WHY IT SUCCEEDS.

because It's for One Thing Only, and Laurens People Appreciate This. Nothing can be good for everything. Doing one thing well brings success.

Doan's Kidney Pills are for one thing only. For weak or disordered kidneys. Here is reliable evidence of their worth.

Mrs. C. Todd, Broad St., Clinton, S. C., says: "I had kidney trouble and when I heard about Doan's Kidney Pills, I began using them. They soon cured me and I have not been bothered since. I strongly recommend Doan's Kidney Pills."

The above is not an isolated case. Mrs. Todd is only one of many in this vicinity who have gratefully endorsed Doan's. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Todd had. 50c all stores. WATTS MILLS

Watts Mills, June 9.—Rev. W. H. Lewis, the Methodist pastor, has been conducting a protracted meeting here for the last two weeks. Bro. Lewis preached strong and impressive sermons at every service and it is believed that lasting good has been accomplished in the series of services that come to a close Sunday night.

The Baptists will begin a protracted meeting here the third Sunday in June. The pastor, Rev. G. C. Hedgepeth, will be assisted in this meeting by Rev. J. A. Brock, of Greenville. Bro. Brock is one of the former pastors of the Lucas Avenue Church and a man dearly loved by a greater portion of the Watts Mills people. It is trusted that all the people will attend these services and that a great revival shall break forth and many precious souls be born into the Blessed Kingdom of our Lord.

The Watts Mills school closed to a close last Friday. All the children and teachers enjoyed a nice picnic at Yarborough's mill. This has been a most successful session and the children have advanced greatly in their studies.
