Fleming Bros.

This name means much to Laurens and Laurens county. These men are two of Laurens' leading and most progressive business men, two who are full of public spirit and civic pride, and willing at all times to end a helping hand in any public movement. The Fleming Bros. Jewelry Co. is one of the finest in the state, being equipped with handsome fixtures throughout. Their optical parlor has all of the modern appliances for testing the eyes and properly fitting glasses when needed. In this store the costliest of diamonds and other stones are mounted. Rings and other jewelry are mounted for the retail trade and their many pieces of hand made jewelry has won much admiration from their customers. No finer or better equipped jewelry store can be found anywhere in a town the size of Laurens. In fact this store would do credit to a number of the larger cities.
