

A New Remedy for Indigestion Gets Country Wide Endorsement

The new remedy for indigestion called "Digestit" has been found a certain quick relief and permanent remedy for stomach disorders. Letters from thousands who had suffered the tortures of indigestion and got relief from the use of Digestit are evidence of its merit. The enormous increase in demand from every part of the country is proof of its popularity. But you do not have to take anybody's word for it—try it yourself on an absolute guarantee, get a package and if you don't get relief you can get your money back for the asking. Brown's Digestit is a little tablet easy to swallow and absolutely harmless. It digests all the food, prevents fermentation, stops gas formation, prevents stomach distress after eating, aids assimilation, and relieves indigestion instantly. Laurens Drug Co., Laurens, S. C.

SHILOH LETTER.

Shiloh, April 28.—Farm work is being pushed unremittingly. Some are through planting corn and some are through planting cotton. A good rain would be appreciated as gardens and small grain need moisture.

N. B. Jamison, boss spinner of the Pelzer Manufacturing Co., and Joe Bigbee, an auto man, passed through here Saturday afternoon on their way to Laurens.

The pupils of Shiloh school are preparing to have a picnic on the 3rd of May when the school closes.

Mrs. Kate Goodgions, widow of the late Mr. J. E. Goodgions, died at the home of her daughter, Mrs. Mary Griffin, of Greenville, on the 25th. The deceased was brought to Gray Court Saturday and was laid to rest at the Goodgions family burying ground, beside her husband, who died about 22 years ago. She was between 65 and 70 years old. She was a high toned lady. She was a native of New York. Before her marriage she was a Miss Bennett. She leaves four children to mourn her loss. W. B. Goodgions, of Athens, Ga., J. G. Goodgions, of Macon, Ga., Mrs. H. S. Wallace, of Shiloh and Mrs. Mary Griffin of Greenville. The bereaved family has the sympathy of the community.

Mr. John McDolte, of Fountain Inn, has moved to the home of his father-in-law, J. C. Hellams where he will assist in farming until the cotton season opens up. Then he will go back where he will be employed as cotton weigher.

Our worthy farmers are going right along with the planting of cotton, corn, etc. The most of the farmers learnt "just a little" last fall. They have changed, in some respect, this spring. They have started out this time with a bundle of hope and a longing to reap a profitable harvest. Farmer's have a lot to learn. A man never gets too old to learn something about farming. Merchants, etc., are honorably classed by Commercial "gencies"—Farmers are not. But, when our worthy farmers wake up from their long sleep, and learn their business, and attend to it, then, the man behind the plow, will come in for, and receive, his honors.

There are no girls in all the world as pretty as those that reside in this community. Rather a bold statement, but we back it up. How's Laurens? Harold and James Eskew were in Folk Shoals, Friday.

Master Sammie Tollison, who has been very sick with pneumonia, is some better at this time.

BE A CHARMING WOMAN

You never saw a beautiful woman who didn't have beautiful hair. The charms of a beautiful woman lie in her hair. Many women do not realize the attractions they possess because they do not give proper attention to the hair.

The women of the "400" are famed for their beauty, not because their facial features are superior to those of other women, but because they know how to keep young by supplying vigor, lustre, and strength to the hair.

Up to a few years ago Parisian Sage could hardly be obtained in America. But now this delightful hair restorer can be had in every town in America. The Laurens Drug Co. sells it in Laurens for 50 cents a bottle, and guarantees it to grow beautiful, luxuriant hair; to stop falling hair, eradicate dandruff.

Only One Way to END CATARRH

Reach the raw, tender, inflamed membrane infested with Catarrh germs, and destroy them.

You can't reach the nooks and crevices with liquid preparations—there is only one way—breathe the germ destroying air of Booth's HYOMEI (pronounce it High-o-me) directly over the inflamed and germ infested membrane.

HYOMEI contains no opium, cocaine or other harmful drugs. It is a balsamic air made of Australian eucalyptus, thymol, and some Listerian antiseptics. It is guaranteed to end the misery of Catarrh and Croup or money back. It's fine for Colds and Coughs.

Ask Laurens Drug Co. about Booth's HYOMEI outfit today—it is only \$1.00 and they guarantee it. Extra bottles, if later needed, 50 cents. Just breathe it—no stomach dosing.

JUDGE GAGE MAY RUN.

Friends Urge Him to Offer for Supreme Court Seat.

Chester, April 26.—Judge George W. Gage of this city will be brought out by his friends to succeed Justice Charles A. Woods, who has been appointed by President Wilson to succeed Judge Goff on the federal bench.

Judge Gage, so his friends say, is the logical man for the place, being one of the oldest in tenure of years on the circuit judges, as well as a most able jurist. He received the strong indorsement of the legislature in the last race for a position on the State supreme court. His promotion to the place, his friends declare, would not only be a well deserved reward for faithful service, but likewise a gain to the State of another gifted member of the already distinguished court.

Don't Wait for the Wood to Show Before You Paint!

Postponing painting is like putting off payment of taxes. You are only piling up expense. The wise man paints often, so that there is always a protecting film of paint between his house and the elements. The more durable the paint, the less often this must be done.

The most durable paint in the world is

ATLANTIC WHITE LEAD
(Dutch Boy Painter Trade Mark)
AND PURE LINSEED OIL

when mixed to suit the conditions of the wood. All good painters do it this way. Make sure that yours does it, too, and that he uses Dutch Boy white lead and linseed oil.

What

a great improvement would be made in the condition of horses and other animals if just the proper remedy were used when they became ill or injured. If your horse could talk he would ask you not to use any external remedy containing alcohol because it stings and tortures his flesh terribly. Some liniments have alcohol and other fiery ingredients which only inflame the skin and tissue without striking down to where the pain lies. Beware of such liniments. The great humane, quick-action remedy is MEXICAN MUSTANG LINIMENT. Made of oils, without a drop of alcohol or other torturing element, it soaks straight to the bone and muscle. It soothes the wounded parts and is comforting while the healing work is progressing. Mexican Mustang Liniment is what you want because it

Makes

your work lighter, saves your livestock from suffering and keeps them in good trim for work. For all forms of Lameness, Strains, Bruises, Cuts, Burns, Galls and Harness Sores in animals, it is safe and prompt and does not promise what it cannot perform. Mustang Liniment has been doing its wonderful healing work for 65 years. The amount of money it has saved livestock owners is incalculable. One man writes that he was about to kill his valuable horse because badly injured but Mustang Liniment made him well again. A Veterinary tells us he has used Mustang Liniment fifteen years and found it best liniment for cuts, strains, etc. And many others are enthusiastic friends of this tried and true remedy. Now you know just what makes
