of our town I shall say in behalf of our people, that your work is appreciated and lets stand by them and see how near we can come in making this the model mill town of the state in church attendance. Rev. L. S. Shealy is the pastor of the Second Baptist church. Rev. W. H. Lewis, pastor of the Second M. E. church. J. L. McLin, pastor of the Presbyterian church. These good men have visited most every home in this town in the last few weeks in the interest of the church and Sunday schools.

Rev. L. S. Shealy left on last Monday for Atlanta, to spend a few days at the Bible conference. Messrs. R. J. Franks and L. A. Murray attended the burial on last Sunday of Miss Francis Day. Mr. and Mrs. Hugh Anderson visited the home of Mr. Willie Walker on last Sunday.

Mr. and Mrs. Montgomery spent the week-end with their son John Montgomery of this place. The little babe of Mr. and Mrs. Ford Bramlett is very sick at present and we are very anxious to see the dear little fellow make a change for the better.

Mr. J. B. Thompson is out again from a few days spell of the gripe. On Saturday afternoon before Easter the Sunday school of the Second Baptist church will have an easter egg hunt. A big time is expected with the children. This Sunday school is increasing in number every Sunday, having divided three classes in the last few Sundays. The pastor of this church preaches eleven sermons each month, having three churches.

The church work generally seems to be very encouraging here, as all the pastors and workers are united in their efforts. Many sufferers from rheumatism have been surprised and delighted with the prompt relief afforded by applying Chamberlain's Liniment. Not one case of rheumatism in ten requires any internal treatment whatever. This liniment is for sale by all dealers.

Why Salves Can't Cure Eczema

Since the old-fashioned theory of curing eczema through the blood has been given up by scientists, many different salves have been tried for skin diseases. But it has been found that these salves only clog the pores and cannot penetrate to the inner skin below the epidermis where the eczema germs are lodged. This—the quality of penetrating—probably explains the tremendous success of the well known liquid eczema remedy, oil of wintergreen, thymol, glycerine, etc., as compounded in D.D.D. Prescription. We have sold other remedies for skin troubles but none that we can recommend as highly as this for we know that D.D.D. stops the itch at once. We just want you to give D.D.D. a trial. That will be enough to prove it.

Of course all other druggists have D.D.D. Prescription—go to them if you can't come to us—but don't accept some big profit substitute.

But if you come to our store, we are so certain of what D.D.D. will do for you that we offer you a full size bottle on this guarantee—if you do not find that it takes away the itch AT ONCE, it costs you not a cent.
