CERTAINLY IN RACE

WRITES COLE BLEASE

Former Governor Tells Anderson Man He Will Be in the Running Again This Summer.

Columbia, Jan. 24.—Former Governor Blease has given out the following letter pointedly announcing his candidacy for the governorship:

Columbia, S. C., Jan. 20, 1916.
 Hon. J. Mack King, Anderson, S. C.

My Dear Mack: Your kind letter of the 17th instant, received, and I appreciate very highly indeed the complimentary remarks contained therein in reference to myself.

I would have answered earlier, but Sheriff's association, the warehousemen's meeting, the supreme court, the United States court and the legislature all being in session here this week, many people from different parts of the state have been in the city and I have been very busily engaged in various conferences with our friends.

In reply to your direct question, I beg leave to say that, since the conference of this week, I have definitely and finally decided to be a candidate for the office of governor in the campaign this year, and you can say to your friends that at the proper time I shall pay my assessment, file my pledge and walk into the race; and, unless all signs change, I will win. The only thing I ask of my friends is that they go to the ballot boxes, when they are first opened, and remain until the last vote is counted and see that we are not robbed. This is my final determination. If my friends will do that, the victory is ours, and the people of the state have in power men who are representatives of the interest of all the people, and who will see that equal rights are given to all and special privileges to none.

I have engagements to make several speeches and shall, from now on, devote my time to the interest of my supporters, and invite all white Carolinians who believe in an honest, faithful administration, free from prejudice, and where poor and rich, alike will be received and made welcome, to join in our success. Let our battle-cry be "Love of God, love of home, and love of our country—justice to all and oppression of none."

Give my love to all the boys and, with kindest personal regards and best wishes to you, I am,
 As ever, your friend,
 Cole.

Girls--Do You Know Why Your Hair Is Ugly?

It is astonishing how much good looking hair does toward producing a youthful appearance and still more astonishing to realize how much the attractiveness of the hair is affected by the care we give it.

Loving care and frequent attention are as necessary to keep a woman's hair beautiful and luxuriant as is the tooth brush to keep the teeth from decay.

Every woman who values the beauty of her hair as she ought to do should make it a never broken habit to frequently apply a little Parisian Sage, rubbing it briskly into her scalp with the finger tips.

Parisian Sage is Nature's modern handmaid to beautiful feminine hair. It is a simple, harmless compound of wholesome, nutritious ingredients that make an ideal lotion for nourishing both hair and scalp. It feeds and builds up the delicate hair and scalp structures making the hair soft, lustrous, brilliant and easy to dress and arrange. The Laurens Drug Co. and many other of our best druggists sell Parisian Sage and gladly recommend its use.

Old and New Catarrh To Treat Catarrh

Breathing a Germ Killing Air Endorsed by Actual Results.

The discovery of Hyomei has wrought a wonderful change in the treatment of catarrh.

Prior to three years ago the medicines ordinarily employed in the cure of this disease were drugs, sprays, lotions, etc. In some instances they benefited, but the improvement was not lasting.

With Hyomei you take into the air passages of your throat and head a balsamic air that goes into the minutest cells, and should effectually kill all germs and microbes of catarrh. Its purpose is to enter the blood with the oxygen, killing the germs in the blood, and restore health to the whole system. Many astonishing testimonials have been received from those who have been helped by Hyomei.

A complete outfit is inexpensive and includes an inhaler, dropper and sufficient Hyomei for several weeks' treatment.

Perhaps the strongest evidence that can be given to doubters, is the fact that the Laurens Drug Co. have so much faith in Hyomei that they sell every package under a positive guarantee to refund the money if it does not relieve.

TRIBUTE OF RESPECT.

Whereas on January 10th, 1916, God in his wisdom has seen fit to remove from us one of our best and quietest young men, Willie Horton, Be it resolved;

First, That we, his Sunday school class, deeply mourn our loss and feel that no one can fill his place. We meekly bow to the will of our Heavenly Father.

Second, While we grieve at his departure from this life on earth, we rejoice that our loss is his gain.

Third, That we extend our sincerest sympathy to the heart-broken family and pray God to sustain and comfort them in this sad hour of affliction.
