"THE OLD RELIABLE"
PLANTEN'S
C & C OR BLACK
CAPSULES
REMEDY FOR MEN
AT YOUR DRUGGIST.

CALOMEL IS MERCURY, IT SICKENS!
CLEAN LIVER AND BOWELS GENTLY
 Don't lose a day's work. If your liver is sluggish or bowels constipated take "Dodson's Liver Tone."
 You're bilious! Your liver is sluggish! You feel lazy, dizzy and all knocked out. Your head is dull, your tongue is coated; breath bad; stomach sour and bowels constipated. But don't take salivating calomel. It makes you sick, you may lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel crashes into sour bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping.
 If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experience just take a spoonful of harmless Dodson's Liver Tone tonight. Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tone under my personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick.
 Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working, your headache and dizziness gone, your stomach will be sweet and your bowels regular. You will feel like working; you'll be cheerful; full of vigor and ambition.
 Dodson's Liver Tone is entirely vegetable, therefore harmless and can not sllivate. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of calomel is almost stopped entirely here.

MAXWELL CARS REPRESENT GREATER VALUE THAN FORDS PER DOLLARS INVESTED

Figures Compiled From the Wall Street Journal

President Flanders of the Maxwell Co., thoroughly understands the policy of popular leadership in the automobile field through continuous price reductions. He says "Every man I met either owned an automobile or intended to own one. Every price reduction we make enlarges the field. Our popular car was \$695, about a year ago when we cut it \$40. This year we cut it \$60, making the price \$595, and every cut we are able to make will increase the output."
 The broadening character of the automobile industry is shown by the fact that while Ford and Maxwell are reducing prices, several higher-priced cars are advancing their prices and cars of limited output and of super-excellence in individualized construction and finish are contemplating radical advances.
 The highest-priced car in the future will be more than ten times and possibly more than twelve times the price of either the Ford or Maxwell.
 We class these two cars together because they are substantially at the same price when the accessories, such as electric starter, demountable rims, speedometer, etc., are added to the price of a Ford or deducted from the price of Maxwell, yet Maxwell is a larger type of car, more artistic in appearance and claims other points of superiority.

Maxwell Price vs. Ford Price

Ford gets a tremendous amount of advertising because Westinghouse and other concerns are advertising accessories for the Ford car.
 Here is a list of items which a large number of Ford buyers add to their car, but which come complete with the Maxwell. The goods here listed are regularly advertised as needful additions to a Ford.

PARTS REQUIRED	PRICES QUOTED BY	PRICE
High Tension Magneto	Bosh Magneto Co.	\$ 58.00
Electric Starter	Simms Magneto Co.	75.00
Storage Battery	Prest-o-Lite Co.	28.00

Sensible people will be surprised, we think, to consider these figures and see that the Maxwell costs less than a Ford without considering the extra room, beauty and full spring equipment as compared to the two cross springs on a Ford.
 The question asked in the automobile and financial world a few years ago as to the future of Maxwell have been answered with emphasis, and are being answered daily and monthly, with record output and increasing net returns by the organization which President Flanders has built up.
 Maxwell has come back and, in its class, is in the race for leadership this year.
