If You Use Our Springs and Mattresses

So Comfortable
 If you only know how COMFORTABLE—how ENDURING you would never be content without

THE STEARNS & FOSTER

Look for our name **MATTRESS** on every Mattress

A POSITIVE GUARANTEE ON EVERY MATTRESS.
 By the use of a special "Webbing Process," used EXCLUSIVELY in all Stearns & Foster Mattresses, the tiny Cotton fibres are woven and interwoven into thin, gauzy sheets—delicate as the most priceless lace; 300 of these gauzy sheets are required to make the NINE LAYERS of Cotton.

These "layers," when ready, stand TWO AND A HALF FEET HIGH. They are then compressed to a thickness of FIVE INCHES—making the mattress soft, yet firm, so that, while it sustains the body COMFORTABLY at every point of contact, it is soft without yielding.

The "Laced Opening" shown here is on every Stearns & Foster Mattress. It shows you the quality of the cotton in the VERY MATTRESS YOU BUY.

You want to be sure that the mattress you buy is PURE, not filled with "Mill Sweepings," foul "Shoddy" or other impure materials that would INJURE your HEALTH—YOU ARE SURE IT IS PURE IF IT'S A "STEARNS & FOSTER."

Come in and let us show you these mattresses—INSIDE AND OUTSIDE. They are the most comfortable—most durable and handsomest mattresses made. Several styles to choose from; prices the lowest consistent with quality.

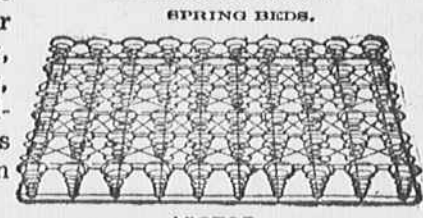

We are sure we can suit you both in quality and price, for better mattresses cannot be made or sold for less money.

Come and let us show you the **BEST** values ever offered in Mattresses at \$2.50, \$3.00, \$4.00, \$4.50, \$5.90, \$7.50, \$10.00 and \$12.50.

"I tell my friends that the good old Victor is the best I ever slept on. It sustains me perfectly, conforms to every curve of my body, is noiseless and provides an independent support for my wife, who weighs only 120. She is better pleased than I am."

Family Reunion.

The annual family reunion was celebrated at Grandpa's and Granny's (Mr. and Mrs. C. P. Martin) house last Saturday. Four generations were represented. Their children, six in number, all brightly present. Three were twenty-five grand-children and seven great grand-children. Some of those failed to get there. With that exception nothing happened to mar the pleasure of the day. At noon an elegant picnic dinner was spread and we did justice to it. As the day was drawing to a close and good-byes were being said, all declared it was the best they had ever enjoyed; may God bless Granny and Grandpa and may they live to celebrate many more such occasions is the wish of—
 "One Who was There."
