WINNERS OF THE SPECIAL PRIZES.

DISTRICT NO. 1.

Miss Clemegene Teague, First Prize \$10.00
Miss Sarah Rebecca Richey, Tie for Second Prize 5.00
Master L. W. Highy, Jr., Tie for Second Prize 5.00

DISTRICT NO. 2.

Miss Emma J. Dial, Cross Hill, First Prize \$10.00
Miss Gladys Fuller, Waterloo, Second Prize 5.00

The little race for special prizes closed Saturday night with two of the children a tie for second place in District No. 1 and several others behind just a very little. We have added an extra five dollar gold piece, and will give each of the children five dollars instead of dividing the five dollars that was given for second prize. In District No. 2 the race was even more keen and exciting than in District No. 1, and we must say, if the candidates of No. 2 show the same energy and perseverance during the balance of the contest that they have shown up to this time, Laurens will have to take second place and see their competitors in District No. 2 carry off the title of "most popular child" and the \$150 in gold.

The Contest Manager has a very special offer to make this week. To the child, in each district, turning in the highest number of months by Nov. 22nd, 1913, we will give \$20 in gold. The winners will be the children turning in the highest number of months. A subscription for six months counts for six months. One for a year counts for twelve months, one for two years counts for 24 months, one for five years for 60 months. Suppose, for instance, you should get a subscription for six months, one for a year and one for two years, the total number of months would be 42 months, and to the child in each district who has the highest number of months we will give \$20 in gold.

Everybody has an equal chance in this race, the field is open to all. It is a fair field and no favors. It will depend entirely upon how much interest you show in your child's campaign. If you are not interested and go to it in a half-hearted way, how can you expect your friends and neighbors to be interested. If you are already hustling for subscriptions, coupons and tickets, if you continue to hustle right up to the last moment, you are very likely to be pleasantly surprised as the result of your labors. There is room for plenty of good work in both districts. Carry your campaign with you wherever you go. Talk contest to everyone you meet, and don't be discouraged by any of the stories afloat. Ninety-nine of these stories are not true, nor could they be true if one just stopped to think it over in a cool, dispassionate manner. Do not let anyone who is prompted by envy turn you aside from your course.

Do something on every day of the week, not merely one day, but every day. Ask everyone you meet to trade with the merchants who are giving tickets. Instruct them that they must ask for tickets at the time they make the purchase. Don't be beaten and above all do not get discouraged. Would you admit, even to yourself, that some other child stands higher in the public estimation than yours? Certainly not.

This ought to be a banner time for all. With \$20 in gold in each district, your friends surely will give you their subscription if they ever intend to. To those who are in arrears on their subscriptions it should be a pleasure to pay the charming solicitors that we have in the field at present. There

is nothing that one can do for a mother that will please her or compliment her so highly as to do something for her child and when you take a subscription to The Advertiser you are doing that very thing.

GREAT MASS OF PROOF.

Reports of 30,000 Cases of Kidney Trouble, Some of Them Laurens Cases.

Each of some 6,000 newspapers of the United States is publishing from week to week, names of people in its particular neighborhood, who have used and recommended Doan's Kidney Pills for kidney backache, weak kidneys, bladder troubles and urinary disorders. This mass of proof includes over 30,000 testimonials. Laurens is no exception. Here is one of the Laurens cases.

Arthur Hudgens, farmer, Laurens, S. C., says: "For six months I suffered intensely from pains in the small of my back and it was out of the question for me to lift. My back ached constantly and in the morning when I first got up, I was very lame. I tried easily, felt nervous and had headaches and dizzy spells. The secretions from my kidneys passed too frequently and this weakness was always worse when I caught cold. In a short time after I began using Doan's Kidney Pills, they relieved me and one box made a permanent cure."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States.

Remember the name---Doan's---and take no other.

WOMEN SUBJECT TO KIDNEY TROUBLES

I beg to say that I have been a constant sufferer with severe pains in my back and was on the verge of nervous prostration resulting from kidney trouble and other complications. A friend of mine recommended Dr. Kilmer's Swamp-Root as a sure cure for these troubles. Acting upon her advice I began taking Swamp-Root and began to improve before I had finished the first bottle. I continued its use until I had taken several bottles and continued to improve until I was completely cured. I am happy to say that I am as well as any woman on earth and have been so for the past nine years, thanks to Dr. Kilmer's Swamp-Root, and I cheerfully recommend it to all who suffer from kidney troubles. Very truly,

MRS. MVA BAXTER,
407 Cypress St., Orange, Texas.
Subscribed and sworn to before me this 11th day of March, 1912.

Declare War on Colds.

A crusade of education which aims "that common colds may become uncommon within the next generation" has been begun by prominent New York Physicians. Here is a list of the "don't" which the doctors say will prevent the annual visitation of the cold:

"Don't sit in a draughty car."
"Don't sleep in hot rooms."
"Don't avoid the fresh air."
"Don't stuff yourself at meal times. Over-eating reduces your resistance."
"To which we would add---when you take a cold get rid of it as quickly as possible. To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by all dealers."
