LAURENS, S. C., OCTOBER 8, 1913.

The Advertiser will be glad to receive the local news of all the communities in the county. Correspondents are requested to sign their names to the contributions. Letters should not be mailed later than Monday morning.

Welcome Pythians! The city is yours for today. A primary has been suggested to settle the district attorney-ship mud-dle. The county fair is to be held Friday, October 17th, for fear any have forgotten the date. Have you saved up any circus money?—Greenville Piedmont. Yes! Almost got enough. Every now and then we hear favor-able mention of the plan to close the stores every evening at an earlier hour than has heretofore been cus-tomary. Begin to get the "heart right" before a petition is circulated.

A primary has been suggested for the purpose of nominating candidates for U. S. district attorney and mar-shal. It seems as if the administra-tion might appoint suitable men to these offices without inflicting us with any more primaries. While the origi-nal nominations sent by the attorney general were somewhat unfortunate from a political standpoint, both men would fill the offices creditably and they should receive the nomination. Dilatory tactics in this matter will certainly cause dissatisfaction and the longer the selection is put off the larger will be the sores to heal.

COCAINE USE. The arrest by the sheriff's office of three men charged with transporting cocaine should prove the opening of a determined campaign to stop the traf-fice in this dangerous drug. It will be remembered that about a year ago a contributor to The Advertiser charged that the sale of this drug was growing by leaps and bounds and that the negroes in large numbers were becom-ing addicted to its use. Recent inst-ances of heinous crimes in several states committed by negroes under the influence of the drug show that the use of it is confined to no special locality but that it is becoming com-mon in every section. The injurious effects of the drug are so pronounced and of such dangerous character, both to the user himself and to those with whom he comes in contact, that string-ent efforts should be put forth to stop the sale of it. Possibly the use of it is no more prevalent in Laurens county than elsewhere, but judging from reports cocaine is getting a strong foothold here.

FOR MUTUAL BENEFIT. It cannot be stressed too often that the success of the county fair depends upon the interest which the farmers take in it and that the benefits to be gained from it will be almost wholly theirs. The citizens of Laurens join with the rural population in working and wishing for a successful exhibi-tion, but in the long run, they can do nothing but encourage and lend support. To the farmers themselves is left the burden, and it must be con-sidered in the light of a burden, of profiting from the lessons taught there. It can not be repeated too often that the county fair, such as is to be held here, is intended as an educa-tional institution for the immediate benefit of the farmers and the ultimate benefit of us all and that the amuse-ment idea has no place in the minds of the managers. It is our course the people are not expected to come to the fair grounds wearing an elongated expression suggestive of pain, but they are not expected to come anticipating a side-show exhibi-tion. Everybody is expected to come with light hearts and jovial spirits, ex-pecting to reap the pleasures of social intercourse with friends and neigh-bors and to enjoy the benefits to be

gained from observance of improved methods in agriculture and stock-rais-ing. Come with a smile, leave with a smile, but carry off with you some-thing worth while, something to be used for your own and your neigh-ber's advancement. If that is done this county fair will have proved it-self a valuable institution.

ROUND UP OF COCAINE VENDERS.

Sheriff Owings and Other Officers Ar- rested Three Negroes in Clinton for Transporting Cocaine. Three negroes have been lodged in the county jail by Sheriff Owings on the charge of transporting cocaine, they having been arrested in Clinton after a systematic plan had been car-ried out by the sheriff, Deputy Reid and Chief Mason of Clinton, to entrap them in the nefarious traffic. The negroes arrested were Arthur Gary, Robert Hill and Nathan Williams. The arrests were made after the negroes had taken several shipments of cocaine from the post office. The sheriff's office got wind of the expedit shipment and laid nets to catch the consignees. Plans worked out as ex-pected and the negroes were caught with the goods on them. They had in their possession enough of the dope to kill quite a number of people.

The shipment of cocaine through the mails for illegal use is prohibited by federal laws and this violation has been reported to the postal authorities and it is probable that the shippers will be caught in the net spread for the consignees. No warrant has as yet been issued for them, but the post office department is expected to take some action in the matter.

IF CHILD IS CROSS, FEVERISH AND SICK

Look Mother! If Tongue is Coated, Cleanse Little Bowels with "California Syrup of Figs." Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California" Syrup of Figs, and in a few hours all the constipated waste, sour bile and undigested food passes out of the sys-tem, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels. Ask your druggist for a 50-cent bot-tle of "California Syrup of Figs", which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeiters sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt. A. F. M. Meeting. A regular communication of Water-loo Lodge No. 286, A. F. M. will be held at Waterloo Friday night, the 10th of October. S. E. Williams, Secretary.

CLINTON LETTER.

Clinton, Oct. 6.—Mr. W. Lowndes Ferguson, one of the town's oldest and most highly esteemed citizens, died last Wednesday night after an illness of only a few days. Just a week before his death he was stricken with paralysis and gradually grew worse until the sad end came. Mr. Ferguson was 68 years old and had resided here practically all of his life. He was born in Laurens county, near Sardis church. He was a Confederate veteran, and was en-rolled in Company E, 6th cavalry. He served Laurens county for two terms as auditor and was clerk and treas-urer for the town of Clinton for several years.

The funeral services were held on Thursday afternoon at the Presbyteri-an cemetery, being attended by a large concourse of relatives and sor-rowing friends. He was buried with Masonic honors. He is survived by his wife and daughters, Miss Julia of this place, Mrs. Archer of Atlanta, and one son, Mr. Persey Ferguson of Whitmire.

Minister Praises this Laxative. Rev. H. Stubbing of Allison, Ia., in praising Dr. King's New Life Pills for constipation, writes:—"Dr. King's New Life Pills are such perfect pills no home should be without them." No better regulator for the liver and bowels. Every pill guaranteed. Try them. Price 25c at Laurens Drug Co.
