

WORKING TO SELL RED CROSS SEALS

Organize for Sales in South Carolina. Officers Are Chosen.

Columbia, S. C., Oct. 2.—Expecting to sell at least 1,000,000 Red cross seals in this State for Christmas, the South Carolina branch of the National Red Cross association for the prevention of tuberculosis has been organized. This branch, which has been duly commissioned, will have entire charge of the sale of stamps in this State.

It is planned that in every town of 200 or more population the association will have an agent. The importance of the work and the great good that is being done will be emphasized and the new organization in South Carolina expects to have a large sale this Christmas.

Officers have been elected as follows: Arch B. Calvert, Spartanburg, president; Dr. John C. Dawson, Charleston, vice chairman; Miss Louly Shand, Columbia, vice chairman, and Dr. Reed Smith, Columbia, executive secretary and treasurer.

Offices will be opened at 509 Union National bank building. Through the kindness of the bank the association has been able to secure the office at an extremely low rate.

Dixon von Blarcon, national field secretary of the association, came to Columbia and assisted in the organization of the South Carolina branch. The Columbia tuberculosis committee, which has charge of the Fisher foundation, loaned the committee money to begin work on. It is planned to sell about \$2,000 worth of stock.

People of South Carolina are familiar with the Red Cross seal plan and will cooperate with the committee. The stamps sell for one cent each.—The State.

Poplar Spring Dots.

Poplar Springs, Oct. 4.—We are having some fine weather now and the farmers are availing themselves of it to gather the fleecy staple, and some are sowing oats, which all ought to do for the present outlook is that corn will be high next year. And it is to the interest of every farmer to make what feedstuffs he needs and not let the present price of cotton induce him to plant all cotton another year. Your correspondent attended the Laurens Baptist Association which met with Warrior church last Tuesday to Thursday and think we had one of the best meetings we have had for several years. The hospitality of the community was all that could be desired.

Mr. G. H. Siebert went to South Georgia this week in a visit to his brother-in-law Mr. P. H. Bridwin and to look around with a view of moving out there.

Mr. Twiman Pitts and his sister, Mrs. McKissick, visited Laurens Thursday.

We know of no serious sickness in the community at this writing.

There will be an all day singing at Poplar Spring church the third Sunday in this month led by Professors Hale and Stephenson from Anderson. All are invited and especially all good singers are earnestly requested to come and help us sing and enjoy the day with us.

TYLERSVILLE DOTS.

Tylersville Oct. 5.—We are having fine weather now. The farmers are busy as the cotton is opening fast. A good many from the neighbor went to Bethany yesterday. Rev. Jacobs gave a fine sermon.

We all were glad to see Miss Byrd back to take charge of the Langston school.

Mr. W. C. Winters was in Laurens Saturday.

T. P. Poole was in Cross Anchor last Friday on business.

Mr. Russell Patterson visited Mr. Tom Poole last Thursday.

Mrs. Mattie Sanders visited in Clinton last week.

Mrs. Mattie O. Clark spent Sunday with Mrs. Tom Poole.

Rev. Louis of the Laurens Mills preached at Sandy Springs Sunday afternoon. We enjoyed his sermon very much.

It is lonely these days since so many of our girls have gone to school.

Miss Lily Peterson is visiting in Anderson this week.

Avoid Sedative Cough Medicines.

If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia use cough medicines that contain codine, morphine, heroin and other sedatives when you have a cough or cold. An expectorant like Chamberlain's Cough Remedy is what is needed. That clean out the culture beds or breeding places for the germs of pneumonia and other germ diseases. That is why pneumonia never results from a cold when Chamberlain's Cough Remedy is used. It has a world wide reputation for its cures. It contains no morphine or other sedative. For sale by all dealers.

SUMTER BOY COMMITS SUICIDE.

Ratliff Morris, Age Twelve, Shoots Himself Through Heart.

Sumter, October 5.—Ratliff Morris, the 12-year-old son of Mrs. Ella T. Mirris, shot himself through the heart with a pistol ball some time yesterday afternoon, the body being found last night. When discovered the body was sitting up in a chair in his room in front of the mirror, the pistol was lying on the floor by the chair with an empty cartridge in one cylinder. The doors had been locked and windows closed to the room, showing the evident intent of the small boy to end his own life.

Mrs. Morris, who is the widow of the late Jesse T. Morris, formerly one of the guards at the State farm at Hagood, had been out during the afternoon and did not know when the boy came in the house. That night she began to get worried that he did not come in but supposed that he was still at work up-town. She went to his room and found the door closed, but although she thought this strange she did not investigate further. Shortly before midnight another brother came in and was told that his younger brother had not returned from work. As it was long after his work hours and it was found that he had left there in the afternoon and had not returned, entrance was made to the room through the window and the body was discovered.

No reason is known why the boy should have wished to end his life, and the tragedy came as a great shock to the members of his family. An investigation was made by the coroner and doctor, but it was deemed unnecessary to hold any inquest as everything pointed to suicide.

Breakfast in a Good Warm Room

PERFECTION SMOKELESS OIL HEATER

A "warm" breakfast—the kind that sends you out ready braced for a good day's work—should be eaten in a warm room.

You lose half the good of the meal if you are shivering in discomfort while you eat it. A Perfection Smokeless Heater makes breakfast a cozy meal for the whole family.

No smoke or smell with a Perfection. Easily cleaned. Easily moved from room to room. An ornament anywhere; a luxury in the bedroom; a necessity in the sewing-room or the bathroom.

Dealers everywhere; or write for descriptive circular.

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Household.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst. I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my household. I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off. I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I fattened up and grew so much stronger in three months, I felt like another person altogether."

Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.
