# J. C. BURNS & COMPANY'S

## Big 13 Days Sale Opened Saturday

With a Big Crowd of Customers and the sale is going right on until August 16th. Come this Week and Avoid the Rush.

### 13 Days--RED HOT SELLING--13 Days.

This Sale is no miracle it's just a plain problem of simple arithmetic figuring the prices down lower than you can buy the same goods wholesale. We are loading our rapid-firing guns heavy and we expect to fire 16 times to our enemy's one. We are well fortified in our own building at No. 118 North Main Street, and we have this building and a warehouse packed full of (Goods) amunition and our rapid-firing guns are our lowest prices, which shoot the Goods out the front door of the Red Iron Racket at a rapid gate.
