A Splendid Concert.

Prof. Harry Horsfall, director of music at the Columbia Female College, rendered a delightful organ recital at the Methodist church last Tuesday evening. A large and appreciative audience gathered to hear him and none went away disappointed. Prof. Torsfal rendered his program in masterful style appealing strongly to the audience that heard him. His program was a varied one, intended largely to bring out the fine qualities of the organ, though it served to show the versatility of the musician. Two duets, one vocal by Mrs. H. K. Alken and Mrs. C. E. Parker and another instrumental by Messrs. John Inman and Charles McCravy, gave variety to the concert and made it even more enjoyable. A liberal offering was taken up during an intermission.

ENTERTAINING SLIDES FOR SCHOOL BENEFIT

Beautiful Western Slides to be Shown at the Opera House the Latter Part of this Week.

Supt. B. L. Jones has again succeeded in procuring another large loan of stereopticon slides showing scenes in Colorado and other states of the west. As many will pleasantly recall, Mr. Jones secured a large number of these slides about this same time last year and they proved such an attractive entertainment that he got into communication again with the western Chautauqua which owns them and was able to borrow another set of them this time. The slides are generally shown in the larger cities where the opportunity of reaching larger crowds is afforded, but Mr. Jones has been able to get them again for Laurens. They come here direct from Newark, N. J. A lecture will be read along with them, telling of the different scenes shown.

In addition to the slides, other forms of entertainment will be furnished. The graded school chorus will sing several selections, the victrola will be brought into commissions for several numbers and lastly Mr. Lavender will show several motion pictures appropriate to the occasion.

The entertainments will be given Thursday and Friday night beginning at 8 o'clock and Friday afternoon beginning at 4 o'clock.

The admission will be five and ten cents. Moving picture tickets already out will not be accepted for these entertainments. The entertainment is for the benefit of the school.

OLD SOLDIERS SCRAP.

Feature Memorial Day Exercises in North Carolina Town.

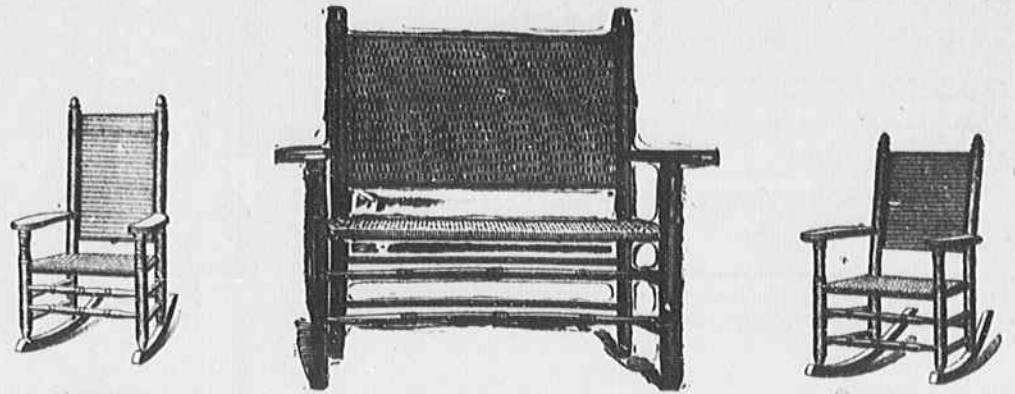

Durham, N. C., May 10.—A sensational incident featured Memorial Day exercises here when Gen. Julian S. Carr, millionaire tobaccoist and division commander of the United Confederate Veterans, and Major Hamilton, commanding the Webb camp of Confederate Veterans in Durham county, engaged in a fist fight in the court house. It seems that trouble between Gen. Carr and Major Hamilton grew out of difference of opinion concerning the line of march for the veterans. Following a meeting of the veterans at which Major Hamilton presided Gen. Carr ordered the major under arrest. After the fight Gen. Carr picked up Major Hamilton's glasses and handing them to the major reminded him that he was still under arrest. The men later "made up."

WATTS TAKES THIRD.

Won from Lydia Mills Last Saturday by a Score of 5 to 0 in Good Game on Local Grounds.

The third game of the C. N. & L. League schedule was played on the Watts Mill grounds Saturday between Lydia of Clinton and Watts. The game was interesting notwithstanding the fact that it was one sided. The Lydians put up an excellent fielding game but couldn't make many safe connections with Hill's twisters. Fisher for the locals got away with three safeties and added as many runs. Hill pitched a good game for Watts and helped himself to two singles. Nelson, for the visitors, pitched winning ball but his team couldn't help any when it came to making scores. The scorers account gives the game in detail.
