

NATIONAL SLOGAN SUGGESTED BY PROMINENT MEMPHIS DRUGGIST

Would Remind the Public to Prevent Sickness by Removing the Cause

T. D. BALLARD

A prominent druggist of Memphis says: "Much sickness could and would be prevented if the people would only remember that constipation is one of the first causes. As a reminder, I would suggest the slogan, "Rexall Orderlies, the laxative tablet with the pleasant taste."

MANNING WRITES ON INSURANCE ISSUE

An Opportune Time for the Formation of Mutuals to Handle Fire Insurance Columbia, March 26.—"We have reached the point where something definite must be done," said Governor Manning in a letter to a prominent business man of Sumter, who had written the Governor requesting his views in reference to the advisability of forming a Farmers Mutual Fire Insurance Association. Governor Manning advises that: "It is my judgment that the present is an opportune time for the formation of mutuals for the purpose of handling farm business," but urges that "great care should be taken that every possible safeguard should be thrown around their management."

The governor makes it plain that he is not considering calling the legislature in special session, stating that he sees "no necessity nor advisability for a special session" at this time.

Governor Manning has been giving a great deal of thought and study to the question involved and is endeavoring to work out a solution on a business basis. "I would not consider for a moment the surrender by the State to any individual or corporation. Neither would I favor the State using unfair methods in dealing with individuals or corporations," said the governor.

It is generally believed here that Governor Manning will be able to work out a satisfactory solution of the whole matter within the next thirty days. He is quietly and carefully gathering information from both sides.

TRY "CASCARETS" FOR LIVER AND BOWELS IF SICK OR BILIOUS

Tonight! Clean your bowels and stop headache, colds, sour stomach. Got a 10-cent box now. Turn the rascals out—the headache, biliousness, indigestion, the sick, sour stomach and bad colds—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels, or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse your stomach; re-move the sour, fermenting food; take the excess bile from your liver and carry out all the constipated waste matter and poison in the bowels. Then you will feel great.

A Cascaret tonight straightens you out by morning. They work while you sleep. A 10-cent box from any drug store means a clear head, sweet stomach and clean, healthy liver and bowel action for months. Children love Cascarets because they never gripe or sicken.

THE ANTI-SALOON LEAGUE.

Moves Its Offices From Spartanburg to Columbia. Still Active.

Columbia, March 27.—The Anti-Saloon League, of South Carolina, has moved its headquarters from Spartanburg to Columbia, and is now established in Room 10 of the Carolina National Bank building. The officers are: President, the Hon. R. O. Purdy, Sumter, Vice Presidents, the Rev. J. S. Moffett, Due West; the Rev. K. G. Finley, Columbia; J. J. Lawton, Hartsville; A. M. DuPre, Spartanburg.

Headquarters Committee: the Rev. C. E. Burtis, P. H. Hyatt, E. F. Whilden, the Rev. K. G. Finley, L. S. Trotter, Dr. W. R. Barron, W. B. DeLoach, C. P. Wray. Trustees: C. E. Graham, Greenville; the Rev. Z. T. Cody, Greenville; R. F. Bryant, Orangeburg; Bright Williamson, Darlington; J. L. Mims, Edgefield; C. B. Bobo, Laurens; the Rev. P. B. Wells, Rock Hill; George H. Bates, Barnwell; J. K. Breedin, Columbia; J. G. Anderson, Rock Hill; W. H. Keith, Timmonsville.

It will be the policy of the League to conserve the prohibition sentiment throughout the State and to aid in building up sentiment for law enforcement.

The executive officer of the League is Mr. J. K. Breedin, the superintendent, and all correspondence will be handled by him from his office in Columbia. Mr. Breedin will be available for work in connection with the League in all parts of the State and will be glad to hold meetings where sentiment for law enforcement needs to be improved and in organizing communities for the enforcement of law. There is a political motive prompting the Anti-Saloon League in its activities, the League regarding prohibition as a settled policy of social and economic betterment of the State rather than as a matter of politics.

The League invites the co-operation of all patriotic citizens in its efforts to promote the cause of temperance and solicits the active and liberal support of all citizens in all phases of its work.
